3. Strategic Areas of Focus for 2017

A.1. Paraprofessional Licensing

Ms. Hirschbiel recounted the Futures Task Force Recommendation to establish a Paraprofessional Licensing Implementation Committee and the BOG's decision at its September 2017 meeting to instead establish an "Exploration Committee." Ms. Hirschbiel reported that in recruiting members to serve on the exploration committee, she has encountered issues of concern as outlined in her memo. **[Exhibit A]** Ms. Hirschbiel then introduced Ms. Harpster who served as the Futures Task Force Paraprofessional Licensing Workgroup Chair and invited her to share some of her concerns.

Ms. Harpster noted the difficulty in getting people to serve on another committee charged with studying the proposal without the Board's commitment to the concept. She noted that bar task forces have studied and reported on the paraprofessional licensing concept in 1992, 2015 and most recently in 2017. Because of this, it was difficult to convince individuals to revisit the issue as part of the Futures Task Force Paraprofessional Licensing Workgroup. Fleshing out the details of the proposal set forth in the Futures Task Force Report will require considerable volunteer time and effort. It will involve soliciting input from stakeholders and shaping that input into a detailed, viable program. Volunteers are likely to be reluctant to commit to that work, knowing that the work is likely to be shelved down the road. Further, some individuals may not be committed to building consensus, knowing there is a possibility of killing the proposal entirely. Ms. Harpster encouraged the Board to make a decision about whether it wants to proceed with paraprofessional licensing, or not. If it does, then the Board should clearly say so, by establishing an implementation committee as recommended by the Task Force. If it does not, then it would be better to take a step back from the idea for the time being.

Ms. Hirschbiel noted four options for the Board to consider as outlined in her memo. Mr. Levelle asked the board to consider these four options and opened the floor for discussion.

Ms. Costantino said that she sees potential problems with assumptions made in the proposal, but generally supports the concept, especially as a tool for serving unmet needs in routine family law matters, and would like to take the steps necessary to flesh out the details. She volunteered to be on the committee to work out these details and see how paraprofessional licensing might be accomplished.

Motion: Mr. Mansfield moved, Ms. Rastetter seconded that the board adopt the recommendation of the Futures Task Force to create a paraprofessional licensing implementation committee charged with engaging stakeholders to develop a plan for licensing paraprofessionals consistent with the recommendations set forth in the Futures Task Force Report. Mr. Levelle opened the floor for discussion.

Ms. Rice would like to know additional details about the program before agreeing to pursue implementation as it is difficult to support a program without knowing its details. Mr. Foster agreed. Mr. Levelle supports an "Implementation" rather than "Exploration" committee. Ms. Reeves suggested they change "consistent with" to "considering" in order to give the committee some flexibility in establishing details of the program, because the committee may wish to propose a program that diverges from the task force recommendations after hearing stakeholder input. Mr. Sharp understands how the proposal may cause concern for attorneys, but he believes licensing paraprofessionals helpful for the public of Oregon who need legal services, and he prefers we move forward. Mr. Ramfjord suggested the board vote on the motion. Mr. Peachey agreed and added there should be a law school representative on the committee.

The board voted in favor of the motion. Ms. Rice, Mr. Foster and Ms. Reeves were opposed.

A.2. Futures Task Force Recommendation Status Update

Ms. Hirschbiel gave an update on the current status of task force recommendations. **[Exhibit B]** In the future these will be included in her CEO report to the board. She encouraged the board to give input and not lose sight of the work the task force has done.

2017 HOD Summary of Actions

Mr. Levelle gave a summary of the 2017 HOD meeting and noted a need for action regarding next steps with respect to the proposed amendment to RPC 5.4 that was referred back to the BOG for further study. Mr. Levelle invited discussion from board members and staff about how to proceed. Mr. Bachofner said, in reference to the resolution to amend RPC 5.4, it is an issue of the board narrowing the focus of the proposal to the areas of most need. Mr. Grant suggested the board communicate more with the membership so they do not feel they were caught off guard. Ms. Costantino asked if we could publish the agenda earlier to give the membership more time to consider the resolutions. Ms. Hirschbiel reminded the board that they could put a resolution on the agenda at any time during the year. She suggested the board consider expanding the scope of the study of the amendment to RPC 5.4 to allow for consideration of alternative business structures. Ms. Nordyke said the board will develop a timeline for further study.

Motion: Mr. Peachey moved, Mr. Ramfjord seconded, that a committee be established to continue study of possible amendments to RPC 5.4, including the possibility of allowing for alternative business structures. The motion passed unanimously.

3B. Review of New Lawyer Programs Update

Ms. Nordyke encouraged the board to evaluate and share the survey data re: the review of the new lawyer program that was presented at the board's retreat on November 17, 2017.

Ms. Reeves asked why we are hosting a Rural Summit at the OSB Center. Ms. Nicholls said it was because the cost of an alternative location was prohibitive and that webcasting would be available at the OSB Center.

3C. Diversity Action Plan

Ms. Hirschbiel asked Mr. Puente to present the draft Diversity Action Plan for BOG review. **[Exhibit C]** The Diversity Advisory Committee's (DAC) first area of focus was the operational side of the OSB. The second focus was the bar membership, and the third was the public. The DAC focused on creating systemic change

and accountability. This strategic plan included goal ownership by DAC members and is focused on being proactive rather than reactive – be leaders.

Ms. Reeves outlined the ways the board be involved: active engagement with specialty bars, apply the diversity & inclusion lens to all decisions they make, and cultivate diverse leadership through recruitment and appointments.

Mr. Grant asked for clarification on the data sources for these goals and the measurement tools involved. Ms. Hirschbiel said that data driven goals were a big part of developing the plan and determining the definition of diversity. The DAC recommends that the bar concentrate on collecting data and promoting inclusion, and in hopes that increased diversity will follow.

Motion: Ms. Rice moved, Mr. Foster seconded, that the board accept the draft Diversity Action Plan. The motion passed unanimously. The final draft will be presented to the board at a special open session on January 5, 2018.

Mr. Levelle wanted to be certain the Diversity & Inclusion budget is on the board’s radar in 2018. Ms. Hirschbiel assured him she will make sure it is on the Budget & Finance Committee agenda in early 2018.

She gave an update on the proposed self-help centers legislation that is active in the 2018 short session. The first center would be placed in the Multnomah County Courthouse as a pilot project.

Ms. Bernick gave a general update and presented the 2018 Primary, Excess and ProBono Plans for approval. Ms. Campbell will be taking Bruce Schafer's position as Director of Claims when he retires. Mr. Martinez reported on the PLF financial status. The PLF portfolio is very balanced and has been helped by the market rise. Claims are down over the past four years. The incoming Chair, Dennis Black, will focus on the budget to eliminate drastic changes in the future. Mr. Martinez reported that several states are inquiring about the PLF with an interest in implementing a program in their state.

Motion: Ms. Zinser moved, Mr. Mansfield seconded, and the board voted in favor of approving the plans. Mr. Bachofner, Mr. Chaney, and Mr. Peachey abstained. The motion passed.

Report of the President

Mr. Levelle called the board's attention to the statement on the Washington State Bar Association's (WSBA) website re: white nationalism. He has a Farewell Remarks article in the December 2017 *Bulletin* asking what can the membership do within the Keller limitations. He asked the board to become vocal going forward, issuing statements, to raise awareness. Mr. Chaney opined that the WSBA statement did not go far enough and that the Board of Governors consider making a bolder statement. Mr. Puente said local attorneys have

asked what the bar's role is in this issue. Staff will present a draft statement for the Board to consider adopting at its special meeting in January 2018.

Mr. Levelle asked the board to discuss Lawrence K. Peterson's letter to the editor in the August/September 2017 *Bulletin* re: Disregarding Local Input in Selecting Judges. Ms. Rastetter noted that Mr. Peterson approached her and asked that the board consider the issue.

OREGON STATE BAR

Board of Governors Agenda

Meeting Date: November 19, 2017
From: Helen M. Hirschbiel, CEO
Re: Futures Task Force Recommendation re: Paraprofessional Licensing

Action Recommended

Reconsider the BOG decision to establish a Paraprofessional Licensing Exploration Committee.

Background

At its September 8, 2017 meeting, the Board of Governors decided to establish a Paraprofessional Licensing Exploration Committee as set forth in the attached memo.

In recruiting members for the committee, staff has encountered issues of concern. Some stakeholders see service on the committee as an opportunity to kill the proposal. Others are reluctant to volunteer their time to develop the proposal further, with the possibility that no action will be taken in the end.

In order to address these issues, staff recommends that the Board reconsider its decision to establish an Exploration Committee. Other options for action include:

1. Adopt the recommendation of the Futures Task Force Regulatory Committee to create a Paraprofessional Licensing Implementation Committee, charged with engaging stakeholders to develop a plan for licensing paraprofessionals consistent with the recommendations set forth in the Futures Task Force Report. Recommend committee members for BOG appointment.
2. Continue to seek feedback from members and reconsider at a set date in the future.
3. Continue efforts to establish Exploration Committee.
4. Do nothing.

2018 BUDGET Final Report

November 18,
2017

Report to the Board of Governors

Purpose of This Report

- This is intended to be the last report of the 2018 Budget and any changes from this report will be the final budget for 2018.
- The Budget & Finance Committee reviewed the 2018 Budget at its July 21, September 8 and 22, and November 3 meetings and prior to the November 18 board meeting. The July meeting included numerous scenarios for possible actions for the 2018 and future years' budgets.
- During the development of the budget a projected net operating expense declined from \$117,500 to a small net operating revenue, but a positive one nonetheless.
- At the November 3 meeting the Committee discussed at length the salary pool for 2018 (4% is included in this budget report). The Committee will make its final recommendation at this meeting.

Quick Summary of the 2018 Budget

This report includes the revised budget and now reports a **Net Revenue of \$27,904.**

The **Active Membership Fee is reduced to \$552.00** from \$557.00. A reduction in the Client Security Fund assessment was approved at the September 22 meeting and reported at the November 3 HOD meeting.

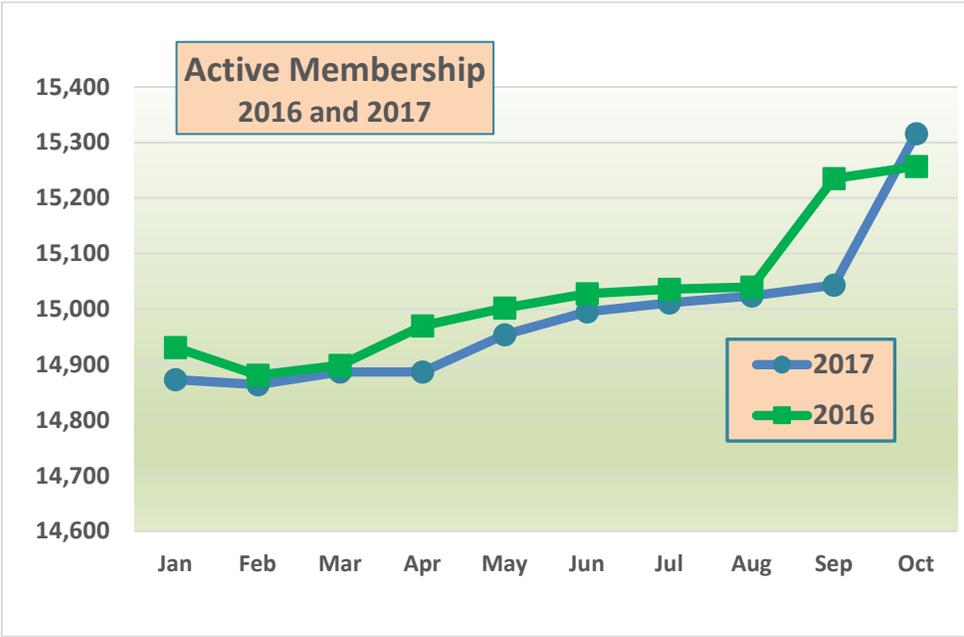

Changes from 2017 Budget to 2018 Budget:

- The 2017 Net Revenue is \$391,911 and the final Net Revenue will be higher.
- Revenue in 2018 declines \$18,400; Expenses increase \$344,300.

1. Membership Fees Revenue . . .

The chart below shows there were 59 more Active Members at October 2017 than October a year ago.

- However, using the same number of changes in membership status in the last two months of 2016 (which had 230 status changes), the Active Member count at the end of 2017 will be 18 less than the end of 2016.
- Since the Inactive Member count is projected to increase slightly in 2018 offsetting a projected slight decline in Active members, **the Member Fee revenue remains the same as the 2017 budget.**

An Interesting Fact

Will the Inactive Member count increase in 2018?

Answer: The Inactive Member count has increased from the previous year EVERY YEAR SINCE 1979 (39 consecutive years).

CONCLUSION ON MEMBERSHIP FEE REVENUE

With Active Members transferring to Retired, Inactive, Active Pro Bono status, or deceased, these member categories most likely will cancel any growth in the Active Member category in 2018.

Thus, the 2018 Member Fee revenue remains the same as the 2017 budget.

2. Non-dues (Program Fee) Revenue . . .

<i>Program</i>	<i>Result Compared to 2017 Budget</i>
Admissions	The BBX and Director project \$28,345 more revenue primarily due to the increase in <i>Investigation Fees</i> for California and Nevada lawyers entering by UBE scores
CLE Seminars	Due to when and the impact of the new Association Management software (AMS) and the change in Section co-sponsorship, revenue is hard to predict. In this phase revenue is lower by \$15,370.
Disciplinary Counsel	No increase in the <i>Reinstatement Fee</i> is included, but will be evaluated and seek Court approval in 2018 for 2019.
Lawyer Referral	<i>Percentage Fee</i> revenue is down \$70,000 which is closer to the expected revenue for 2017. Revenue is expected to average \$59,000 per month as it has for three years
Legal Publications	Revenue (<i>book sales</i>) is projected \$17,035 less than 2017. Sales of print books are expected to slowly decline year-over-year.
MCLE	Revenue is projected to be \$1,000 less in 2018 further affirming that this source of revenue is plateauing.

CONCLUSION OF NON-DUES REVENUE

Program Fee, or non-dues, revenue is \$47,260 less than the 2017 Budget as generally the major sources of Program Fee revenue decline from 2017.

