List of candidate's professional and community activities, professional history and reason for running for this position.

I am running for the Board of Governors Region 1 position because I believe it is vital to take an active role in assisting the Bar with shaping the policies and procedures that govern our profession; advocating for an equal playing field for all attorneys and the community members in our region. I have practiced in Deschutes County since 2010 and handled cases from Region 1 counties including Crook, Grant, Harney, Jefferson, Malheur, and Umatilla. My background is rooted in local and state efforts promoting Access to Justice, Diversity Equity and Inclusion, and lawyer wellness. Based on its geographic size and limited representation, I believe Region 1, in particular, needs an active voice from a small-firm perspective. I would be honored to receive your vote.
