2021 Section Enrollment Form

OSB Sections provide members with opportunities to develop and improve skills, as well as a forum to communicate and participate in activities with other members who have common interests. Section memberships are for a calendar year, and members may join through October 31 for the remainder of the year. Visit the bar's website for more information on section activities: www.osbar.org/sections.

Many OSB sections offer free membership to new bar members. Complimentary section memberships for 2021 are available to new members who were admitted to the Oregon State Bar between October 1, 2020 and October 31, 2021 and did not receive any complimentary memberships in 2020.

If you meet these qualifications, please complete and submit this form, or go online to join a section, by October 31, 2021. To join online go to hello.osbar.org then select 'Join Section' from the 'Sections' tab at the top of the page.