3. The Salary Pool, Taxes & Benefits . . .

- The PLF budget was approved on September 8 with a 4% salary pool. This was based on the PLF's recommendation on a July 2017 release from the Bureau of Labor Statistics that the Portland CPI-U had increased 4.4% from the previous year.
- The bar and PLF have always maintained the same salary pool, so a 4% pool is included in this phase of the budget.
- The chart compares the CPI-U and the amount of the salary pool since 2011:

<i>Rate/Year</i>	<i>2017*</i>	<i>2016</i>	<i>2015</i>	<i>2014</i>	<i>2013</i>	<i>2012</i>	<i>2011</i>
Portland CPI-U	4.4%	2.1	1.2%	2.4%	2.5%	2.3%	2.9%
Pool	3.0%	3.0%	2.0%	2.0%	2.0%	2.0%	3.0%
Pool Over/(Under) CPI-U	(1.4)	.9%	.8%	(.4%)	(.5%)	(.3%)	.1%

Notes:

- * The 2017 CPI-U number is for the first half of 2017.
- The CPI-U is not known until after the end of the year, i.e. although the CPI-U for 2016 was 2.1%, the 2017 pool of 3% was approved before the end of 2016.

- d) A 1% salary pool change is \$72,300 in salaries and benefits.
- e) The benefit costs of PERS also are a reason for the personnel cost increase. The employer rates increased an average of 4.41% in mid-2017, so those increases are in effect for a full year in 2018. The rate increases added \$107,700 to the personnel budget.

This cost increase could have been higher except for the departure of several long-time employees. The amount of salary at the highest PERS rate declined from 38% to 29%, and will continue to decline in the years ahead as more senior staff leave.

CONCLUSION FOR PERSONNEL COSTS

With the salary pool at 4%, the full year of the higher PERS rates, and the full year of new positions, the personnel budget will increase \$411,613 from the 2017 budget.

4. Direct Program & Administrative (non-Personnel) Expenses . . .

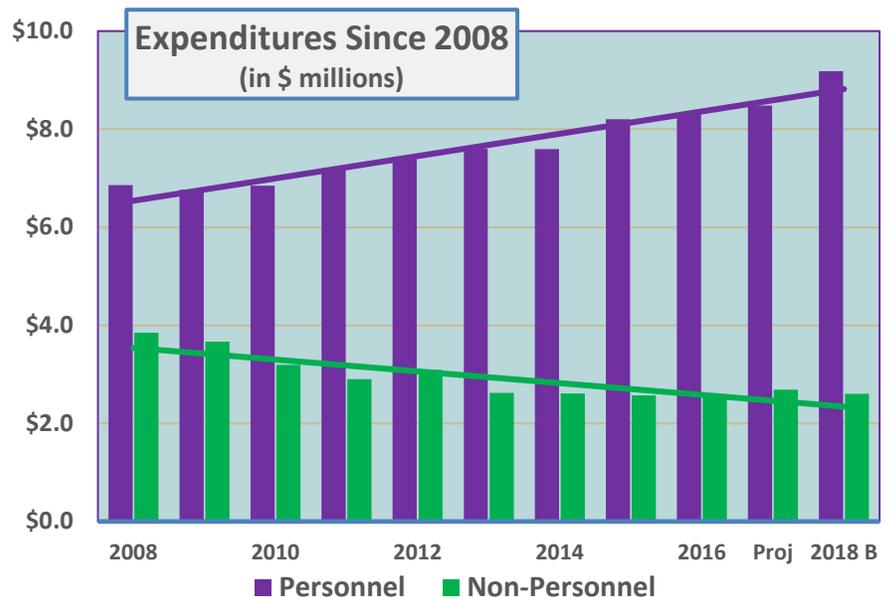

- Non-personnel costs are \$70,298 lower in 2018.
- Generally across the board most programs/departments cut or eliminated operating and administrative costs.
- The 2018 budget does not include costs for an economic survey (\$25,000 in 2017).

CONCLUSION FOR NON-PERSONNEL COSTS

Non-personnel costs continue to decline or at least plateau year-over-year.

The chart shows the challenge in future budgets. Personnel costs are increasing at a larger rate than non-personnel costs. This contradicts with limited or no increase in revenue.

Personnel costs are expected to be 75.3% of all bar operating expenditures in 2018.

5. Program Changes in the 2018 Budget . . .

After considerable discussion at the two previous meetings, there are few changes in the 2018 budget, and two apply to special assessments and not general bar operations

- A .75 FTE Adjudicator is included and assistant needs are absorbed by existing staff.
- The Client Security Fund assessment is reduced \$5.00.
- Diversity & Inclusion program expenses increase \$151,015.

6. What Stays the Same in 2018 . . .

Member Fee Assessment	The general member fee remains the same, but the fee becomes \$552.00 for active members with the reduction of the CSF assessment. The Inactive Member fee remains at \$125.00.
PLF Grant	\$200,000 grant for an undisclosed period
Fastcase	\$99,000 for the popular legal research library
Classroom Law Project	\$20,000 grant
Campaign for Equal Justice	\$45,000 grant
Council on Court Procedures	\$4,000 grant for council member travel expenses
Contract Legal Fees	\$40,000 for outside counsel
Outreach Programs	\$15,000 for legislative public policy
Contingency	\$25,000 for unusual or unexpected costs
Client Security Fund claims	\$200,000 as the annual placeholder amount

7. What the Five-Year Forecast Looks Like with a Net Revenue in 2018 . . .

2019	<ul style="list-style-type: none"> • By creating a small net revenue in 2018, the net expense in 2019 becomes a more manageable \$216,300. • Reserves remain well above the required levels.
2020	<ul style="list-style-type: none"> • Expect a fee increase of at least \$50.00 per active member. This will create a net revenue that will last for at least three years – four to five if other revisions are made. • <u>With a fee increase</u> - reserves are well above the required amounts. • <u>Without a fee increase</u> - the net expense will be in excess of \$400,000 and the reserve levels are maintained, but there is no excess.

2021	<ul style="list-style-type: none"> • With a fee increase in 2020 a net revenue exists and an excess of the reserves remains.
2022	
2023	<ul style="list-style-type: none"> • A manageable net expense exists. • The amount of reserve funds available are slightly less than the reserve levels. • The mortgage on the bar center is subject to a balloon payment in February. The bar should have no difficulty refinancing the mortgage, and the key factor will be the interest rate.

8. How to Maintain Fiscal Stability for Five Years Beginning in 2019 . . .

2019

1. **Charge the to the over 50-year members** the Active Member fee
2. **Increase the Reinstatement Fees** by \$250 (or another amount) to account for the time to process the reinstatements.
3. Maintaining the non-personnel cost adjustments of 2018 will cut the net expense to a more manageable amount, and possibly lead to a balanced budget.

2020

1. **Increase the Active member Fee by \$50.00.**

2019 to 2023

1. **Consider other sources of revenue** (reserves, service charge to sections, allow paralegals to become members, increase the lawyer referral percentage fee rate, etc.)
2. **The salary pool and another expected mid-year PERS rate increase** in 2019 and 2021 will have the greatest impact on operating costs.
3. **Evaluate programs or services for elimination or reduction** (New lawyers Division, New Lawyer mentoring Program, etc.)

9. Diversity & Inclusion . . .

- The program's expenditures are \$189,516 greater than a year ago. The additional costs are the placeholder of \$100,000 for initiating programs on diversity for members, increased costs for OLIO, and filling positions that were vacant for an extended period.
- The program will begin 2018 with a fund balance of approximately \$500,000.

10. Client Security Fund . . .

- At the September 22 Committee and board meetings, the assessment was reduced by \$5.00 to \$10.00. All active members pay this assessment.
- The lesser assessment generates \$77,800 less revenue. The 2018 net expense for the program is \$106,406.
- The budget includes a placeholder of \$200,000 for claims even though fortunately that amount has not been exceeded since 2013.
- The fund balance at the beginning of 2018 will approximate \$1.2 million. If claims remain at the average as this year and the previous three years (a little over \$100,000), the assessment can remain at \$10.00 for several more years.

11. Fanno Creek Place . . .

- Two vacancies of 3,138 s.f. are possible beginning 2018 and one other tenant is expected to renew.
- If those vacancies are filled by April 2018, the net expense will improve by \$56,400 over 2017.

12. Recommendation of the Budget & Finance Committee to the Board of Governors

- a. Decision on 2018 salary pool;
 - If a 4% salary pool, the Net Operating Revenue is \$27,904;
 - If a 3% salary pool, the Net Operating Revenue is \$100,200.
- b. Action on other budget related matters;
- c. Action on the 2018 budget as presented, or with Committee changes.

Section 2.1 Duties and Responsibilities

Subsection 2.100 General

(a) The Board of Governors governs the Bar, except as provided in ORS 9.139. In doing so, the Board determines the general policies of the Bar and approves its budget each year. The **Chief Executive Officer**~~Executive Director~~, appointed by and acting under the supervision of the Board, implements, administers and supervises the Bar's operation and program activities within these Bylaws and ORS Chapter 9.

(b) The Board operates as a review body, a supervisor of top management performance and a representative body of all members. As such, the Board must plan for the welfare of the total Bar ahead of other considerations.

(c) Each board member is unique and contributes special talents to the successful governance of the Bar. Expressing viewpoints and sharing opinions on issues before the Bar is important.

(d) Each lawyer-board member represents a geographic constituency. As a representative, a lawyer-board member is expected to communicate with constituents about board actions and issues and to represent constituent viewpoints to the Board.

(e) In addition to each lawyer-board member's individual responsibility for communication with his or her constituency as set out in subparagraph (D) above, lawyer members of the Board and staff will have the responsibility to meet with local associations and other lawyer groups. Each year the President and **Chief Executive Officer**~~Executive Director~~ will develop a plan to visit the groups mentioned above with substantial participation by both the President and the **Chief Executive Officer**~~Executive Director~~.

(f) Board members are committed to attend all board meetings and other functions in person except when, in a board member's judgment, an emergency or compelling circumstance arises that prevents participation. Board members should notify staff of the desire to participate in board meetings by telephone when personal attendance is precluded by an emergency or compelling circumstance. Staff will arrange the telephone link at bar expense based on those requests.

Subsection 2.101 Election

(a) The election of lawyer-members of the Board will be conducted according to Article 9 of the Bar's Bylaws. Newly elected governors and officers of the Bar take office on January 1 of the year following their election.

(b) Candidate statements for the office of Governor from a region must be in writing. The **Chief Executive Officer**~~Executive Director~~ will prepare the forms for the candidate statements and supply the forms to the applicants. Applicants must

complete and file the form with the ~~Chief Executive Officer~~ Executive Director by the date set by the Board. The ~~Chief Executive Officer~~ Executive Director must conduct elections in accordance with the Bar Bylaws and the Bar Act.

Subsection 2.102 Board Committee and Other Assignments

At or shortly after the annual orientation and retreat, board members will be invited to indicate their preferences for board committee and other assignments. Members of the senior class will be invited to identify one or more board committees they would like to chair. The ~~Chief Executive Officer~~ Executive Director and president-elect will develop a slate of assignments based on the preferences. Senior class members shall have priority in the choice of assignments, but the preferences of all member will be honored to the extent possible and appropriate. The proposed slate will be circulated to the board and any board member may request a change of assignments. The president-elect will make reasonable effort to accommodate any change requests, but the president-elect's decision will be final.

Subsection 2.103 Judicial Campaigns

The members of the Board must refrain from public involvement in judicial campaigns and appointments that in any way identifies them as members of the Board, officers of the Bar, or otherwise representing the Oregon State Bar.

Subsection 2.104 Separation of Powers

The Board will not nominate or appoint persons who work in or for the state executive or legislative departments to the following bodies: State Professional Responsibility Board, Disciplinary Board, Minimum Continuing Legal Education Board and Commission on Judicial Fitness and Disability. In the case of a challenge to the candidacy of a member of the Board of Governors under ORS 9.042, the Board will follow the procedures outlined in the statute.

Subsection 2.105 Amicus Curiae Briefs

A section or committee that wishes to enter an *amicus curiae* appearance before any trial court or appellate court must obtain prior approval from the Board. The request must be in writing and must include a synopsis of the question involved, the posture of the case, the position to be taken in the *amicus* appearance, and the anticipated cost of appearing *amicus curiae* including lawyer fees, if any. The question involved must directly or substantially affect admission to the practice of law, the practice of law, discipline of members of the bench or bar, the method of selecting members of the judiciary or other questions of substantial interest to the Bar or a committee or section. The Board will determine whether the question involved can be adequately presented to the court without the *amicus* appearance of the committee or section. All costs for appearance by a section must be paid by the section; if the Board approves the filing of an *amicus* appearance by a committee, the Bar will pay any costs for the appearance.

Subsection 2.106 Indemnification

The Bar must indemnify its officers, board members, directors, employees and agents and defend them for their acts and omissions occurring in the performance of their duties, to the fullest extent permitted by ORS Chapter 30 relating to indemnification by public bodies, especially the provisions of ORS 30.285. The term

"officers, board members, directors, employees and agents" of the Bar includes subordinate groups established by the Bar or the Supreme Court to perform one or more of the Bar's authorized functions, including the Board of Bar Examiners, the Professional Liability Fund, the State Professional Responsibility Board, the Disciplinary Board, ~~the Local Professional Responsibility Committees~~ and bar counsel and the State Lawyers Assistance Committee. The right to and method and amount of defense and indemnification are determined in accordance with the provisions of ORS 30.285 or comparable provisions of law governing indemnity of state agents in effect at the time of a claim.

Subsection 2.107 Defense of Disciplinary Complaints and Proceedings

(a) The bar will defend any of its current and former officers, employees and agents (hereafter "Accused"), whether elected or appointed, against any complaint of professional misconduct arising out of an act or omission occurring in the performance of his or her official duties on behalf of the bar as provided in this bylaw.

(b) The duty to defend does not apply in the case of malfeasance, gross negligence or willful or wanton neglect of duty.

