Administrative Law

Oregon Administrative Law

Oregon Administrative Law is an authoritative analysis of administrative law in Oregon, with a special focus on the particular interests of the private practitioner. Learn about: local government public hearing procedures; when an agency may issue a civil penalty; the circumstances in which an agency rule or order may be judicially reviewed; which alternative processes and forums are available for resolving disputes with agencies; the considerations when representing a client in a criminal enforcement proceeding; how administrative law judges are selected; and much more. Written and edited by experienced lawyers who practice before a wide range of administrative agencies in Oregon. Publication includes the 2016 Supplement.

- 2010 1 Vol with 2016 Supplement [408.KT] \$265
- 2016 Supplement [408.16S] \$70

Alternative Dispute Resolution

Arbitration and Mediation

This book explains the procedures available to compel—or avoid—arbitration and offers strategies for engaging in effective mediation. It also discusses the factors to consider in choosing to arbitrate or mediate, and in selecting the arbitrator or mediator for your case. The 2008 cumulative supplement includes a new chapter comparing the Oregon Uniform Arbitration Act and the Federal Arbitration Act, and analyzing which may apply in an Oregon Arbitration, and much more.

- 1996 2 vols. with 2008 cumulative supplement [420.KT] \$98
- 2008 cumulative supplement with forms on CD and extra binder [420.08KS] \$72.50

Appellate Practice

Appeal and Review: The Basics

Based on reader feedback, *Appeal and Review: The Basics* is a major departure from the previous edition. This new edition covers the fundamental procedural and substantive areas with which every appellate practitioner—at every level of experience—must be familiar. Get answers to questions like these: What are the basic elements of a good brief? What special considerations should be taken into account when appealing criminal, juvenile, or workers' compensation cases? What factors should be considered when selecting and evaluating issues to appeal? And much more.

- 2010 1 vol. with binder [415.KB] \$198

Appeal and Review: Beyond the Basics

This second volume of the *Appeal and Review* series, written by appellate judges, longtime appellate lawyers, and Oregon's Appellate Commissioner, contains those invaluable practice tips that will take your appellate advocacy to the next level.

- 2013 1 vol. [416.KB] \$120

Business Law

Advising Oregon Businesses Series

Covering virtually every aspect of business law, this set is Oregon's foremost resource on business law.

Advising Oregon Businesses

Volumes 1 and 2

Volumes 1 and 2 provide practical advice to help you answer all your business clients' questions. Topics include: business formation; proprietorships and partnerships; incorporation; financing; corporate maintenance; liquidations, distributions, and redemptions; corporate reorganizations and their tax consequences; and much more. Topics in the supplement include: changes in U.S. patent law procedures; analysis of Subchapter S taxation changes; shareholder rights in closely held corporations; and changes to Oregon's LLC Act.

- 2001 2 vols. with 2007 supplement [410.KT] \$225
- 2007 supplement [410.07S] \$135

Volumes 3 and 4

Volumes 3 and 4 provide extensive coverage of some of the finer, more advanced aspects of business law. Topics include: executive compensation matters, retirement plans, company policies, insurance, business acquisitions, tax considerations, antitrust, trademarks and copyrights, patent law, trade secrets, domain names, confidentiality agreements, competitive restrictions, and franchises. The 2009 supplement includes two revised chapters, new sections on the income tax treatment of deferred compensation under nonqualified deferred compensation plans (including a discussion of IRC §409A), statutory changes affecting company policies, such as increased restrictions on the use of noncompetition agreements, and other statutory changes from past legislative sessions.

- 2003 2 vols. with 2009 supplement [411.KT] \$235
- 2009 supplement [411.09S] \$140

Volume 5

Most forms in volume 5 are replete with comments, citations to statutes and legal authorities, and alternative clauses to help you tailor the forms to your clients' needs. All of the forms are organized within sections, including partnerships, LLCs, corporations and corporate matters, business acquisitions, and intellectual property. Log on to www.osbar.org for a full list of forms.

- 2010 1 vol. without binder [412.KB] \$165
- 2010 1 vol. with binder [412.KT] \$175

SERIES DISCOUNT:

Order the entire Advising Oregon Businesses series and save \$50!

- All five volumes [413.KT] \$585

Note: The series discount cannot be combined with the 15% multiple-title discount.

