List of candidate's professional and community activities, professional history and reason for running for this position.

I have practiced family law in the mid-Willamette Valley since my graduation from Willamette, currently as a shareholder with Litowich Law. During law school and afterwards I have been involved in the legal and non-profit community, including Marion County CASA, Mary Leonard OWLS Chapter, and most recently as president of Willamette Valley Inns of Court.

I previously served as Region 6 Delegate for the BOG with my term ending last year. Work on the BOG is incredibly rewarding but also requires a significant output of time and labor. I am putting in for another term with the Board after considerable thought because I believe there are several important matters that came through during my time which I'd like to continue working on. Specifically, I was on the Paraprofessional Licensing Committee that drafted rules for the implementation of a paralegal licensing program. The program has now been approved by the Oregon Supreme Court and will go into effect July 1, 2023.

The Committee spent an indescribable amount of time preparing these rules with numerous feedback from members of the public and legal community. Now the even harder work begins putting it into action in a way benefiting everyone in that community. I would like to continue for another term on the BOG with the goal of successful implementation and hope you will consider letting me continue this work as your Region 6 Delegate.
