The 2016 Legislation Highlights provides an important overview of over 75 bills that were passed during the 2016 Oregon Legislative Session. The book includes sections on Administrative Law, Taxation, Criminal Law, and Real Estate.

Most of the new laws passed during this session have already taken effect, and these effective dates are explained in the book along with the bill summaries. The Legislation Highlights is an invaluable resource for anyone who wants to keep up with the latest changes in their practice area!