Construction Law

Construction Law

Construction Law is the top resource for Oregon lawyers involved in commercial, design-build, residential, or state and local government construction projects. This book provides the information needed to successfully negotiate construction contracts or handle disputes, claims, liens, bonds, and federal procurements. Includes 2011 legislation regarding: the Private Prompt Pay Act; mailings for notices of defect; licensing exemptions for construction contractors; and definitions for residential structure and small commercial structure.

- 2011 2 vols. with binders [440.KT] \$245
- 2011 2 vols. without binders [440.KB] \$215

Contract Law

Contract Law in Oregon

From formation to execution, this book covers all of the intricacies of Oregon contract law, including: elements of a contract, remedies for breach, obstacles to contract formation, capacity, statute of frauds, parol evidence rule and integration, third-party beneficiaries, and contract defenses. The 2008 supplement includes information on: enforceability of arbitration clauses, admissibility of extrinsic evidence to establish ambiguity in a contract term, methodology for interpreting insurance policies, and much more.

- 2003 1 vol. with 2008 supplement [450.KT] \$175
- 2008 supplement [450.08S] \$75

Criminal Law

Criminal Law

The newly-revised three-volume *Criminal Law* book is essential for Oregon lawyers who practice criminal law. Topics covered in this comprehensive resource range from search and seizure to postconviction proceedings, plus a new chapter on victims' rights. Drawing on the wisdom of the experts in criminal law in Oregon, this book will save you time and resources.

- 2013 3 vols without binders [460.13B] \$325
- 2013 3 vols with binders [460.KT] \$375

Debtor/Creditor

Bankruptcy Law

This book discusses the relationship between the bankruptcy court and federal district court, alternatives to filing bankruptcy, how to commence a bankruptcy case, litigation tactics, rights and remedies of secured creditors, strategies for unsecured creditors, automatic stays, and plans for reorganization. The supplement incorporates new information on the Bankruptcy Abuse Prevention and Consumer Protection Act, which opened a new era in bankruptcy law and practice.

- 1999 2 vols. with 2007 supplement [425.KT] \$118

Consumer Law in Oregon

With *Consumer Law in Oregon*, you can easily protect your clients' financial interests and advise them about available rights and remedies. Anyone who has had trouble with unethical bill collectors, delinquent debtors, inaccurate credit reports, difficult consumers, or dishonest salespeople will value this book. It answers questions about mortgages, student loans, automobile warranties, health insurance contracts, and more.

- 2013 2 vols. without binders [445.13B] \$245
- 2013 2 vols. With binders [445.KT] \$279

Creditors' Rights & Remedies

New!

This book contains the latest developments in debtor-creditor law and a wealth of practice tips to make you an efficient and effective lawyer. The 2016 revision will completely update the prior revision and supplement, and also includes several revised chapters from *Foreclosing Security Interests*. It focuses on Oregon case law and statutes, and presents explanations of federal law where applicable.

- 2016 1 vol. without binder [455.16B] \$255
- 2016 1 vol. with binder [455.KT] \$275

Elder Law

Elder Law

New!

A comprehensive guide to elder law in Oregon, *Elder Law*, 2016 Revision, is designed exclusively for the attorney whose practice includes elder law, estate planning, health law, family law, or litigation. *Elder Law* will examine key issues affecting elderly or disabled clients.

- 2016 1 vol. without binder [467.16B] \$230
- 2016 1 vol. with binder [467.KT] \$245

Environmental Law

Environmental Law, Vol. 1: Regulation and Permitting

Save time and money by beginning your research of environmental issues with this first of five volumes of our Environmental Law series. This resource will help you evaluate and understand the current law and administrative procedure relating to air quality, water quality, and waste handling.

This volume includes:

- Updated EPA guidance on the Clean Water Act
- New DEQ procedures and guidance
- Updates to the classifications of solid waste
- Updated treatment and disposal standards for hazardous waste
- Oregon's state air toxics program
- And much more....

The 2013 volume replaces and updates parts of our Environmental and Natural Resources Law publication.

- 2013 1 vol. softbound [468.13B] \$150

Estate Planning & Administration

Administering Oregon Estates

From initiating a probate proceeding to managing and distributing estate assets, Administering Oregon Estates will help you guide the personal representative through the process. Learn all the details involved in administering an estate in a smooth and timely fashion, including notifying heirs, devisees, and other interested persons; managing estate assets; dealing with tax issues; preparing accountings; distributing estate assets; and closing the estate.

