

LEADERSHIP INSTITUTE NOMINATION FORM

2021 – 2022 Leadership Institute Class

The Oregon State Bar Diversity and Inclusion Department seeks nominations for its 2020-2021 Leadership Institute Class. You have been identified as a leader in your legal community and we seek your input in identifying nominees. All nominees will receive an application prior to the applications going live to the public on Monday, May 3, 2021.

MISSION AND GOALS

Mission: The Leadership Institute aims to serve the legal profession and the Oregon community by enhancing the personal development and cultivating the leadership skills of lawyers from diverse backgrounds.

Goals: The goals of this highly selective program are:

1. Cultivating fellows' personal development, confidence, and resiliency.
2. Enhancing fellows' practical leadership skills.
3. Serving the legal profession and the Oregon community by increasing awareness regarding ethical, professional, and community service opportunities.

ELIGIBILITY

Applicants must have practiced law for not less than **three years and for not more than nine years** as of January 1, 2021, based upon first admission to any state bar. In an effort to achieve diversity among the participants, qualified individuals will be sought from groups underrepresented in the bar, from different backgrounds, large and small law firms, the private and public sectors, different practice areas, and different areas of the state. Each class will consist of no more than 20 participants. Petitions to these requirements may be made (for example, if an applicant's first bar admission date exceeds the nine years maximum stipulation due to having left the practice of law for a period of time).

NOMINATION

After careful consideration of the mission and goals of the Leadership Institute, I am nominating the following persons identified below. They are known to me personally and considered by me to have the aptitude and attributes necessary for their further development as leaders in their profession and their communities. In recommending that these persons receive an invitation to apply for the Leadership Institute, I have considered the need for the participants to represent diversity of the profession in all respects.