(c) If any complaint is made to the Oregon State Bar or other agency or court with disciplinary jurisdiction over the Accused or a disciplinary proceeding is brought by the Oregon State Bar or such agency or court against an Accused which on its face falls within the provisions of subsection (a) of this bylaw, or which the Accused asserts to be based in fact on an act or omission in the performance of his or her official duties on behalf of the bar and not within the scope of subsection (b) of this bylaw, the Accused may file a written request for a defense with the General Counsel, or if the request is by the General Counsel, the President of the bar. The General Counsel or President, as the case may be, will thereupon present his or her recommendations to the Board of Governors regarding the approval of an agreement to pay for the defense of the Accused, including attorney fees and costs during the investigation, prosecution, and appeal of a complaint of professional misconduct. The Board of Governors will approve such terms and conditions of payment for the defense as it deems appropriate under the circumstances, including the Board's right to select counsel to defend the Accused, unless the Board determines that the complaint does not arise out of an act or omission occurring in the performance of official duties on behalf of the bar, or that the act or omission amounted to malfeasance, gross negligence or willful or wanton neglect of duty, in which case the Board will reject the request.

(d) If the Board agrees to pay for the defense of a complaint or disciplinary proceeding, the Accused shall cooperate fully with the lawyer(s) hired by the bar to defend the Accused. If the Board determines that the Accused has not cooperated with defense counsel or has otherwise acted to prejudice defense counsel's good faith decisions regarding the proper defense of the matter for which a defense is provided, the Board may at any time terminate the continued defense of the matter and require the Accused to reimburse the bar for all funds it has paid on account of the defense of the Accused. The Board may condition the provision of a defense under this bylaw on the Accused's agreement to make such reimbursement upon the Board's good faith determination that the Accused has failed to cooperate with defense counsel or otherwise acted to prejudice defense counsel's good faith decisions regarding the proper defense of the matter.

(e) If the Board concludes, after undertaking to pay for the Accused's defense, that the conduct was malfeasance, grossly negligent, or the willful or wanton neglect of duty, the Board will terminate the continued defense of the matter and require the Accused to reimburse the bar for all funds it has paid on account of the defense. The Board may condition the provision of a defense under this bylaw on the Accused's agreement to make such reimbursement upon the Board's good faith determination that the Accused has engaged in such conduct.

(f) If the Accused in a disciplinary proceeding is found to have violated the rules of professional duct, a disciplinary statute or disciplinary regulation, the Accused must reimburse the bar for all funds it has paid on account of the defense of the Accused. The Board may condition the provision of a defense under this bylaw on the Accused's agreement to make such reimbursement upon the entry of a final judgment imposing discipline on the Accused. Discipline for purposes of this bylaw should be a reprimand or greater sanction imposed by the Disciplinary Board or the Oregon Supreme Court or other court or agency having disciplinary jurisdiction over the Accused. If the discipline is a reprimand, the board may waive the reimbursement requirement.

(g) If the Board denies an Accused a defense under this bylaw or terminates the provision of such a defense under the terms of this bylaw and the Accused is found in any disciplinary proceeding for which a defense was denied or terminated not to have violated any rule of professional conduct or disciplinary statute or regulation, the bar will reimburse the Accused for his or her reasonable attorney fees and costs in defense of such matter so long as the Accused's conduct occurred in the performance of official duties on behalf of the bar and did not separately constitute malfeasance, gross negligence or willful or wanton neglect of duty, as, in good faith, is determined by the Board. Pro se representation does not qualify for the reimbursement of reasonable attorney fees and costs under this subsection.

Section 2.2 Officers

Subsection 2.200 Duties

(a) President

The President presides at all meetings of the Board and has the authority to exercise the Board's power between board meetings and to take appropriate action whenever the President finds that a board meeting is not necessary or cannot reasonably be convened. However, the President's action must be consistent with any actions taken or policies previously adopted by the Board or by the membership. The President must report any such action at the next board meeting. The President performs such other duties as the Board directs.

(b) President-Elect

The President-elect performs the duties of the President in the absence, inability or refusal of the President to perform those duties. The President-elect performs other duties as the Board directs.

(c) Immediate Past President

The Immediate Past President is a non-voting *ex officio* member of the Board. **Upon completion of the term for which the President is elected, the President becomes the Immediate Past-President for one year.** The duties of the

Immediate Past President will be as agreed between the Immediate Past President and the Board from time to time. Expenses of the Immediate Past President will be reimbursed as approved by the Board.

Subsection 2.201 Election

(a) Time of Election

The President and President-elect are elected at the last regularly scheduled board meeting of the calendar year. The only candidate for President is the President-elect.

(b) President-Elect

Any lawyer member of the second-year class may be a candidate for the office of President-elect by notifying the **Chief Executive Officer**~~Executive Director~~ by September 1. Each candidate must submit with said notice a statement outlining the candidate's qualifications, reasons for seeking the position, and vision for the bar. A Nominating Committee, consisting of the fourth-year class and the current President-elect, will interview each candidate and will meet with the remaining board members to discuss their view about each candidate's respective qualifications. The Nominating Committee will announce its candidate for President-elect at least 30 days prior to the last regularly scheduled board meeting of the calendar year. The Nominating Committee's selection will be the sole candidate for President-elect unless at least six members nominate another candidate by written petition delivered to the **Chief Executive Officer** ~~Executive Director~~ not less than 15 days prior to the last regularly scheduled board meeting of the calendar year.

(c) Voting

If there is only one candidate for an office, the candidate is deemed elected without a formal vote. When there are two nominees for President-elect, the candidate receiving the most votes will be elected. If there are three nominees for President-elect and no candidate receives more than 50 percent of the votes on the first vote, the candidate receiving the fewest votes is eliminated and another vote will be taken. Only board members present at the meeting may vote.

Subsection 2.202 Removal

Any officer of the Bar may be removed with or without cause on a three-fourths affirmative vote of all board members. That position is then filled by the Board, at the same or a subsequent meeting, using the above rules as far as applicable.

Section 2.3 Public Members

In addition to the resident active members of the Bar required by ORS 9.025, four public positions exist on the Board of the Bar.

Subsection 2.300 Appointment

Any person appointed to a public position on the Board must meet the qualifications set forth in ORS 9.025(1). Public members serve for a term of four years, beginning on January 1 of the year following appointment. Every attempt will be made to maintain geographic distribution; however, the priority will be to match the current needs of the Board with the areas of interest of the public members.

Subsection 2.301 Powers and Duties

Public members of the Board have the same voting rights as the lawyer members of the Board. They take the same oath of office and are charged with the same functions and duties as provided by statute and Board Policies. Public members cannot serve as officers of the Bar.

Subsection 2.302 Removal

Public members of the Board are subject to removal by the Board upon the following grounds and for the following reasons: A public member no longer meets the initial qualifications for appointment set forth in Subsection 2.300 of the Bar's Bylaws; or a public member commits an act substantially similar to the conduct proscribed by ORS 9.527 or fails to perform the duties of the office. If at least ten members of the Board propose that the public member be removed, the public member is given written notice of the proposed removal, together with the reasons therefore. The written notice must be given at least 15 days before the next regularly scheduled board meeting. Thereafter, on a vote of at least ten members of the Board, the public member is removed and the position is vacated.

Subsection 2.303 Vacancies

On the death, resignation or removal of a public member of the Board, the Board must appoint a replacement to serve the unexpired portion of the then vacant position. Any person so appointed must satisfy the qualifications for appointment set forth in Subsection 2.400 of the Bar's Bylaws and is subject to removal as set forth in Subsection 2.302 of the Bar's Bylaws.

Section 2.4 Meetings

Subsection 2.400 Robert's Rules of Order

Board meetings are governed by ORS Chapter 9, these bylaws, and the most recent edition of Robert's Rules of Order.

Subsection 2.401 Regular Meetings

Meetings of the Board are held at such times and places as the Board determines. The **Chief Executive Officer** ~~Executive Director~~ will provide notice of the time and place of all meetings in accordance with ORS 192.610 to 192.690.

Subsection 2.402 Special Meetings

A special meeting of the Board may be called by the President or by three Governors filing a written request with the **Chief Executive Officer** ~~Executive Director~~. If, within five days after a written request by three Governors, the President fails or refuses for any reason to set a time for and give notice of a special meeting, the **Chief Executive Officer** ~~Executive Director~~ must call the meeting and provide at least 24 hours' notice of the time and place of the special meeting in accordance with ORS 192.610 to 192.690.

Subsection 2.403 Emergency Meetings

When the President determines that a matter requires immediate attention of the Board, an emergency meeting may be called on less than 24 hours' notice. Notice must be given to members of the board, the media and other interested persons as

may be appropriate under the circumstances. The notice must indicate the subject matter to be considered. Only the matters for which the emergency meeting is called may be considered at the meeting.

Subsection 2.404 Minutes

Accurate minutes of all board meetings must be preserved in writing or in a sound, video or digital recording. The minutes must reflect at least the following information: members present, motions or proposals and their disposition, the substance of any discussion on any matter, and a reference to any document discussed at the meeting. The minutes must reflect the vote of each member of the Board by name if the vote is not unanimous. Draft minutes, identified as such, will be available to the public within a reasonable time after the meeting. Final minutes will be available to the public within a reasonable time after approval by the Board. The minutes of executive sessions will be available to the public except where disclosure would be inconsistent with the purpose of the executive session.

Subsection 2.405 Oregon New Lawyers Division Liaison

The Oregon New Lawyers Division ("ONLD") has a non-voting liaison to the Board, who must be a member of the ONLD Executive Committee. The ONLD liaison is appointed by the chair of the ONLD Executive Committee to serve for a one-year term. No person may serve more than three terms as ONLD liaison. If the ONLD liaison is unable to attend a meeting of the Board, the ONLD chair may appoint another member of the ONLD Executive Committee to attend the meeting.

Section 2.5 Expenses

Subsection 2.500 General Policy

All provisions of Section 7.5 of the Bar's Bylaws (Expense Reimbursements) apply to the Board of Governors with the following additions. Officers of the Board who, because of their office, must occupy a suite or special room other than the standard room occupied by most board members will be entitled to be reimbursed for the extra expense. Members of the Board who host board dinners will be reimbursed the actual cost of the dinner regardless of whether it is held in the board member's home or at a restaurant.

Subsection 2.501 Conferences

The Bar will reimburse the actual expenses of the President and/or President-elect and their spouses or partners and the **Chief Executive Officer**~~Executive Director~~, to any out-of-state conference that is included in the annual budget. Other attending board members are not eligible for any reimbursement unless specifically authorized by the Board. Each year the Bar will reimburse the actual expenses of the President-elect and spouse or partner and the **Chief Executive Officer**~~Executive Director~~, to attend the ABA Bar Leadership Conference or a comparable conference.

Subsection 2.502 Gifts

The expense of gifts by the Board to its retiring members is a budgeted expense.

Section 2.6 Conflicts of Interest

Bar officials are subject to the provisions of ORS Chapter 244, the Government Standards and Practices Act. Nothing in this section is intended to enlarge or contradict the statutory provisions as they may apply to bar officials. To the extent anything in ~~the~~ this section contradicts the provisions of ORS Chapter 244, bar officials shall be bound by the statutory provisions.

Subsection 2.600 Definitions

As used in Section 2:

(a) "Actual conflict of interest" means that the person, a relative of the person or a business with which the person or a relative of the person is associated will derive a private pecuniary benefit or detriment as a result of an action, decision or recommendation of the person in the course of bar-related activities.

(1) An interest or membership in a particular business, industry, occupation or other class required by law as a prerequisite to the holding by the bar official of the office or position.

(2) Any action in the bar official's official capacity which would affect to the same degree a class consisting of all inhabitants of the state, or a smaller class consisting of an industry, occupation or other group including one of which or in which the bar official, or the bar official's relative or business with which the person or the bar official's relative is associated, is a member or is engaged.

Subsection 2.601 Prohibited Actions

Regardless of whether an actual or potential conflict is disclosed:

(a) No bar official may use or attempt to use the person's official position to obtain any financial gain or the avoidance of any financial detriment that would not otherwise be available to the person, but for the bar official's holding of the official position, except official salary, reimbursement of expenses for official activities or unsolicited awards for professional achievement for the bar official, a relative of the bar official, a member of the household of the bar official, or for any business with which the bar official or the bar official's relative is associated.

This provision does not apply to bar officials who are subject to the Oregon Code of Judicial Conduct.

(d) No bar official may solicit or receive a promise of future employment based on an understanding that any official action will be influenced by the promise.

Subsection 2.602 Disclosure of Conflict

When met with an actual or potential conflict of interest, a bar official must disclose the conflict and take any other action required by this bylaw.

(a) If appointed by the **Chief Executive Officer** ~~Executive Director~~, the bar official must notify the **Chief Executive Officer** ~~Executive Director~~ of the nature of the conflict and request the Executive Director to dispose of the matter giving rise to the conflict. Upon receipt of the request, the **Chief Executive Officer** ~~Executive Director~~ will designate within a reasonable time an alternate to dispose of the matter, or will direct the bar official to dispose of the matter in a manner specified by the **Chief Executive Officer** ~~Executive Director~~.

(b) If the bar official is the **Chief Executive Officer** ~~Executive Director~~, she/he must notify the Board of Governors, through the President, of the nature of the conflict and request the Board of Governors to dispose of the matter giving rise to the conflict. (c) If the bar official is elected to or appointed by the Board of Governors or other appointing authority to serve on a board, committee, council, commission or other public body, the bar official must:

(1) When met with a potential conflict of interest, announce publicly the nature of the potential conflict prior to taking any action thereon in the capacity of a bar official; (2) when met with an actual conflict of interest, announce publicly the nature of the actual conflict, and refrain from participating in any discussion or debate on the issue out of which the actual conflict arises or from voting on the issue, except that if the bar official's vote is necessary to meet a requirement of a minimum number of votes, the bar official may vote, but may not participate in any discussion or debate on the issue out of which the actual conflict arises.

(d) When a bar official gives notice of an actual or potential conflict of interest under subsection 2.602(c), the conflict must be recorded in the minutes or other official record of the board, committee, council, commission or other public body on which the official serves, together with an explanation of how the conflict was resolved. (e) No decision or action of the any bar official or of any board, committee, council, commission or other public body on which the official serves is invalid or voidable solely by reason of the failure to disclose an actual or potential conflict of interest.

Subsection 2.603 Board Members as Witnesses in Bar Proceedings

As provided in BR 5.3(c), a current member of the Board of Governors must not testify as a witness in any bar admission, discipline or reinstatement proceeding

except pursuant to subpoena. If requested by a party to be a witness in a bar proceeding, board members should urge the party to present the anticipated testimony through other witnesses. However, the parties ultimately decide whether a board member will be subpoenaed to testify as a witness in a bar proceeding.

