McDaniel, William H. Sherlock, Xin Xu, and Yoona Park.

The sixth edition of *Oregon Civil Pleading and Practice* compiles relevant court cases on procedural developments and is a comprehensive guide to pleading and practice in Oregon state courts. It is a must-have resource for any attorney who handles civil cases.

Highlights:

- Forms on CD included with purchase—contains over 200 forms.
- New chapter on e-discovery, including discussions on preserving electronically stored information and responding to discovery requests for such information
- Rules for pleading a claim for attorney fees
- New material addressing the amendments to ORCP 69 governing default
- Types of evidence admissible at summary judgment
- New chapter on expedited civil jury trials
- Practical considerations involved in deciding whether to implead a third-party defendant
- Grounds and procedure for appointing a receiver in Oregon, as well as procedures for operating and terminating the receivership

This two-volume set covers all the basics for your litigation practice, from jurisdiction to depositions, to posttrial matters. *Preorder your copy today.*
