

Lunch and Learn Series: Technology Tools for Your Practice

Register now at osbar.inreachce.com and search for the individual program code

Fuel your legal career and yourself with the OSB's Lunch and Learn series. OSB CLE Seminars provides the learning and if you attend the in-person seminars at the bar center—the lunch! (Lunch available at live in-person seminars only.)

Each series focuses on specific topics to help you fully develop your law practice. Attend the in-person seminars for the opportunity to interact with the presenters. With the live webcasts you can watch the seminars from the convenience of your computer. Can't attend at a scheduled time? Register for the webcast and receive access to an archived video of the seminar.

This technology series covers areas that are key to your practice. In "I Spy" you'll learn the risk of storing client electronic information and how to protect client confidential communications. "Tracking Digital Footprints" reveals the wealth of electronic evidence available from everyday electronic communication formats and devices. Gain essential time management techniques with "Effective Use of Time" to get more done during the day. Implement the tips highlighted in "Effective Use of Technology" to become a high performer. With each seminar you'll walk away with valuable tools for enhancing your practice, productivity, and personal life.

Presented by:
Tom Howe, *Howe & Associates, Portland*