Section 2.7 Judicial Selection

Subsection 2.700 General

The Bar plays an important role in state and federal judicial selection by conducting preference polls for contested elections and for circuit court appointments, and by interviewing and evaluating candidates for appellate court appointments. Any poll conducted by the Bar is for informational purposes only and will not constitute an official position of the Bar. Results of evaluations and polls will be made public as soon as practicable to the press, the candidates and the appointing authority.

Subsection 2.701 Statewide and Circuit Court Elections

For statewide and circuit court elections, the Bar will conduct a poll of the members in the affected geographic area in accordance with the election procedures set forth in Article 9 of the Bar's Bylaws. The ballot will contain all the candidates who will appear on the public election ballot. Each preference poll will contain the following information on each candidate: Name, law firm name (if applicable), principal office address, date admitted to the Bar, professional and community activities, professional history, other pertinent information and a picture. In any general election that includes contested judicial positions, the Bar will conduct a poll only if there was no prior poll in the primary election, there has been a significant reduction in the number of candidates that appeared on the primary election ballot or it appears that the votes were relatively spread out among most of the candidates so that another poll could potentially produce an entirely different result from that of the primary election poll.

Subsection 2.702 Circuit Court Appointments

For circuit court judicial appointments, the Bar will conduct a poll of the members in the affected geographic area in accordance with the election procedures set forth in Article 9 of the Bar's Bylaws at the request of the Governor of the State of Oregon or the Board. If the Governor's Office or the Board requests a poll, the ballot must include the name of any eligible member of the Bar who has filed a candidate statement with the Bar by the appropriate deadline. Each preference poll will contain the following information on each candidate: Name, law firm name (if applicable), principal office address, date admitted to the Bar, professional and community activities, professional history, other pertinent information and a picture.

Subsection 2.703 Statewide Judicial Appointments

(a) For judicial appointments to a statewide court, the Board will appoint an Appellate Selection Committee to conduct the Board's appellate recommendation process. Bar members will be notified of the impending appointment and will be invited to participate in the appellate recommendation process. If an appellate recommendation process has been concluded within three months preceding the announcement of a new appellate vacancy, the Board may, in its discretion, forego conducting a separate appellate recommendation process and instead resubmit the

previous list of highly qualified candidates to the Governor without notification to members.

(b) Prior to commencement of the appellate recommendation process, the Appellate Selection Committee shall establish policies and criteria for conducting its review of candidates for each position, which may include, but is not limited to, review of the written applications; interviews of candidates; reports from judges or hearings officers; reports from members of the legal and general community; reports from references supplied by the candidate; and review of writing samples.

(c) The Appellate Selection Committee will recommend to the Board at least three candidates it believes are highly qualified, based on the statutory requirements of the position, information obtained in its review of candidates, and based on at least the following criteria: integrity, legal knowledge and ability, professional experience, cultural competency, judicial temperament, diligence, health, financial responsibility, and public service. The Board will then determine the final list of highly qualified candidates to submit to the Governor. A "highly qualified" or "qualified" recommendation is intended to be objective. Failure to recommend a candidate in any particular selection process is not a finding that the person is unqualified.

(d) In addition to submitting its list of "highly qualified" candidates, the Board will respond to any specific inquiry from the Governor as to whether certain other candidates in the pool meet a "qualified" standard.

(e) Meetings of the Appellate Selection Committee are public meetings except for portions of meetings during which reference reports are presented and discussed. The term "reference reports," for purposes of this section, means information obtained by committee members and staff from persons listed as references by the candidates and information obtained by committee members and staff from other persons knowledgeable about candidates as part of the candidate review process. Discussion of reference reports by the committee and the Board will be in executive session pursuant to ORS 192.660(1)(f).

Section 2.8 Chief Executive Officer ~~Executive Director~~

Subsection 2.800 Duties

The **Chief Executive Officer** ~~Executive Director~~, appointed by and acting under the supervision of the Board, is the principal administrative officer of the Bar. The **Chief Executive Officer** ~~Executive Director~~ is responsible for the day-to-day operations of the Bar including, without limitation: hiring, managing and terminating bar personnel; negotiating and executing contracts; collecting debts owed to the bar and assigning debts for collection as deemed appropriate; and acquiring (through purchase or lease), managing and disposing of personal property related to the bar's operations, within the budget approved by the board. The **Chief Executive Officer** ~~Executive Director~~ will attend all meetings of the Board and the House of Delegates; will keep the Board informed of all agenda items with appropriate background information and staff or committee reports; and will keep a record of the proceedings of all such meetings. The **Chief Executive Officer** ~~Executive Director~~ is responsible for preparing an annual budget for the Board's Budget Committee. The **Chief Executive Officer** ~~Executive Director~~ performs other duties as imposed by the Bar Act, the Bar Bylaws or as otherwise directed by the Board.

Subsection 2.801 Evaluation

No later than December 1 of each calendar year, the Board will evaluate and assess the performance of the **Chief Executive Officer** ~~Executive Director~~. The evaluation will relate to the duties and responsibilities of him or her, progress toward established goals and the working relationships among the **Chief Executive Officer** ~~Executive Director~~, staff and the membership. The Board will conduct the evaluation in executive session. The Board or its representative will meet with the **Chief Executive Officer** ~~Executive Director~~ to discuss the evaluation.

Subsection 2.802 Service of Notice

When a statute or rule requires a petition, notice or other writing to be filed with or serve on the Bar or the Board, the **Chief Executive Officer** ~~Executive Director~~ is the designated agent for receipt.

Subsection 2.803 Board Member Contact with Staff

Board members will bring any requests for information, material or assistance to the **Chief Executive Officer's** ~~Executive Director's~~ or the **Chief Executive Officer** ~~Executive Director's~~ designee. The **Chief Executive Officer** ~~Executive Director~~ will assign appropriate staff to respond to board member requests. If a board member is dissatisfied with the **Chief Executive Officer's** ~~Executive Director~~ action regarding any request or if the **Chief Executive Officer** ~~Executive Director~~ believes a board member's request is inappropriate or unduly burdensome, the board member and **Chief Executive Officer** ~~Executive Director~~, as the case may be, may bring his or her concerns to the board for resolution. The **Chief Executive Officer** ~~Executive Director~~ has the discretion to authorize board member contact with staff regarding designated matters and concerning particular topics. Article 10 Diversity

The Bar respects the diversity of its membership and its employees. Bar entities, including, but not limited to standing committees, section executive committees and Continuing Legal Education programs and publications, should reflect this diversity. "Reflect," as used in this article, does not require the application of strict quotas, but requires a good faith attempt to achieve representative participation. Reports of such efforts may be required of bar entities. In addition, no bar entity may discriminate on the basis of race, religion, color, gender, sexual orientation, geographic location, age, handicap or disability, marital, parental or military status or other classification protected by law. No professional, business or social functions of the Bar, or any of its sections, committees, affiliates or other authorized entities may be held at any private or public facility, which discriminates, based upon the terms listed above. Furthermore, advertisements or solicitations for employment must offer equal employment opportunities. The United States Armed Forces are exempt from this policy as it regards advertisements in the bar's communications.

Article 11 Communications

Section 11.1 General Policy

Communications of the Bar and its constituent groups and entities, including printed material and electronic communications, should be germane to the law, lawyers, the practice of law, the courts and the judicial system, legal education and the Bar in its role as a mandatory membership organization. Communications, other than permitted advertisements, should advance public understanding of the law, legal ethics and the professionalism and collegiality of the bench and Bar.

Section 11.2 Editorial Policy

The **Chief Executive Officer** ~~Executive Director~~ may establish editorial standards for bar communications and material permitted by the Bar to be included in its communications concerning such matters as advertising, political communication, profanity and obscenity, letters to the editor, use of artwork, photographs and illustrations, story placement, headlines and scheduling, advertising content and rates and similar topics. The **Chief Executive Officer** ~~Executive Director~~ as sole discretion to determine whether material submitted meets the standards set forth in or adopted pursuant to this policy and to accept or reject material submitted to the Bar for publication based on that determination. Editorial standards must comply with Article 10 Diversity.

Section 11.3 Media Relations

The Bar will be responsive to the needs of the media and will identify persons to speak for the Bar. All statements made to the media, whether oral or by news release, must be informational in nature and must avoid statements of personal opinion or positions not considered or adopted by the Board. The President is the official chief spokesperson for the Bar. If public appearances or statements by the chairperson or other officer or member of any bar committee are deemed necessary, prior authority must be obtained in advance from the President.

Section 11.4 Campaign Advertisements

Article 12 Legislation and Public Policy

Section 12.1 Guidelines

Bar legislative or policy activities must be reasonably related to any of the following subjects: Regulating and disciplining lawyers; improving the functioning of the courts including issues of judicial independence, fairness, efficacy and efficiency; making legal services available to society; regulating lawyer trust accounts; the education, ethics, competence, integrity and regulation of the legal profession; providing law improvement assistance to elected and appointed government officials; issues involving the structure and organization of federal, state and local courts in or

affecting Oregon; issues involving the rules of practice, procedure and evidence in federal, state or local courts in or affecting Oregon; or issues involving the duties and functions of judges and lawyers in federal, state and local courts in or affecting Oregon.

Section 12.2 Initiation of Legislation

Subsection 12.200 House of Delegates and Membership

The Bar must sponsor legislative proposals approved by the House of Delegates or through a membership initiative to the Legislative Assembly directly following the House or membership action. Legislation not enacted may not be sponsored in the following session unless resubmitted by one of the methods set forth above or by action of the Board.

Subsection 12.201 Board of Governors

The Board may sponsor legislative proposals to the Legislative Assembly on its own initiative. The Board and its Public Affairs Committee has the authority between meetings of the House of Delegates to act on legislative and public policy matters pursuant to the guidelines established.

Section 12.3 Legislative Process

Because of the nature of the legislative process, the Board or its Public Affairs Committee retains the right to set priorities regarding the enactment of legislation, to propose amendments or consent to amendments to legislation and to sponsor or take positions on appropriate legislation. In so doing, the Board will make a reasonable effort to do the following:

Encourage as wide a participation of the membership as possible in formulating positions on legislative issues; inform members, especially sections and committees, of the Bar's legislative positions; respect divergent opinions of subgroups within the legal profession; provide assistance to bar sections and committees; avoid committing bar funds to issues that are divisive or result in creating factions within the profession; present major issues to the House of Delegates for approval; ensure that the Public Affairs Committee encompasses a balance of interest within the Bar and ensure that the Public Affairs Committee consults frequently with the Board.

Section 12.4 Committees and Sections

Any committee or section wishing to sponsor legislation or take a position on any rule or public policy issue will inform the Public Affairs Program, and through that office, the Board, of the exact nature of the legislation proposed. A copy of the bill, proposed rule or policy will be presented for consideration and approval of the Board. A committee or section of the Bar may not represent to the legislature or any individual, committee or agency thereof, a position or proposal or any bill or act, as the position of that committee or section of the Bar without the majority approval of the members of that committee or, in the case of a section, the executive committee and the prior approval of the Board, except as follows. During a legislative session or during the interim, a bar committee or the executive committee of any section must contact the Bar's Public Affairs Program before taking any position on a bill, rule or public policy issue within its general subject area. The chair of the Board's Public Affairs Committee will determine, within 72 hours of notice of the issue, whether it is

appropriate for the Bar to take an official position or to allow the section or committee to take a position as requested. The full Public Affairs Committee or the full Board may be consulted before a final decision is made. Bar staff and the Public Affairs Committee of the Board will make every effort to accommodate committees and sections that wish to express positions on relevant issues. The Public Affairs Program shall be kept informed about the status of such positions and related activities.

Section 12.5 Professional Liability Fund Legislation

The Professional Liability Fund ("PLF") may not present to the legislature or any individual, committee or agency thereof, a position or proposal or any bill or act, as the position of the PLF without the majority approval of the Board of Directors of the PLF and the prior approval of the Board of Governors, except as is provided in Section 12.4 of the Bar's Bylaws.

Section 12.6 Objections to Use of Bar Dues

Subsection 12.600 Submission

A member of the Bar who objects to the use of any portion of the member's bar dues for activities he or she considers promotes or opposes political or ideological causes may request the Board to review the member's concerns to determine if the Board agrees with the member's objections. Member objections must be in writing and filed with the **Chief Executive Officer** ~~Executive Director~~ of the Bar. The Board will review each written objection received by the **Chief Executive Officer** ~~Executive Director~~ at its next scheduled board meeting following receipt of the objection. The Board will respond through the **Chief Executive Officer** ~~Executive Director~~ in writing to each objection. The Board's response will include an explanation of the Board's reasoning in agreeing or disagreeing with each objection.

Subsection 12.601 Refund

If the Board agrees with the member's objection, it will immediately refund the portion of the member's dues that are attributable to the activity, with interest paid on that sum of money from the date that the member's fees were received to the date of the Bar's refund. The statutory rate of interest will be used. If the Board disagrees with the member's objection, it will immediately offer the member the opportunity to submit the matter to binding arbitration between the Bar and the objecting member. The **Chief Executive Officer** ~~Executive Director~~ and the member must sign an arbitration agreement approved as to form by the Board.

