

**Provisional License Program
Conflict Check**

Notes for Provisional Licensees: You should submit this form with any writing, documentation of a client encounter, or documentation of a negotiation. Be sure to identify the associated work product at the bottom of the form.

No examiner will see this conflict check form. Instead, Regulatory Counsel will share this form confidentially with the conflict manager at the examiner's workplace. This form will be used solely to assure that no examiner reviews work product related to a matter on which they have a conflict of interest.
