List of candidate's professional and community activities, professional history and reason for running for this position.

I have been involved in many community law programs and pro bono activities, including volunteering for the Metropolitan Public Defenders and Small Business Legal Clinic. I am running for this position because I would love to be a bigger voice in the Bar and help shape future policies in a way that works for all attorneys. I also deeply believe in advocating for attorneys with disabilities and minority attorneys. We need a voice too and I would be honored and delighted to provide that voice.