- 2012 1 vol. with binder [405.KT] \$240
- 2012 1 vol. without binder [405.12B] \$225

Administering Trusts in Oregon

Revision Coming Soon!

Visit www.osbar.org/store/pub/pubcat.asp for anticipated release date

Guardianships, Conservatorships, and Transfers to Minors

Now in its fifth edition, this is a comprehensive guide to protective proceedings in Oregon.

Topics include: Uniform Adult Guardianship and Protective Proceedings Jurisdiction Act; access to the basic pleading, notice, objection, and hearing procedures to be used for seeking and obtaining the appointment of a fiduciary in a protective proceeding; over 50 forms, including checklists for monitoring a protective proceeding to assist the lawyer and the fiduciary; 2009 legislation that permits DHS to disclose confidential information when necessary to protect the health or safety of a person who is the subject of a protective proceeding; and much more.

- 2009 1 vol. softbound [492.KB] \$105

Ethics

The Ethical Oregon Lawyer

Ethics is a piece of the puzzle for every legal practice and every case you handle. No matter what your practice area, you need to follow the disciplinary rules—for yourself and for your clients. But you often have questions about how to do that. *The Ethical Oregon Lawyer* is the best resource to help you fill in all the pieces of the puzzle and to answer these ethics questions and more:

- How are attorney fees governed?
- What constitutes competent representation?
- What limitations do lawyers face when advertising their services?
- What rights does an accused lawyer have in a disciplinary hearing?
- How do the Oregon RPCs affect a lawyer's duty of confidentiality?
- In which circumstances may a lawyer ethically withdraw from a case?
- And many more...
- 2015 1 vol. with binder [470.KT] \$235
- 2015 1 vol. without binder [470.15B] \$220

After three years of practicing law in Oregon, the Oregon State Bar's electronic BarBooks™ subscription has been the single best addition to my tool box of legal research resources. The ability to quickly search or browse the volumes allows a more comprehensive and efficient review of material compared to using the hard copy version, and the ability to copy and paste out of the electronic version is a nice luxury and big time saver.

— Kyle Schmid, Bend, OR

Oregon Formal Ethics Opinions, 2016 Revision

New!

This new edition of the Oregon Formal Ethics Opinions replaces the 2005 revision and all supplements. It includes: Revised comments to all 2005 opinions with updated cross-references to The Ethical Oregon Lawyer, 2015 Revision, and other resources; New comments to all opinions issued in 2006 and later; One new opinion issued and twenty-six opinions that were revised by the Legal Ethics Committee in 2015; Nine opinions that were revised by the LEC in 2016; Updated tables, revised and updated subject index, and opinions citatory.

- 2016 1 vol. without binder [475.16B] \$155
- 2016 1 vol. with binder [475.KT] \$170

Oregon Rules of Professional Conduct Annotated, 2016 Edition

New!

This new offering from the Oregon State Bar Legal Publications Department is a companion to the Oregon Formal Ethics Opinions, and includes: Full text of all Oregon RPCs; Annotation summaries of all Oregon Supreme Court cases, Disciplinary Board Reporter cases, and Oregon Formal Ethics Opinions citing the Oregon RPCs and ORS chapter 9; Annotation summaries of all cases citing relevant DRs; Sanction imposed in each case clearly highlighted for quick reference; Cross-references to discussions of the Oregon RPCs in The Ethical Oregon Lawyer, 2015 Revision; Tables, subject index, and conversion table from DRs to Oregon RPCs; Will be updated annually with new case annotations.

- 2016 1 vol. with binder [475.KT] \$170

Family & Juvenile Law

Family Law

Represent your clients with confidence with this complete Family Law, 2013 Revision! Family Law is the essential book for Oregon lawyers who deal with any aspect of family law practice. This three-volume revision includes 2012 Legislation and covers the basics – interspersed with practice tips, caveats, and queries--on spousal support, child support, child custody and parenting time, property division, family law procedures, and much more.

- 2013 3 vols. with binders [485.KT] \$346
- 2013 3 vols. without binders [485.13B] \$295

Juvenile Law

Written by lawyers, judges, juvenile court staff, and child psychologists, *Juvenile Law* deals with issues relevant to both delinquency and dependency cases and offers a thorough examination of the Juvenile Code as well as the code's case law interpretations. In addition, 2007 legislation is incorporated, including paternity determinations by the juvenile court. And, as always, our expert authors have added many practice tips and comments that help make this book an essential tool for your practice.

