I am in my second term as a board member of L'Arche Portland, the local chapter of an international organization that provides a place to call home for adults with developmental disabilities. I firmly believe that one of the highest and best aspirations of the law should be to protect the most vulnerable in our society.

I would be pleased to serve for another three-year term if my Region 5 colleagues wish for me to continue.

If anyone would like to learn more about my practice, feel free to visit my website at www.dazerlaw.com

List of candidate's professional and community activities, professional history and other pertinent information.

I practice commercial bankruptcy law at Leonard Law Group LLC formerly known as McKittrick Leonard LLP. I have been an active leader in the Oregon State Bar, particularly in the Debtor-Creditor Section, throughout my approximately 12 years of practice.

Since 2011, I have continually served on the Executive Committee of the Oregon State Bar's Debtor-Creditor Section. This year, I began a five-year term as an officer of the Section's Executive Committee. I continue to serve on the Section's Editorial Board, which I have done since 2007. I have volunteered for several years as a mentor for the OSB Mentor Program.

I am also involved with bar service locally, through the Multnomah Bar Association (MBA). I have served on the MBA's Board of Directors, as President of the 2000-plus members of the Young Lawyers Section, as Chair of the YLS Service to the Public Committee, as a member of the MBA's Professionalism Committee, and currently, on a special MBA Membership Task Force. I was a founder of "The YOUTHFILM Project" – a civics-related student filmmaking contest currently celebrating its ninth anniversary.

I am also committed to pro bono service. I am a regular volunteer for the Legal Aid Services of Oregon Bankruptcy Clinic, sponsored by the OSB Debtor-Creditor Section. I also serve on the Clinic's Board, which oversees management and recruitment for the Clinic. Based on my significant hours of pro bono service every year, I have continued to receive the Washington State Bar's Pro Bono Publico Service Commendation annually since 2007.

Finally, I have been an active supporter of community organizations, including the Oregon Food Bank, the Campaign for Equal Justice, and the Oregon Red Cross. Since 2011, I have served on the Board of Oregon Lawyers Against Hunger, raising money for the Oregon Food Bank.

I hope to have the opportunity to continue to serve as a Region 5 Representative on the Oregon House of Delegates.

CANDIDATE STATEMENT

I would very much like to join the OSB House of Delegates and ask for your vote. I'll bring the Three E's to the table if I am selected.

(1) **Enthusiasm.** I've wanted to be a lawyer for as long as I can remember, and I'm thrilled to be practicing law. I'll bring a high level of energy to the issues confronting the Bar.

(2) **Engagement.** I'm not much of a shrinking violet. The House of Delegates thrives on robust discussion, and I will certainly contribute my thoughts to these discussions.

(3) **Exposure.** My catholic legal experiences have exposed me to a broad cross-section of the law. As a delegate, I will be familiar with and can intelligently discuss business, litigation, criminal, and bankruptcy issues.

I thank you in advance for your vote and look forward to representing Multnomah County's Bar members.

List of candidate's professional and community activities, professional history and other pertinent information.

I began my legal career as a judicial clerk for Judge Christopher J. Marshall of the Multnomah County Circuit Court. Following my clerkship, I accepted a position with Wiles Law Group, LLC (formerly Ashcroft Wiles Ammann LLP) where I practiced civil litigation, primarily in construction defect, insurance defense, business and commercial matters. I litigated cases in state court, Federal court and arbitrations throughout Oregon and Washington.

I then joined Markun Zusman Freniere & Compton, LLP, where I defend broker-dealers, brokers and investment advisors in FINRA arbitrations, state and federal court securities actions; defend clients in regulatory investigations initiated by the SEC, FINRA and state regulatory agencies; defend subcontractors, general contractor, developers and design professionals against construction defect claims; and provide corporate counseling to Northwest businesses. My securities and regulatory practices allow me to practice throughout the country.

Additionally, I am a member of several local state and federal bar associations and organizations. I am interested in serving as a member of the Oregon State Bar House of Delegates because I believe that it is important for members of a self-governing professional organization to actively participate in the process.

I believe the OSB should continue to vigorously promote: equal justice for the poor; quality representation for indigent criminal defendants; safe and well functioning courthouses; an independent and reasonably compensated judiciary; and fairly paid legal aid attorneys and public defenders. The HOD should be a leader in these efforts.

The HOD needs to be a well functioning, efficient and thoughtful deliberative body for the lawyers of this state.