Subsection 12.602 Arbitration

If an objecting member agrees to binding arbitration, the matter will be submitted to the Oregon Senior Judges Association ("OSJA") for the designation of three active-status retired judges who have previously indicated a willingness to serve as volunteer arbitrators in these matters. The Bar and the objecting member will have one preemptory challenge to the list of arbitrators. The Bar and the objecting member must notify one another of a preemptory challenge within seven days after receiving the list of proposed arbitrators. If there are no challenges or only one challenge, the OSJA will designate the arbitrator. The arbitrator will promptly arrange for an informal hearing on the objection, which may be held at the Oregon State Bar

Center or at another location in Oregon that is acceptable to the parties and the arbitrator. The hearing will be limited to the presentation of written information and oral argument by the Bar and the objecting member. The arbitrator will not be bound by rules of evidence. The presentation of witnesses will not be a part of the hearing process, although the arbitrator may ask the state bar representative and the objecting member and his or her lawyer, if any, questions. The hearing may be reported, but the expense of reporting must be borne by the party requesting it. The Bar and the objecting member may submit written material and a legal memorandum to the arbitrator no later than seven days before the hearing date. The arbitrator may request additional written material or memoranda from the parties. The arbitrator will promptly decide the matter, applying the standard set forth in *Keller v. State Bar of California*, 496 U.S. 1, 110 S. Ct. 2228, 110 L. Ed. 2d 1 (1990), to the expenditures to which the member objected. The scope of the arbitrator's review must solely be to determine whether the matters at issue are acceptable activities for which compulsory fees may be used under applicable constitutional law. In making his or her decision, the arbitrator must apply the substantive law of Oregon and of the United States Federal Courts. The arbitrator must file a written decision with the **Chief Executive Officer** ~~Executive Director~~ within 14 days after the hearing. The arbitrator's decision is final and binding on the parties. If the arbitrator agrees with the member's objection, the Bar will immediately refund the portion of the member's dues that are reasonably attributable to the activity, with interest at the statutory rate paid on the amount from the date that the member's fees were received to the date of the Bar's refund. If the arbitrator agrees with the Bar, the member's objection is denied and the file in the matter closed. Similar or related objections, by agreement of the parties, may be consolidated for hearing before one arbitrator.

Article 13 Pro Bono

Section 13.1 Aspirational Standard

Pro bono publico or pro bono service includes all uncompensated services performed by lawyers for the public good. Such service includes civic, charitable and public service activities; as well as activities that improve the law, the legal system and the legal profession. The direct provision of legal services to the poor, without an expectation of compensation, is one type of pro bono service. Each lawyer in Oregon should endeavor annually to perform 80 hours of pro bono services. Of this total, the lawyer should endeavor to devote 20 to 40 hours or to handle two cases involving the direct provision of legal services to the poor, without an expectation of compensation. If a lawyer is unable to provide direct legal services to the poor, the lawyer should endeavor to make a comparable financial contribution to an organization that provides or coordinates the provision of direct legal services to the poor.

Section 13.2 Program Certification

Subsection 13.200 Procedure

In order for a pro bono program to obtain bar certification, the program must submit an application and meet the applicable criteria set forth below. The Bar's **Chief Executive Officer** ~~Executive Director~~ determines whether a program is eligible for certification and this determination is final.

Subsection 13.201 Criteria

(a) Purpose:

The pro bono program must be sponsored by a national, state or local bar association, a court with jurisdiction in Oregon or an incorporated, non-profit or governmental organization, and must provide legal services without fee, or expectation of fee, or for a substantially reduced fee to one or more of the following:

- (1) Persons of limited means.
- (2) Underserved populations with special legal needs.
- (3) Charitable, religious, civic, community, governmental and educational organizations in matters which are designed primarily to address the needs of persons of limited means or underserved populations with special legal needs.

(b) Compensation:

The pro bono program must not provide any compensation to the participating lawyers, except to cover filing fees or other out-of-pocket expenses or to provide professional liability insurance for the pro bono activity.

(c) Fees:

The pro bono program must deliver legal services to clients at no fee or for a substantially reduced fee. Nominal administrative fees are allowed. Donations from clients, whether encouraged or not, are not considered fees. The pro bono program should prohibit or limit the handling of cases that are clearly fee-generating, and provide for the referral of such cases.

(d) Quality Control:

The program must demonstrate that it has the necessary expertise and quality control to administer a program involving volunteer lawyers. This should include appropriate matching of pro bono lawyers to cases, an effective grievance procedure and adequate tracking and record keeping systems regarding pro bono involvement.

(e) Diversity:

The program must comply with Article 10 of the Bar's Bylaws (Diversity), both in regard to participating lawyers and clients.

(f) Professional Liability Coverage

The program will provide professional liability coverage for otherwise uncovered attorney volunteers when those attorneys provide legal services to pro bono clients.

Subsection 13.202 Volunteer Recognition

Recognition under this paragraph is intended to provide encouragement, in tangible form, to those Oregon Pro Bono programs and their volunteer lawyers, who help meet the need for legal services by providing direct representation to low-income individuals. As part of its annual planning process, the Board will consider the ways in which the Bar can acknowledge the volunteer efforts of Oregon lawyers, particularly those lawyers who provided at least 40 hours of pro bono services through programs certified under this policy. In so doing, the Board will seek input from bar staff and appropriate bar committees.

Article 14 Committees

Section 14.1 Standing and Special Committees

Standing or special committees of the Bar or any member or officer of those committees may be appointed or discharged by the President or the Board.

Section 14.2 Joint Committees

The Board has from time to time agreed to create joint committees between the Bar and other professional groups to develop better understanding between the two groups and to assist in resolving problems of mutual concern. These joint committees comprise a certain number of bar members and a certain number of members of other professional associations. All Bar Bylaws relating to committees apply to these joint committees. Lawyer members who participate in these joint committees are prohibited from engaging in any activity that seeks to restrain other groups of professionals from engaging in lawful professional activities.

Section 14.3 Committee Responsibilities

Committees are established so that members can study issues within the committee's charge and make recommendations to the Board. Before January 1 of each year the Board will forward a committee charge to the chair of each committee. This charge outlines the committee's ongoing general activities as well as specific issues to be considered for the year. The Board will consult with the previous committee members before adopting the committee charge. Committees may also recommend issues to the Board to be included in the charge at any time.

Section 14.4 Membership

All members of standing committees must be active members of the Bar. All members of standing committees typically serve on a three-year rotating basis. The Board may reappoint members to a committee, if the Board makes a finding of extraordinary circumstances that warrant a reappointment. Each year the Board appoints new members constituting one third of each committee. Terms begin on January 1. The Board will solicit member preference for serving on committees throughout the year. The Board appoints members to fill vacancies that occur throughout the year. These vacancies occur because members resign or are unable to participate fully in the committee. The board may appoint advisory members or public members, as it deems appropriate.

Section 14.5 Financial Issues

Committees have no budget; although they may make recommendations regarding the expenditure of funds already budgeted in a particular program area. A committee cannot incur any expense without prior authorization from the **Chief Executive Officer** ~~Executive Director~~.

Section 14.6 Legislation

Each committee must designate a member of the committee as a contact for legislative information and involvement. This member is to work with and coordinate all activities with the Director of Public Affairs and the Public Affairs Committee of the Board.

Section 14.7 Administrative Services

The Bar's meeting rooms will be available on a first-come first-served basis. All committees are encouraged to use the Bar's meeting rooms whenever possible. The Bar will assist committees with providing meeting notices in accordance with the requirements of the Public Meetings Law. If the Bar does not produce the meeting notice, the committee member who produces the notice must provide a copy to the Bar. The Bar will assign a bar liaison to each committee. The bar liaison serves as a resource of information for the committee. Each committee will have a contact person who is a member of the Board. It is not anticipated that the board member will attend the meetings of the committee on a regular basis.

Section 14.8 Committee Reports

Each committee must file an annual report of its activities with the **Chief Executive Officer** ~~Executive Director~~ for the preceding year by December 1 of each year. Other reports may be required from time to time.

Section 14.9 Quorum for Meetings

A quorum, consisting of a majority of the committee members, is required for the transaction of committee business. No recommendation of a committee to the Board of Governors is valid if made without a quorum present, but the absence of a quorum does not preclude a committee from studying or discussing any issue within the committee's charge. Action of the committee will be by majority vote of those voting.

Article 15 Sections

Section 15.1 Purpose

Sections are an integral and important part of the Bar. Sections are intended to provide bar members who share particular interests an opportunity to develop and improve skills and to provide a forum for communication and action in matters of common interest.

Section 15.2 Formation

Any 100 members of the Bar who wish to form a section in a particular area of law may submit a petition to the Board to create a section. The petition must state that the signators are committed to becoming members of the section, if the Board approves forming the section. The Board must consider creating a section when it receives the petition and determines that the proposed section does not duplicate another section's activities or area of legal interest. The Board may merge, reorganize or abolish sections at the request of affected sections or as the Board deems appropriate. Factors that the Board must consider include, but are not limited to, the section's membership falling below 100 members, failure to conduct Continuing Legal Education activities or failure to hold regular meetings.

Section 15.3 Bylaws

Sections are governed by the Standard Section Bylaws adopted by the Board. Sections may propose and the Board may approve, modified bylaws commensurate with the section's needs.

Section 15.4 Finances

Subsection 15.400 Dues

The Bar will assess and collect section dues at the same time that bar membership dues are collected. Section dues will be assessed and collected together with bar dues by the Bar. The Board must approve the dues for each section. Each section should set dues at an appropriate level to pay for programs and activities. The Bar charges each section a per capita fee equal to 50 percent of the cost of providing services to the sections. This fee is recalculated periodically as determined by the **Chief Executive Officer** ~~Executive Director~~. No section may maintain a separate bank account. Each section's receipts and expenditures are handled by the Bar and accounted for in the section's monthly financial statement provided by the Bar. Interest on section accounts accrues to the Bar's General Fund and is used to offset the calculation of the per capita fee.

Subsection 15.401 Donations

Sections may make donations to charitable causes or organizations only with prior approval of the **Chief Executive Officer** ~~Executive Director~~. The **Chief Executive Officer** ~~Executive Director~~ will allow such donations on a showing by the section that the donation is germane to the Bar's purposes as set forth in Section 12.1 of these Bylaws. The **Chief Executive Officer** ~~Executive Director~~ will maintain a list of approved recipients.

Section 15.5 Administrative Services

Special services of the Bar that are not included in the calculation of the per capita assessment may be made available at cost to the sections upon adequate notification to and negotiation with the Bar. Sections must give the Bar the first opportunity to provide the necessary publications production support services before contracting with outside organizations or individuals. Sections seeking to contract for any goods or services with outside organizations or individuals must contact the General Counsel's office of the Bar for preparation of appropriate contract documents and must obtain the **Chief Executive Officer's** ~~Executive Director's~~ prior approval of all such contracts.

Section 15.6 Continuing Legal Education Activities

Subsection 15.600 CLE Publications and Seminars Scheduling

Subsection 15.601 CLE Event Co-sponsorship with Bar

If a section decides to seek co-sponsorship for a CLE event, it is encouraged to first contact Bar's CLE Seminars Department. If the CLE Seminars Department is unavailable to co-sponsor the seminar event, the section then may seek co-sponsorship with other organizations. The CLE Seminars Department will establish policies for bar co-sponsorship of section CLE events. These policies will address issues such as event revenues and expenses, topic, speakers, date and location.

Subsection 15.602 Oregon State Bar Logo

A section that plans a seminar or a publication without the Bar's co-sponsorship must indicate clearly on all publicity, printed seminar materials and publications that the seminar or publication is a section endeavor and the sponsoring section. The section must not use the Oregon State Bar logo or the phrase Oregon State Bar CLE. A section that plans a seminar without the Bar's co-sponsorship is responsible for applying for Minimum Continuing Legal Education credit for the seminar.

Section 15.7 Grants

Sections may apply for grants only with prior approval of the Board of Governors. The board will allow grant applications only upon a showing that the grant activity is consistent with the section's purposes and the mission of the bar. The board may disallow any application that the board does not believe is in the best interests of the bar. The grant application must be reviewed and approved by OSB General Counsel before submission to the grant-making organization. Any grant funds received by a section shall be deposited with the bar and will be distributed only upon request of the section treasurer and in accordance with the grant specifications. The section must periodically report to OSB General Counsel regarding the status of the grant project and any reports to the granting organization must be reviewed and approved by OSB General Counsel in advance of submission.

the merits of the matter must be restricted to the lawyers in Disciplinary Counsel's office and with appointed counsel for the Bar and that an accused must not contact a member of the Board of Governors, the SPRB, ~~any Local Professional Responsibility Committee~~ or any other employee, agent or representative of the Bar regarding the matter.

Subsection 18.104 Disclosure of Contacts

If a complainant, an ~~accused~~ **respondent** or their representatives contact a SPRB member concerning the merits of a disciplinary complaint, the SPRB member contacted must make a full disclosure of the nature of the contact before the SPRB takes action on the complaint.

Section 18.2 Letters of Admonition

(A) A disciplinary investigation, whether in response to a complaint filed with the Bar or otherwise instituted as authorized by law, may be terminated after investigation by the SPRB's issuing a letter of admonition.

(B) An admonition does not constitute the imposition of formal discipline. An admonition is, however, a public statement that the lawyer's conduct, in the opinion of the SPRB, violated the Rules of Professional Conduct of the Bar.

(C) An admonition may be issued, at the discretion of the SPRB, only when a Rule of Professional Conduct has been violated and if in light of all circumstances, the violation was not aggravated, but was of sufficient concern that dismissal would be inappropriate.

All such correspondence, including letters from complainants or accused lawyers, must be forwarded to Disciplinary Counsel for response. Any correspondence alleging an ethics complaint about Disciplinary Counsel or General Counsel must be sent directly to the chairperson of the SPRB pursuant to BR 2.6(~~g~~), with a copy to the staff member named in the complaint.

Section 18.5 Removing Lawyers from the Lawyer Referral Service Panel of Lawyers

Section 18.6 Suspension of Service

Subsection 18.600 Applicability to BOG, ~~LPRG~~ and SPRB

Charges of misconduct include those authorized to be filed pursuant to BR 3.4.

Section 18.601 ~~LPRG~~ and SPRB Replacements

In the case of a ~~local professional responsibility committee~~ or the State Professional Responsibility Board, the Board of Governors may **nominate and request the Supreme Court to** appoint a temporary replacement to serve until the member suspended under this bylaw is again able to serve. The temporary replacement will have the same rights and responsibilities as any other member of the entity.

Section 18.602 Board of Governors Replacement

Upon the suspension of a member of the Board of Governors pursuant to Bar Bylaw 18.6, the board will promptly notify all members from the affected region. If a name is suggested, the board will appoint the suggested candidate as the temporary replacement effective at the next regularly scheduled board meeting. Article 19 Legal Ethics Questions and Opinions

Section 19.1 General Counsel's Office

Subsection 19.100 Submission and Questions

All legal ethics questions from members or the public regarding the propriety of a course or act of professional conduct or the intent or interpretation of a rule or

statute regulating the professional conduct of members of the Bar must be submitted or referred to General Counsel's office. Legal ethics questions may be submitted in writing by mail, e-mail, fax or by telephone.