- 2007 1 vol. with binder [501.KT] \$50

We are in the process of revising and reorganizing Juvenile Law into two separate volumes. Volume 1, Juvenile Law: Dependency is due out in mid-2017. Volume 2, Juvenile Law: Delinquency is due out in mid-2018. Copies of the 2007 edition are available at a reduced price while supplies last.

The Rights of Children and Adolescents

This booklet is an indispensable resource for anyone who needs a quick reference regarding where children and adolescents stand under the law. It covers a broad spectrum of issues, including: custody, visitation, and child support; ownership, management, and taxation of children's property; parents' and children's liability in tort and contract; children's access to government benefits; and much more. This book is a must-have not only for Oregon lawyers who represent children but also for any lawyer who has clients with children.

- 2006 1 vol. booklet [501.06B] \$17.50

Note: This publication is not available on BarBooks.

General Practice

Oregon Constitutional Law, 2013 Edition

Oregon was a pioneer of the movement to interpret state constitutions independently of the U.S. Constitution. Not only does the Oregon Constitution address many of the rights protected by the federal Constitution, but it also defines many of the powers that the federal Constitution reserved for the states. Oregon attorneys must be familiar with the Oregon Constitution and the appellate courts' interpretations of it. This first edition of Oregon Constitutional Law is designed for exactly that purpose. It covers many of the rights protected by Article I, Oregon's Bill of Rights, as well as the initiative and referendum processes, financing of state government, taxation, and home rule. More importantly, it includes practical advice about how to litigate state constitutional issues. This book is an essential resource for every Oregon practitioner.

- 2013 1 vol. [581.13B] \$150

Interpreting Oregon Law

Prepare yourself to argue for the proper interpretation of a statute, administrative rule, or constitutional provision on behalf of your client. Edited by Judge Jack Landau, an expert in statutory interpretation, this publication will guide you through the PGE statutory construction analysis as recently modified by *Gaines* so that you will be prepared to effectively argue your case at trial and on appeal.

- 2009 1 vol. softbound [496.09B] \$68.75

Joint Oregon & Washington Cannabis Codebook

New!

Now that medical and recreational cannabis are legal in Oregon and Washington, the legislature and agencies in both states have been scrambling to create statutes and rules to address this rapidly evolving area of law. Get the Joint Oregon & Washington Cannabis Codebook and have the statutes and related administrative rules in this growing area of law at your fingertips.

- 2016 2 Vols, spiralbound [499.16B] \$165

Rights of Foreign Nationals

This handy desk reference addresses issues affecting foreign nationals living in Oregon by addressing relevant statutes, rules, and cases on matters such as domestic relations, employment, personal injuries, criminal offenses, business law, and public benefits. Highlights include: how proper service is executed on parties living outside the United States, which Oregon crimes are considered aggravated felonies that would render a client deportable, how foreign nationals are protected under federal and Oregon housing laws, the types of public benefits that are available to noncitizens, how a client's immigration status affects his or her right to relief under U.S. employment laws, how Oregon's new DMV requirements affect noncitizens trying to obtain a driver license or ID card, and much more.

- 2010 1 vol. softbound [549.10B] \$81

Insurance Law

Insurance Law: The Basics

This Basics edition combines, updates, and condenses the most-used chapters in our previous edition of *Insurance*, providing you with the latest case law and statutes. It also explains the fundamental issues in insurance cases, including interpreting policy language, overlapping insurance, and actions against insurers. Highlights include: general principles for interpreting an insurance policy and how those rules apply; how an insurance contract is formed and how it is breached, rescinded, or otherwise terminated; what an insured can do when the insurance company fails to perform its duties; covers breach of the duty to defend, to settle, and to indemnify; and much more.

- 2011 1 vol. with binder [497.KB] \$135

Labor & Employment Law

Labor and Employment Law: Private Sector

A concise and informative guide to state and federal law governing the duties of employers and the rights of employees, this title offers a balanced perspective from both the employer's and employee's point of view. The 2011 revision includes two new chapters: one on enforcement of wage and hour laws, and one on the Worker Adjustment and Retraining Notification (WARN) Act, as well as completely revised and updated chapters. Topics include: analysis of the 2010 Oregon law that created employment protections for uniformed servicemembers in both the private and public sectors; updates to Oregon's employment discrimination statute; a review of the expanded employment and leave protections for families of servicemembers under the federal Family and Medical Leave Act; and much more.

