GENERAL INSTRUCTIONS

Your Compliance Report includes a transcript of accredited programs you attended during your reporting period. It does not include programs that were not accredited by the OSB or for which attendance information was not provided.

The [itemization page](#) is a blank form on which you list the other accredited Category 1 activities that have not been posted to your transcript. For all Category 2 and 3 activities, please use [this itemization page](#) to report them.

Before returning your compliance report, please do the following:

- Complete the itemization pages if necessary (you may use your own letter-size spreadsheet if it contains all of the same information in the same format). **The itemization pages should not include any activities already listed on the transcript.**
- Transfer the totals from the itemization pages to the last page of your compliance report (above the signature block).
- **Attach** the itemization pages or your spreadsheet(s) (letter size only).
- **Sign** your report and return it to the MCLE office on or before January 31, 2017.

We will confirm receipt and processing of your report by email.

REPORTING YOUR CREDITS

MCLE Credits may be claimed ONLY for programs that have been accredited by the OSB MCLE Program Manager.

If you are not sure whether a program has been accredited in Oregon, check our [searchable database of accredited programs](#). Individual members may seek accreditation for programs by submitting [Form 2](#).

The [itemization page for Category I activities](#) is for listing accredited programs you completed that are not already posted to your compliance report. **Do not send screening logs or attendance records.**

For each program or activity, indicate the number of general, ethics, child abuse reporting, elder abuse reporting or access to justice credits for which the program was approved.

The [itemization page for Category II and Category III activities](#) is for listing other CLE activities, including teaching, research and writing, service on certain OSB committees, and certain other volunteer activities. No accreditation application is required for these activities. See MCLE Rules 5.6 thru 5.11, and 6.1 and Regulations 5.200, 5.300 and 7.100.