Subsection 19.101 Determination by General Counsel

General Counsel's office will determine whether the matter appears to present or involve a question of ethics or professional conduct and whether it states facts sufficient to permit the formulation of an opinion based on the facts stated. General Counsel's office may ask the inquirer to submit necessary additional facts or may advise the inquirer that no question of ethics or professional conduct is presented or involved.

Subsection 19.102 Ethics Advice to Bar Members

General Counsel's office will endeavor to assist bar members in analyzing the ethics of the inquirer's prospective conduct and may provide reactions to the questions presented. Ethics questions and responses thereto are not confidential and communications with General Counsel's office are not privileged. No attorney-client relationship is intended or created by such communications with the Bar. Members submitting ethics questions must specify a deadline by which they need a response from the Bar. General Counsel's office will endeavor to meet the member's deadline, but General Counsel's office always has at least three business days after receiving a member's question to provide a written response to the member.

Subsection 19.103 Application of Oregon RPC 8.6

For Oregon RPC 8.5 to apply to a request for ethics assistance, a member must put his or her ethics question in writing. "In writing" includes letters, faxes or e-mails. General Counsel's office will respond in writing, by fax, e-mail or regular mail, as time allows. The Bar will retain all written ethics assistance requests and General Counsel's office responses for at least five years and those requests are public records. General Counsel's office has the discretion to decline to provide a written response, if it determines that the question should be considered by the Legal Ethics Committee due to the difficulty, complexity or novelty that the question raises or the difficulty or complexity of an appropriate response. Members must provide General Counsel's office and the Legal Ethics Committee with accurate, and as complete as possible, explanations of the facts underlying their ethics questions. General Counsel's office may ask the inquirer to submit additional or clarifying information and the timeframe for response as set forth in Subsection 19.102 of the Bar's Bylaws does not begin until General Counsel's office receives the requested information.

Section 19.2 Limitation of Advice

Responses and opinions provided by General Counsel's office, the Legal Ethics Committee and the Board of Governors are limited to and deemed to address only the facts as submitted by the inquirer.

Section 19.3 Legal Ethics Committee

Subsection 19.300 Response to Inquiries

A bar member may request that a question be submitted to the Legal Ethics Committee. The chair of the Committee will assign those requests and questions

submitted directly to the Committee to one or more committee members to prepare a response. Inquiries submitted to the Committee should be anonymous, insofar as possible. To preserve anonymity, if the facts are inadequate to permit the formulation of an opinion or a direct answer, General Counsel's office may ask for submission of necessary additional facts. On receipt of those additional facts, General Counsel's office will promptly submit them to the assigned member of the Committee. The Committee may, in its discretion, write opinions on subjects that the Committee believes would be helpful to the membership, whether or not the Committee receives a specific inquiry on the subject. Such opinions will be handled in the same fashion as opinions based on specific questions.

Subsection 19.301 Formal Opinion Process

The Committee will review and discuss all responses prepared by individual members and will, by majority vote, determine whether the response should be referred to the Board of Governors to be issued as a formal opinion or whether it should be issued by the Committee as a letter of direct advice to the inquirer. The Committee will establish and will periodically review guidelines for determining the appropriate form of response. Members may use formal opinions and letters of direct advice issued by the Committee in the same manner and to the same effect under Oregon RPC 8.6 as written responses from General Counsel's office. When the Committee approves an opinion and recommends formal publication, General Counsel's office will place a copy of the opinion on the Board's next meeting agenda. All dissents, comments of substance or minority opinions will also be placed on the Board's agenda. The Board will review the proposed opinion and either approve it for formal publication, refer it back to the Committee for further study or revision or direct that no opinion be issued in the matter. The Board may also distribute the opinion to the membership for comment before making a final decision. All opinions that the Board designates to be issued as formal opinions will be published in Oregon Formal Ethics Opinions (OSB 2005) and on the Bar's website.

The Board of Governors may remove any member of the PLF Board without cause and must fill the positions that become vacant as expeditiously as possible to ensure continuity in the governance of the PLF. Persons appointed to fill vacancies on the Board of Directors serve the unexpired term of the member who is replaced. If a replacement appointment to an unexpired term is for two (2) years or less, the Board of Governors may thereafter reappoint that person to a term of up to five years. In considering the length of the reappointment, the Board will take into account the experience level of the PLF Board of Directors and the effect on the rotation cycle of the Board of Governors.

Section 23.2 Authority

The Board of Governors vests in the Board of Directors of the PLF the authority that is necessary and convenient to carry out the provisions of ORS 9.080 relative to the requirement that all active members of the Oregon State Bar in the private practice of law in Oregon carry professional liability coverage, the establishment of the terms of that coverage and the defense and payment of claims under that coverage. The Board of Directors of the PLF must recommend to the Board of Governors

The Board of Directors of the PLF has authority to adopt its own bylaws and policies to assist it in conducting the business of the PLF. No PLF bylaw, coverage plan, or assessment, or amendment thereto, can take effect until approved by the Board of Governors. The policies of the PLF must be consistent with the Bar's Bylaws regarding the PLF and will be effective on approval by the PLF Board of Directors, subject to review and ratification by the Board of Governors within 60 days after notice of the policies has been given to the Board of Governors.

(e) The Board of Governors' PLF liaisons are responsible for keeping the Board advised of the activities of the PLF to ensure good communications between the Board of Governors and the PLF Board of Directors and to ensure that the Board is fully informed of the background and rationale for all PLF bylaw, policy, coverage plan, and assessment recommendations to it. The Board's PLF liaisons must not participate in the consideration of any specific PLF claim or other confidential PLF matter except as provided in PLF Policy 4.250(D) (Bar and/or Board of Governors is/are named parties in an action).

Subsection 23.501 Reports

The PLF must regularly provide to the BOG the following:

No such material or information will be released by the Board of Governors without first receiving the approval for release from the Chair of the PLF Board of Directors. The Board of Governors must coordinate and consult with the Chair of the PLF Board of Directors before releasing public statements regarding the PLF and its operations.

Subsection 23.503 BOG Members Participating in PLF Claims

A member of the Board of Governors who is representing either the plaintiff or the PLF in a PLF-covered claim shall not participate in any discussion of a PLF-related matter that comes before the Board of Governors. During the course of the representation, at any time that a PLF-related matter comes before the Board of Governors, the Board of Governors members shall announce the fact of the representation and recuse himself or herself from discussing or otherwise participating in the matter. The minutes of Board of Governors meetings shall reflect the announcement and the recusal.

This

meeting must occur as soon as practicable after completion of the year-end financial reports of the PLF, or by May 1st of each year, whichever is earlier.

Subsection 23.505 Audit

Subsection 23.507 Staff Responsibility

The **Chief Executive Officer** ~~Executive Director~~ of the Bar and the bar staff have no responsibility or authority with respect to the management of the PLF. However, because the PLF is a function of the Bar, the **Chief Executive Officer** ~~Executive Director~~ and bar staff will cooperate with the Board of Directors of the PLF, its Chief Executive Officer, and staff in all areas of the PLF's business and activities. Likewise, it is expected that the PLF Chief Executive Officer and staff will cooperate with the Bar, its **Chief Executive Officer** ~~Executive Director~~ and staff in all areas of the Bar's business and activities. The **Chief Executive Officer** ~~Executive Director~~ of the Bar will make the PLF aware of all personnel and other policies of the Bar so that there may be uniformity for all bar functions recognizing, however, that the nature of the PLF may justify deviations from such policies in certain circumstances.

Section 23.6 Assessment

Subsection 23.600 Principles

The Board of Governors recognizes that the assessment for coverage is derived by the prudent application of actuarial principles, responsible evaluation of past and present operations and investments of the PLF and judgments about future revenue and losses. Assessments vitally affect the members of the Bar and the public, which must rely on the general availability of a wide range of legal services. The PLF has the responsibility to submit to the Board of Governors its recommended assessment for the subsequent year (or any mid-year special assessment) supported by a report evidencing: The actuarial principles and assumptions used in the proposed assessment, the evaluations of the past and current operations and investments of the PLF with respect to their effect on the proposed assessment, the judgments and assumptions employed about future revenue and losses, and all other factors that the PLF believes will or may affect the adequacy and appropriateness of the proposed assessment. The Board of Governors must review the proposed assessment, the PLF's reports, and such other information as may be appropriate. On completion of the review, the Board of Governors must adopt an assessment that it reasonably believes to be actuarially prudent and reasonably believes will provide assurance of continued financial stability of the PLF.

A referral of a lawyer to SLAC should include a description of the circumstances and copies of any relevant documents. SLAC members who are contacted regarding a complaint or referral will obtain preliminary information and refer the matter to the chairperson. The chairperson will confirm receipt of a referral in a letter to the person making the referral. The letter must contain a disclosure substantially as follows:

"We appreciate your interest in bringing this matter to our attention. Our Committee will respond by contacting the lawyer to discuss the problem. It is important for you to understand, however, that the purpose of this Committee is to provide confidential assistance to lawyers who are impaired in the practice of law for reasons such as drug or alcohol problems, emotional problems or lack of competence. For that reason, we focus our work on determining the specific assistance that the lawyer needs and making sure that the lawyer follows a treatment or assistance program. This Committee does not deal with lawyer discipline issues. All information we receive from you will be kept confidential and will not be reported to the bar disciplinary authorities. If you believe that this lawyer has acted improperly and you wish to make a complaint to the bar, you should write to Client Assistance Office, Oregon State Bar, P.O. Box 231935, Tigard, OR 97281."

(b) If a referral is received from a member of the Bar, the letter required in paragraph (A) must also contain the following statement:

"If you are a member of the Bar, please review Oregon RPC 8.3(a) to determine whether you may have an independent obligation to contact the Bar."

(c) The OSB Client Assistance Office and the OSB Disciplinary Counsel may refer to SLAC the name of any lawyer whose performance or conduct appears to be impairing the lawyer's ability to practice law or professional competence. The referral will include a description of the circumstances and copies of any relevant documents. The State Professional Responsibility Board may refer to SLAC any lawyer whose performance or conduct may be impairing the lawyer's ability to practice or

professional competence whether or not the SPRB authorizes prosecution for misconduct. The chairperson will confirm in writing referrals from the Client Assistance Office, Disciplinary Counsel's Office, or the SPRB.

Subsection 24.401 Designees

SLAC members, lawyers and other persons assisting SLAC and employees thereof working on a matter related to the Lawyers Assistance Program authorized by ORS 9.568 are designees of SLAC. Designees are subject to SLAC rules, including the confidentiality requirements set forth in Section 24.701. Appointment of a designee who is not a SLAC member will be at the discretion of the chairperson. Considerations for appointment of such a designee include, but are not limited to, the designee's qualifications, the designee's previous experience with the referred person or with a situation similar to that of the referred person and the location of the referred person and designee. The chairperson will confirm the appointment of a designee. The chairperson will advise the designee of his or her authority and obligations and will include a copy of the SLAC's rules and other pertinent SLAC information. The designee will be notified of SLAC meetings while the referral is pending and must give regular progress reports to SLAC. Those reports may be given in person, in writing, by telephone or through the chairperson. The appointment of a designee will remain in effect until the case is concluded or SLAC otherwise provides.

Subsection 24.402 Preliminary Assessment and Intake

Upon receipt of a referral, the chairperson will assign the matter to one or more designees to conduct a preliminary assessment and make a recommendation to the committee. The Intake designee will gather relevant information regarding the referral including, but not limited to, interviewing the referred lawyers and the person who made the referral, and any other person who may have knowledge about the lawyer's ability to practice law or professional competence.

Prior to making initial contact with the referred lawyer, the SLAC designee will notify the Oregon Attorney Assistance Program (OAAP) of the referred lawyer's name. If the OAAP informs the SLAC designee that the referred lawyer poses a substantial and imminent risk of harm to the referred lawyer or others, the SLAC designee will wait a reasonable amount of time before contacting the referred lawyer and will coordinate and communicate with OAAP about how to make contact with the referred lawyer.

If, based on the preliminary assessment, the committee determines that the lawyer's professional competence or ability to practice law may be impaired, SLAC will have jurisdiction over the matter. Otherwise, the matter will be dismissed without further action.

Subsection 24.403 Notice to Referred Lawyer

Prior to assuming jurisdiction, SLAC will notify the referred lawyer and provide an opportunity to respond. If jurisdiction is assumed, the chairperson will assign the matter to a designee for case development, notify the referred lawyer of the matter and direct the lawyer to meet with the designee. Notices to the referred lawyer will include a reminder that failure to respond to or cooperate with SLAC is grounds for discipline under Oregon RPC 8.1(c) and may be reported to the proper authority. If a

case is not opened, the chairperson will notify the source of the referral that the matter is being dismissed without further SLAC action.

Section 24.5 State Lawyers Assistance Committee Investigations

Subsection 24.500 Meeting with Referred Lawyer

Within 30 days after notice has been given as provided in Subsection 24.403 of the Bar's Bylaws, the designee, either individually or with another designee, will meet with the referred lawyer to discuss the nature of the referral, SLAC's function, the general steps that will be taken, any questions that the referred lawyer may have about the process and the lawyer's explanation, opinion or questions about the referral.

Subsection 24.501 Release of Information

The designee may require the referred lawyer to authorize the release of relevant medical or other background information regarding the referred lawyer to SLAC or to a professional selected to evaluate the referred lawyer. Medical or background information is relevant, if it relates to the referred lawyer's professional competence or ability to practice law. The referred lawyer may voluntarily provide additional information.

Subsection 24.502 Professional Evaluation

The designee may require the referred lawyer to obtain a medical or other diagnostic evaluation from a professional or a panel of professionals selected by SLAC. The scope of the medical or other diagnostic evaluation will be limited to issues related to the referred lawyer's professional competence or ability to practice law. The designee may inform the medical or other professional of the general nature of SLAC's concerns but will not disclose to the professional the identity of the referral source or any other confidential information. The lawyer must bear the expenses of the medical or other diagnostic evaluation, except that SLAC may advance the costs in cases of demonstrated financial hardship.

Subsection 24.503 Remedial Action Plan

(a) Based on all the information gathered by the designee, SLAC will consider and determine whether the referred lawyer's performance or conduct may be impairing the lawyer's professional competence or ability to practice law. If SLAC finds that the lawyer's performance or conduct may not impair the lawyer's professional competence or ability to practice law, the matter will be dismissed and the lawyer notified of the disposition of the matter. If SLAC finds that the lawyer's professional competence or ability to practice law is impaired, SLAC will so advise the referred lawyer in writing and require the lawyer to participate in a remedial program of monitoring, treatment, counseling or training.