- 2011 2 vols. with 1 binder (for existing set) [505.KB] \$205
- 2011 2 vols. with 2 binders [505.KT] \$220

Labor and Employment Law: Public Sector

This completely revised edition illustrates the current state of the law regarding public sector labor matters and selected aspects of public employment. Highlights include: a new chapter on military leave, detailed legislative history of the Public Employee Collective Bargaining Act, and a new section analyzing disclosure of information or records regarding law enforcement and public safety employees. This book conveniently compiles the rules and laws governing Oregon's public sector employees and employers in two handy volumes.

- 2011 2 vols. with 1 binder (for existing set) [510.KB] \$195
- 2011 2 vols. with 2 binders [510.KT] \$205

Law Practice Management

Oregon Attorney Fee Codebook and Oregon Attorney Fee Compilation, 2014 Editions

The two volume *Oregon Attorney Fee Codebook and Oregon Attorney Fee Compilation* are a must have for every Oregon Attorney. The statutes and rules included in the Codebook will address when attorney fees are recoverable as an element of damages, when government entities are authorized to incur them, and what procedures must be followed when they are at stake in a legal matter. The *Compilation* will include excerpts addressing attorney fees from these OSB Legal Publications: *Appeal and Review: Beyond the Basics* (2014), *Consumer Law in Oregon* (2013), *Family Law* (2013), *Criminal Law* (2013), *Oregon Constitutional Law* (2013), *Environmental Law vol. 1: Regulation and Permitting* (2013), *Torts* (2012), *Oregon Civil Pleading and Practice* (2012), *Administering Oregon Estates* (2012), *Labor and Employment: Private Sector* (2011), and *Labor and Employment: Public Sector* (2011).

- 2014 2 vols., softbound [584.KT] \$110

Real Property

Land Use

Now completely revised, *Land Use* explains how the statewide planning goals and land use regulations may restrict your clients' uses of their property, how to work with local governments, and what to do if your client's case leads to litigation. Topics include: in-depth analysis of Ballot Measures 37 and 49; RLUIPA and FHA's effect on land use planning in Oregon; discussion of proposed 2010 amendments to LUBA rules of procedure; constitutional issues in annexations; review of tax incentives, exemptions, and credits related to land use; and citizen involvement in the land use planning process.

- 2010 2 vols. with 2 binders [515.KT] \$365
- 2010 2 vols. with 1 binder (for expansion) [515.KB] \$350

Oregon Real Estate Deskbook 2015 Edition

This complete reorganization of the five current real estate series books, combining chapters that covered the same topics from different angles. In addition, the *Oregon Real Estate Deskbook* includes updated chapters from *Foreclosing Security Interests* and eleven new chapters. A must for all real estate attorneys.

The new five-volume book can be purchased as a complete set or as individual volumes. The comprehensive tables and index, included with the complete set, can be included with the purchase of any one individual volume.

The *Oregon Real Estate Codebook*, which contains the primary Oregon Revised Statutes related to real estate, is also available as an add-on to the *Oregon Real Estate Deskbook* and can be inserted into the same binders as the tables and index.

Oregon Real Estate Deskbook –

- Complete set, including Vols. 1–5 and Tables and Index [590.KT] \$1,420

Torts

Torts

Completely revised, the *Torts* 2-volume set will help you plead—or defend—your case, from black-letter law and case citations to analysis and commentary from Oregon's foremost tort law experts. Topics include: intentional torts, sexual misconduct, defamation and invasion of privacy, negligence, malpractice, products liability, toxic torts, liquor liability, commercial torts, wrongful death, claims against governmental bodies, statutory torts, statutes of limitations and repose, vicarious liability, joint tortfeasors, and indemnity and contribution. Will include 2012 legislation.

- 2012 2 vols. without binders [550.12B] \$265
- 2012 2 vols. with binders [550.KT] \$295

Trial Practice and Litigation

Damages

New!

2016 Revision

From compensatory damages to punitive damages to nonmonetary remedies, the award of damages is what brings your client to the civil courtroom. *Damages* is your essential resource to determine the types of damages awards and remedies that may be available to your clients.

Visit our online bookstore at <http://www.osbar.org/store/pub/pubcat.asp> for a complete list of books available for purchase and books currently available to preorder.

