## 2018 Complimentary Section Offers

OSB sections provide members with opportunities to develop and improve skills, as well as a forum to communicate and participate in activities with other members who have common interests. Section memberships are for a calendar year, and members may join through October 31<sup>st</sup> of each year for the remainder of the year.

Many OSB sections offer free membership to new bar members. Complimentary section memberships for 2018 will be available to new members who were admitted to the Oregon State Bar between **10/1/2017 and 10/31/2018** **and did not receive any complimentary memberships in 2017**. You may return this form via email (see below).

If you meet these qualifications, please submit this form to the bar's accounting department by October 31, 2018, to receive your complimentary membership(s).