(b) The referred lawyer will have the opportunity to participate in determining the nature and extent of the remedial program to be undertaken, but SLAC's decision regarding the program is final.

(c) SLAC will set forth the remedial measures to be undertaken in a written agreement to be signed by the lawyer. The agreement will contain the referred lawyer's acknowledgement that failure or refusal to cooperate in the remedial

program is grounds for discipline under Oregon RPC 8.1(c) and may be reported to the proper authority.

(d) SLAC may require the lawyer to submit periodic reports from persons responsible for implementing the remedial program or who have information about the lawyer's compliance.

(e) The referred lawyer must pay the costs of the remedial program that SLAC requires.

(f) The designee will monitor the referred lawyer's participation in the remedial program and will report regularly to SLAC.

(g) The remedial program may be revised from time to time, as SLAC deems appropriate, and may include an extended period of monitoring.

(h) When SLAC determines that the referred lawyer has successfully completed the remedial program and that the lawyer's ability to practice law and professional competence is no longer impaired, the case will be closed.

Section 24.6 State Lawyers Assistance Committee Records

The chairperson will maintain an intake log as a permanent record of SLAC. In it will be noted each referral to SLAC, the date of the referral, the name of the person making the referral, the name of the referred lawyer, action taken on the referral and the ultimate disposition of the referral. Written materials regarding a referral which does not result in a case being opened, will be kept with the intake log. The designee to whom a case is assigned will create a file and will maintain all reports, correspondence, records and other documents pertaining to the case. The designee is responsible for maintaining the confidentiality of the file and the information it contains while the file is in the designee's possession. The file on a case will be closed when the referral is dismissed, on notice to Disciplinary Counsel of non-cooperation or as provided in Subsection 24.503(H) of the Bar's Bylaws. Closed files will be maintained for ten years in locked storage at the Bar's offices. SLAC will notify the referring person of the general disposition of the referral, but not of its detailed findings or the remedial measures taken.

Section 24.7 Other State Lawyers Assistance Committee Policies

Subsection 24.700 Non-cooperation

The failure or refusal of the referred lawyer to respond to SLAC's initial inquiry; to participate in interviews with designees during the course of SLAC's investigation; to respond to SLAC requests for information or for a professional evaluation; or to participate in and comply with a remedial program, may result in the lawyer being referred to Disciplinary Counsel for possible action under Oregon RPC 8.1(c).

Subsection 24.701 Confidentiality

SLAC records and any information provided to or obtained by it or its designees including, without limitation, medical information, is confidential. Those records and information are not subject to public disclosure and are inadmissible as evidence in any disciplinary or civil proceeding. Pursuant to ORS 9.568(4), the confidentiality does not apply to information relating to a lawyer's non-cooperation with SLAC or its designees or to information obtained by the Bar from any other source not connected

with the referral to SLAC. Pursuant to Subsection 24.402 of the Bar's Bylaws, the SLAC chairperson or designee may release the name of the referred lawyer to the OAAP. SLAC may also release statistical data, pursuant to Subsection 24.703 of the Bar's Bylaws.

Subsection 24.702 Duty to Report Unethical Conduct

SLAC and its designee are exempt from the reporting requirements of Oregon RPC 8.3(a) pursuant to Oregon RPC 8.3(c)(1).

Subsection 24.703 Statistical Data

SLAC will prepare a written annual report of its activities. The report will include statistical data such as: the total number of referrals received by SLAC, the number of direct referrals, the number of referrals received from the State Professional Responsibility Board, the number of referrals to the Client Assistance Office as a result of non-cooperation with SLAC, the number and types of cases in which assistance was provided through SLAC, the number of cases completed during the reporting period and other information that will assist the Bar in evaluating the workload and effectiveness of the SLAC program. The report will not include any information that could jeopardize the confidentiality of persons participating in SLAC's programs. The report will be delivered to the Bar annually as an attachment to SLAC's annual report.

Subsection 24.704 Public Meetings

SLAC meetings are exempt from the provisions of ORS 192.610 to 192.690, pursuant to ORS 9.568(3)(b). OAAP staff may be invited to attend SLAC meetings, including case review of referred lawyers, if appropriate releases have been signed by the referred lawyers.

Article 25 Law Student Associates

Any student currently enrolled in an Oregon law school may become a Law Student Associate of the Bar. Law Student Associates are not members of the Bar and, except as provided in this article, do not have any of the rights and responsibilities of members. Law Student Associates must pay an annual fee established by the **Chief Executive Officer** ~~Executive Director~~ in an amount sufficient to cover the cost of providing information and services to Law Student Associates. Services and information provided to Law Student Associates will be determined by the **Chief Executive Officer** ~~Executive Director~~.

Article 26 Sustainability

The Bar supports the goal of sustainability, generally defined as meeting present needs without compromising the ability of future generations to meet their own needs. Because Bar operations and the practice of law impact the environment and society generally, the Bar will be cognizant of sustainability in its internal operating practices as well as in its service to members. Internally, the **Chief Executive Officer** ~~Executive Director~~ will designate a sustainability coordinator for Bar operations, will encourage continuous sustainability improvement in Bar operations, and will report to the Board of Governors at least annually on progress and impediments. In the practice of law, principles of sustainability may be important in

addressing competing economic, social and environmental priorities that impact future generations. The Bar will encourage education and dialogue on how law impacts the needs and interests of future generations relative to the advancement of the science of jurisprudence and improvement of the administration of justice.

Article 27 Unclaimed Lawyer Trust Account Funds

Section 27.100 Purpose

This policy is established to provide direction and limits for the administration, disbursement, and claims adjudication of unclaimed lawyer trust account funds appropriated to the Bar. For the purposes of this section, “unclaimed lawyer trust account funds” are defined to mean all funds allocated to the bar pursuant to ORS 98.386(2).

Section 27.101 Administration

(a) All unclaimed lawyer trust account funds appropriated to the Bar shall be received and held in a separate fund in the manner authorized by Section 7.1.

(b) All unclaimed lawyer trust account funds shall be invested in the manner described at Section 7.4. The Legal Services Committee may provide recommendations on the investment of unclaimed lawyer trust account funds to the Investment Committee.

Subsection 27.102 Disbursement

(a) The **Chief Executive Officer** ~~Executive Director~~ and the Chief Financial Officer are authorized and empowered to make disbursements of unclaimed lawyer trust account funds appropriated to the Bar to:

(1) Claimants for the payment of claims allowed under ORS 98.392(2), pursuant to Subsection 27.103; and

(2) The Bar, for expenses incurred by the Bar in the administration of the Legal Services Program, only if the **Chief Executive Officer** ~~Executive Director~~ determines such disbursements will not impair the Bar’s ability to make payments for claims allowed pursuant to Subsection 27.103 from unclaimed lawyer trust account funds.

(b) The Budget & Finance Committee, after seeking the advice of the Legal Services Committee, may recommend that the Board make disbursements of unclaimed lawyer trust account funds appropriated to the Bar to the Legal Services Program established under ORS 9.572 for the funding of legal services. The Board may authorize such disbursements only if the Board determines the disbursements will not impair the Bar’s ability to make payments for claims allowed pursuant to Subsection 27.103 from unclaimed lawyer trust account funds.

Subsection 27.103 Claim Adjudication

(a) When the Oregon Department of State Lands forwards a claim for unclaimed lawyer trust account funds to the Bar for review, the Bar shall review the claim and approve or deny the claim within 120 days after the completed claim form and all necessary information to process the claim is received. If a claimant is requested to provide additional information and fails to do so within 90 days after the request is

made, the Bar may close the file without further action. A claim shall be approved if a preponderance of the evidence proves the claimant is legally entitled to the unclaimed lawyer trust account funds. A claim shall be denied if the preponderance of the evidence does not prove the claimant is legally entitled to the property.

(b) The **Chief Executive Officer** ~~Executive Director~~ or the **Chief Executive Officer's** ~~Executive Director's~~ designee shall decide whether to approve or deny all claims for amounts under \$5000. Claims for amounts of \$5000 or more must be reviewed and approved or denied by the Board.

(c) The Bar shall utilize claim forms published by the Oregon Department of State Lands. To evaluate whether to approve or deny a claim under Subsection 27.103(a), the Bar adopts the claim adjudication rules promulgated by the Oregon Department of State Lands at OAR 141-040-020; and OAR 141-040-0211 through OAR 141-040-0213. Where the rules reference the "Department" they shall be deemed to refer to the Bar.

(d) If a claim is approved pursuant to this Subsection, the **Chief Executive Officer** ~~Executive Director~~ or designee shall notify the claimant.

(e) If a claim is denied, the **Chief Executive Officer** ~~Executive Director~~ or the **Chief Executive Officer's** ~~Executive Director's~~ designee shall notify the claimant. The notice of denial shall include the specific reason for denial and shall include a notice of an opportunity to appeal the denial to the Board.

(f) A claimant may appeal the denial of a claim by making a request in writing to the **Chief Executive Officer** ~~Executive Director~~ within 60 days after the date of written notice of denial of the claim. A request for appeal shall be in writing and shall identify issues of law or fact raised by the denial and include a summary of the evidence of ownership on which the claim was originally submitted. The Board will review each request for appeal at its next scheduled board meeting following receipt of the request.

(g) Additional evidence shall not be admissible on appeal to the Board, except by mutual consent of the Board, the claimant, and any other parties to the proceeding. If such additional evidence is not admitted, the Board shall allow the claimant to resubmit the claim to the **Chief Executive Officer** ~~Executive Director~~ with the new evidence.

(h) The **Chief Executive Officer** ~~Executive Director~~ or designee shall notify the claimant of the Board's decision on appeal.

(i) A holder of property who has delivered unclaimed lawyer trust account funds to the Bar pursuant to ORS 98.386(2) may make payment to or delivery of property to an owner and file a claim with the Bar for reimbursement. The Bar shall reimburse the holder within 60 days of receiving proof that the owner was paid. The Bar may not assess any fee or other service charge to the holder. As a condition of receiving the funds from the Bar, the holder shall agree to assume liability for the claimed asset and hold the Bar harmless from all future claims to the property.

(j) On a quarterly basis, the **Chief Executive Officer** ~~Executive Director~~ or designee shall provide a listing of the claims resolved to the Department of State Lands. The **Chief Executive Officer** ~~Executive Director~~ shall also provide an annual report of the claims resolved to the Board.

Article 28 Admissions

Section 28.1 Board of Bar Examiners

Pursuant to ORS 9.210, the Supreme Court appoints a Board of Bar Examiners (BBX) to carry out the admissions function of the Oregon State Bar. The BBX recommends to the Supreme Court for admission to practice those who fulfill the requirements prescribed by law and the rules of the Court. The BBX's responsibilities include: investigating applicants' character and fitness, developing a bar examination, determining the manner of examination, determining appropriate accommodations for applicants, grading the bar examinations and setting standards for bar examination passage. The BBX may appoint co-graders to assist with the grading of examinations. The BBX may also recommend to the Court rules governing the qualifications, requirements and procedures for admission to the bar, by examination or otherwise, for law student appearance, and other subjects relevant to the responsibilities of the BBX.

Section 28.2 Nominations

The bar and the BBX will recruit candidates for appointment to the BBX and for appointment as co-graders. The BBX will solicit input from the Board of Governors before selecting co-graders and nominating candidates for appointment to the BBX.

Section 28.3 Liaisons

The Board of Governors shall appoint one of its members as a liaison to the BBX. The BBX may appoint one of its members as a liaison to the Board of Governors. The liaisons shall be entitled to attend all portions of the BBX and Board of Governor meetings, including executive and judicial sessions.

Section 28.4 Admissions Director

The Admissions Director shall report to and be supervised by the Director of Regulatory Services, under the overall authority of the **Chief Executive Officer** ~~Executive Director~~. The **Chief Executive Officer** ~~Executive Director~~ and Director of Regulatory Services will make the hiring, discipline and termination decisions regarding the Admissions Director. The **Chief Executive Officer** ~~Executive Director~~ and Director of Regulatory Services will solicit BBX's input into these decisions and give due consideration to the recommendations and input of the BBX. If the BBX objects to the final hiring decision for the Admission Director, recruitment will be reopened.

Section 28.5 Budget

With the approval of the Oregon Supreme Court, the BBX may fix and collect fees to be paid by applicants for admission. A preliminary annual budget for admissions will be prepared by the Admissions Director and Director of Regulatory Services in consultation with the BBX. Upon approval by the BBX, the budget will be submitted to the Board of Governors. The final budget presented to the Board of Governors will be provided to the BBX. Upon adoption by the Board of Governors, the budget will be submitted to the Supreme Court in accordance with Bylaw 7.202, and the BBX may make a recommendation to the Supreme Court regarding adoption of the budget.

The budget will align with bar policy generally after consideration of the policy goals and objectives of the BBX.

Section 28.6 Amendments

Any proposed amendment to Article 28 shall be submitted to the BBX and Supreme Court for consideration and the BBX shall make its recommendation to the Supreme Court regarding adoption of the proposed amendment. Upon Supreme Court approval, the Board of Governors may adopt such amendments in accordance with Article 29.

Article 29 Amendment of Bylaws

Any amendment of the Bar's Bylaws requires notice at a prior Board meeting unless two-thirds of the entire Board waives the notice requirement. The Bar's Bylaws may be amended by affirmative vote of a majority of the entire Board at any regular meeting or at any special meeting of the Board called for that purpose.

FORMAL OPINION 2017:xxxx

Conflicts of Interest, Current Clients: Representing Husband and Wife in Preparation of Estate Plan Involving Waiver of Elective Share

Facts:

Married Couple approaches Lawyer jointly and asks Lawyer to represent both of them in the matters described below.

Married Couple have been married for 15 years and both have children from their previous marriages. They have no children from their current marriage.

Married Couple own their house as tenants by the entirety, but have kept the majority of their assets separate. Spouse A has substantially more assets than Spouse B. They inform Lawyer that it is their individual intent that they would prefer that their estate plans provide that their separate assets be distributed to their children by their previous marriages and their jointly owned assets pass to the surviving spouse by right of survivorship.