- 2016 2 vols. with binders [465.KT] \$345
- 2016 2 vols. without binders [465.16B] \$305

Federal Civil Litigation in Oregon

Specifically designed for attorneys practicing in the federal district court in Oregon, this book includes detailed discussions of the Federal Rules of Civil Procedure in conjunction with the local rules for Oregon and relevant case law. Highlights include: new chapters on preservation, discovery, and presentation of electronic evidence, and e-filing, FRCP amendments taking effect in December 2009, effect of the Class Action Fairness Act of 2005 on federal jurisdiction over class actions, and discussion of recent Ninth Circuit cases on general and specific jurisdiction. This revision also includes over 2,500 cases.

- 2009 2 vols. [487.KT] \$94.50

Oregon Civil Litigation Manual

The foundation that you need for effective civil trial procedure and practice in Oregon's state courts, the 2004 revision provides the critical information you need on numerous facets of civil litigation, from practice tips and court rules to case investigation, pleadings and parties, summons, discovery, trial motions, judgments, attorney fees, and collection of judgments. The 2009 supplement includes various aspects of the Oregon eCourt program, as well as e-filing, analysis of the judgment statute updates made during recent legislative sessions, postverdict review of punitive damages awards, an updated list of Oregon attorney fee provisions, and much more.

- 2004 2 vols. with 2009 supplement [430.KT] \$137.50
- 2009 supplement [430.09KS] \$57.50

Oregon Civil Pleading and Practice

This sixth edition compiles relevant court cases on procedural developments and is a comprehensive guide to pleading and practice in Oregon state courts. It is a must-have for any attorney who handles civil cases. Highlights include: new chapter on e-discovery, rules for pleading a claim for attorney fees, new material addressing the amendments to ORCP 69 governing default, types of evidence admissible at summary judgment, and a new chapter on expedited civil jury trials. This two-volume set covers all the basics for your litigation practice, from jurisdiction to depositions, to posttrial matters.

- 2012 2 vols without binders (with forms on CD) [435.KB] \$255
- 2012 2 vols with binders and forms on CD [435.KT] \$285

Oregon Trial Objections

Provides novice and seasoned litigators alike with a handy quick-reference tool, to be ready to state the proper objection to any questionable evidence at trial and to respond to objections raised by opposing counsel. Arranged in alphabetical order of objections, each possible objection in this new publication provides you with: the proper form of objection; the possible responses to an objection; an explanation of the objection and responses; a cross-reference to OREGON EVIDENCE, by Laird C. Kirkpatrick, for further research; the full text of the relevant Oregon Evidence Rule(s); and space for notes related to your current case or new case law.

- 2009 1 vol. spiral bound [521.09B] \$63

Uniform Civil and Criminal Jury Instructions

These instructions are used by most judges in Oregon courts and by counsel throughout the state. *Books and forms on CD are updated annually.*

Civil Volume

The Uniform Civil Jury Instructions Committee focused on reviewing and updating landlord-tenant jury instructions that were last reviewed and published in 2005. Included in this 2016 supplement are 12 revised instructions that have been reviewed and updated to reflect the current statutory language and to include any new case law affecting these instructions. The committee also withdrew one instruction addressing the right to terminate a rental agreement as the contents are sufficiently addressed in other instructions.

- Civil Jury Instructions: 2005 1 vol. with 2006 – 2016 supplements and forms on CD [555.KT] \$395
- Civil Jury Instructions: 2016 supplement with forms on CD [555.16S] \$35

Criminal Volume

The Uniform Criminal Jury Instructions Committee is finishing up its 2016 supplement. Many instructions have been updated, including the fourth-degree assault instructions, the invasion-of-privacy instructions, and the marijuana instructions. The committee separated the definitions of *physical injury* and *serious physical injury* into two distinct instructions and updated the comments to each. Addressing this year's Oregon Supreme Court decision in *State v. Simonov*, the committee also added a section to the Users' Guide about the application of culpable mental states to particular elements of a crime.

- Criminal Jury Instructions: 2009 2 vols. with 2010-2016 supplements and forms on CD [565.KT] \$415
- Criminal Jury Instructions: 2016 supplement with forms on CD [565.16S] \$55

Workers' Compensation

Workers' Compensation

This book provides you with the information that you need regarding the compensability of on-the-job injuries. Highlights include: statutory changes taking effect July 2009, the Oregon Safe Employment Act, under which circumstances attorney fees are awarded in workers' compensation cases, how a claim is processed, helpful tips for conducting an interview with an injured worker, and much more.

- 2008 2 vols. [570.KT] \$67.50