Because of the value of Spouse A's separate property, it is clear to Lawyer that Spouse B would have an elective share claim if Spouse A were to die first. An elective share claim would defeat Married Couple's current intentions for their estate plan.

Married Couple does not have a prenuptial agreement.

Questions:

1. May Lawyer provide information to Married Couple as to their respective elective share rights under ORS 114.600 to 114.725?
2. May Lawyer advise both Spouse A and Spouse B as to their respective elective share rights as provided in ORS 114.620(1)?
3. May Lawyer prepare an agreement to mutually waive the elective share rights of Married Couple?
4. After Spouse A and Spouse B have agreed to waive the elective share, may Lawyer advise Married Couple concerning their estate plan?

Conclusions:

1. Yes.
2. No, qualified.
3. No, qualified.
4. Yes.

Discussion:

Oregon RPC 1.7 provides:

“(a) Except as provided in paragraph (b), a lawyer shall not represent a client if the representation involves a current conflict of interest. A current conflict of interest exists if:

- (1) the representation of one client will be directly adverse to another client;
- (2) there is a significant risk that the representation of one or more clients will be materially limited by the lawyer’s responsibilities to another client, a former client or a third person or by a personal interest of the lawyer; or
- (3) the lawyer is related to another lawyer, as parent, child, sibling, spouse or domestic partner, in a matter adverse to a person whom the lawyer knows is represented by the other lawyer in the same matter.

b) Notwithstanding the existence of a current conflict of interest under paragraph (a), a lawyer may represent a client if:

- (1) the lawyer reasonably believes that the lawyer will be able to provide competent and diligent representation to each affected client;
- (2) the representation is not prohibited by law;
- (3) the representation does not obligate the lawyer to contend for something on behalf of one client that the lawyer has a duty to oppose on behalf of another client; and

(4) each affected client gives informed consent, confirmed in writing.”

1. Lawyer May Provide Information About The Elective Share And Its Potential Waiver To Both Spouses.

Under Oregon’s elective share statute, a surviving spouse may elect to receive a percentage share of the decedent’s estate according to a formula based on the length of the marriage. ORS 114.605. Absent a waiver of that right, the elective share will override a contrary provision in the decedent’s will. *Id.* However, that legal right can be waived. Under ORS 114.620, a spouse may enter into a written agreement, before or after the marriage, to waive his or her elective share. Such agreement to waive the elective share is a type of pre-nuptial or post-nuptial agreement. *In re Estate of Richard B. Wilber*, 75 A3d 1096, 1099 (2013).

Providing general information about the elective share does not create a significant risk that Lawyer’s responsibility to one client will be materially impaired by his responsibilities to the other. Each spouse has a fiduciary obligation to the other requiring full disclosure and fairness. *Day v. Vitus*, 102 Or App 97, 792 P2d 1240 (1990); *Matter of Marriage of Eltzroth*, 67 Or App 520, 526, 679 P2d 1369 (1984); *Bauer v. Bauer*, 1 Or App 504, 464 P2d 710 (1970). Providing information about the elective share and its waiver to both spouses is consistent with each spouse’s duty to each other. Therefore, it does not create a significant risk of impairing Lawyer’s obligation to either spouse for Lawyer to provide such information to both spouses.

2. Advice to Waive Elective Share Presents A Current Client Conflict Of Interest.

Spouses often seek joint representation in estate planning. Typically, the interests of the spouses will be aligned for such purposes. However, there are exceptions in which simultaneous representation would be prohibited. OSB Formal Opinion No. 2005-86. “For example, spouses with children by prior marriages may have very different opinions concerning how their estates should be divided.” *Id.* Thus, an attorney was reprimanded for representing both spouses in revising their estate plans in *In re Plinski*, 16 DB Rptr 114 (2002). In that case, the spouses’ interests were adverse because they had children from prior marriages, their respective estates were of different values, they had ongoing financial disagreements, and one spouse was, for reasons of health and disposition, likely susceptible to pressure from the other. *Id.*

An agreement to waive the elective share presents such conflicting interests. As with any pre-nuptial or post-nuptial agreement, it requires one or both spouses to give up potentially valuable legal rights. Such agreement may be particularly fraught with issues that could impair a lawyer’s ability to provide competent and diligent representation to both spouses. By definition, it contemplates that the spouses might leave the majority of their estates to others. One or both spouses may wish to provide for children from another marriage. There may be a potential imbalance between the spouses’ respective estates, such that the right to an elective share could be more important to one spouse than the other. One spouse may be more sophisticated than the other; one may be in better health and more likely to benefit from the elective share. Waiver elective shares might even require renegotiation of the terms of a prenuptial agreement. Any of those factors creates “a significant risk

that the representation of one or more clients will be materially limited by the lawyer's responsibilities to another client." RPC 1.7(a)(2).

Some conflicts may be waivable with informed consent confirmed in writing. RPC 1.7(b)(1) allows such waiver if "the lawyer reasonably believes that the lawyer will be able to provide competent and diligent representation to each affected client." Comment 15 to the ABA Model Rule 1.7 notes that "[c]onsentability is typically determined by considering whether the interests of the clients will be adequately protected if the clients are permitted to give their informed consent to representation burdened by a conflict of interest." The *Restatement of Law Governing Lawyers* § 122, comment g.iv, explains:

"The general standard . . . assesses the likelihood that the lawyer will, following consent, be able to provide adequate representation to the clients. The standard includes the requirements both that the consented-to conflict not adversely affect the lawyer's relationship with either client and that it not adversely affect the representation of either client. In general, if a reasonable and disinterested lawyer would conclude that one or more of the affected clients could not consent to the conflicted representation because the representation would likely fall short in either respect, the conflict is nonconsentable."

Were Lawyer to represent both spouses with respect to an agreement to waive the elective share, Lawyer would be literally representing both sides of an agreement likely to benefit one client more than the other. Such conflict may be waivable in limited circumstances, but it is perilous. The Oregon Supreme Court observed, in a case where an attorney drafted an employment contract while representing both the employer and the employee, that "[i]t is never proper for a lawyer to represent clients with conflicting interests no matter how carefully and thoroughly the lawyer discloses the possible effect and obtains consent." *In re Jans*, 295 Or 289, 295, 666 P2d 830 (1983). It explained:

"It is of the utmost importance that the attorney representing both parties to a transaction reflect upon the rationales behind conflict of interest proscriptions. It is not sufficient that the attorney believes himself able adequately to represent potentially differing interests, or even that all parties have consented. The possibility of subconsciously favoring the interests of either party, the appearance of impropriety that may arise from even the slightest dissatisfaction, the likelihood of receiving confidential information from one party that is damaging or helpful to the other, and the possibility that a court will subsequently disagree with the attorney's decision that he was able adequately to represent both interests—all dictate extreme caution in these situations.

The temptation to represent potentially conflicting interests is particularly difficult to resist in family disputes. Often the attorney is the ‘family lawyer’ and has represented husband, wife, and even the children on previous occasions. . . . If the parties have not clearly understood the lawyer's ethical responsibilities *ab initio*, the ensuing rancor may be directed toward him.”

Id. at 295 n 7 (quoting Aronson, *Conflict of Interest*, 52 Wash L Rev 807, 826–27 (1977)); see also *In re Robertson*, 290 Or 639, 648, 624 P2d 603 (1981) (lawyer is disciplined for representing both buyer and seller of real property).

Comment 30 to ABA Model Rule 1.7 notes that “[a] particularly important factor in determining the appropriateness of common representation is the effect on client-lawyer confidentiality.” Attorney-client privilege is typically waived among clients who are jointly represented. OEC 503(4)(e). Such lack of confidentiality may make it difficult for Lawyer to explore whether one spouse has concerns about waiving the elective share, since that spouse may be reluctant to fully share those concerns with the other spouse. That, in turn, impairs Lawyer’s ability to fully advise each spouse.

In addition to potentially impairing the lawyer’s ability to represent the spouse who might object to waiving the elective share, the conflict also creates risk for the other spouse. A spouse may make certain estate planning decisions based on what he or she believes to be other spouse’s waiver of the elective share. A later finding that the waiver was invalid, due to the attorney’s conflictive representation, would likely frustrate the decedent’s estate plan that counted on that waiver of elective share.

Under the facts as presented here, the conflict is very likely to be nonconsentable. The facts listed are likely to impair Lawyer’s ability to give complete, competent and diligent advice to both spouses as to waiver of the elective share. In particular, the existence of children from previous marriages and the imbalance between the spouses’ separate estates heightens their need for thorough and independent advice. One may reasonably expect Lawyer’s ability to render such advice to be impaired by Lawyer’s duties to the other spouse.

There may be other circumstances in which a lawyer could reasonably believe that he or she could provide competent and diligent representations to both parties to an agreement to waive the elective share. That is more likely if the elective share appears unlikely to substantially affect the estate plan,¹ the spouses do not have children from prior marriages, their separate assets are similar in value, they are both highly sophisticated and unlikely to be susceptible to pressure, and they are similarly positioned with respect to life expectancy. See *In re Plinski*, 16 DB Rptr 114 (2002). Additionally, Formal Opinion No. 2005-86 set forth a list of factors that, in rare circumstances, might

¹ It is not always clear, at the time an estate plan is created, whether a devise is likely to be more or less than the elective share. The value of the estate and the devise may be changed by fluctuating values of joint and separate assets, unforeseen expenses, and other inheritances or gifts. Additionally, the statutory percentage of the elective share changes with the length of the marriage.

allow for joint representation during a divorce. Although that opinion addressed different circumstances, some of the listed factors may be applicable here, including:

- “(3)The marital estate must not contain substantial assets or liabilities;
- (4) The parties must have fully agreed on the disposition of all assets and liabilities [or, here, waiver of the elective share] before consulting the lawyer;
- (5) The lawyer must be in a position to conclude that each party has provided full disclosure of all assets . . .”

To sum up, the more important the elective share appears to be to either spouse, the less likely the conflict is to be waivable, and vice versa.

A lawyer weighing the totality of these factors might reasonably believe that he or she could competently and diligently represent both spouses with respect to an agreement to waive of the elective share. Even in a case where the conflict is waivable, the lawyer would still be required to obtain both clients’ informed consent pursuant to RPC 1.7(b).

3. Preparation of Agreement Waiving Elective Share.

The same analysis applies with respect to preparing the agreement to waive the elective share. Once Lawyer has undertaken to represent both spouses with respect to estate planning, there is a conflict if he represents either spouse with respect to drafting an agreement to waive the elective share. For example, an attorney drafted a property settlement on behalf of divorcing spouses in *Matter of Marriage of Eltzroth*, 67 Or App 520, 679 P2d 1369 (1984). The lawyer “acted only as a scrivener” and “did not provide independent advice to either party.” *Id.*, 67 Or App at 526. Nonetheless, the Court of Appeals noted that it did “not condone the conduct of the attorney in continuing to represent both parties” to the agreement. *Id.* at n 7.

This conflict may be avoided if Lawyer has not yet undertaken representation of one of the spouses with respect to estate planning. As attorney for only one of the spouses, Lawyer may prepare an agreement mutually waiving the elective share on behalf of the spouse that Lawyer represents. It is not mandatory that both parties to a prenuptial or postnuptial agreement be represented by counsel, although that is a factor in determining whether such agreement is enforceable. *Matter of Marriage of Leathers*, 98 Or App 152, 779 P2d 619 (1989).

4. Advice Concerning Estate Plan after Execution of Agreement to Waive Elective Share.

Once the issue of waiver of the elective share has been eliminated by execution of an agreement, Lawyer may represent Spouse A and Spouse B in preparation of their estate planning, absent other circumstances that would create a conflict of interest under RPC 1.7.

OREGON STATE BAR

Board of Governors Agenda

Meeting Date: November 16, 2017
Memo Date: November 1, 2017
From: MCLE Committee
Re: Category II credit for service on certain committees

Action Recommended

Approve the MCLE Committee's recommendation to amend the MCLE Rules and Regulations to allow members to claim Category II credit for service on certain committees and councils that are responsible for drafting court legal rules or jury instructions.

Background

At its April 2017 meeting, Board of Governors reviewed and approved the following MCLE rule and regulation amendments, which allow members to claim Category II MCLE credit for service on the Oregon Council on Court Procedures:

MCLE Rule 5.12 Oregon Council on Court Procedures. Credit may be claimed for service as a member or as staff on the Oregon Council on Court Procedures.

MCLE Regulation 5.200

- (i) Oregon Council on Court Procedures Service. Members may claim three general credits for service per year. To be eligible for credit under MCLE Rule 5.12, a member must attend at least 9 hours of regularly scheduled Council meetings during the year.

This proposed rule amendment was approved by the Oregon Supreme Court on June 14, 2017.

1. Board's Interest in Uniform Approach

While the Board approved the recommendation to allow Category II Credit for service on the Oregon Council on Court Procedures, some members expressed concern about adding committee service to Category II on a piecemeal basis. Board members voiced a belief many members serve on similar rulemaking committees, such as the Uniform Trial Court Rules

Committee¹ and the Federal Bar Association's Local Rules Advisory Committee², which may be equally deserving of Category II credit.

Currently, members who serve on most committees that require them to provide legal advice or rely on their legal expertise will only qualify for Category III credit, which is capped at six credits per three-year reporting period. Category II credit is capped at twenty credits per three-year reporting period, and is therefore seen as more valuable to members.

Based on the Board's input, the MCLE Committee reexamined MCLE 5.11, 5.12 and related regulations and discussed whether it would be possible to take a more uniform approach to granting Category II credit.

2. MCLE Committee Proposal

After discussion, the MCLE Committee determined that a more uniform approach to committee service MCLE credit is possible. The Committee recommends that rules on committee service be amended to focus on the utility of a committee's service to the judicial system and judicial process. The MCLE Committee concluded that committees with a focus on rulemaking or drafting jury instructions are likely to require rigorous service and demand in-depth legal analysis from their membership. Further, the bar has a general interest in encouraging lawyers to engage in and support the work of the judicial branch. On either basis, a case can be made that such activities should be entitled to Category II credit.

Accordingly, the MCLE Committee recommends amending Rule 5.11 as follows and deleting Rule 5.12, rather than separately enacting a rule for each committee:

~~**Rule 5.11 Jury Instructions Committee Service.** Credit may be claimed for serving on the Oregon State Bar Uniform Civil Jury Instructions Committee or Uniform Criminal Jury Instructions Committee.~~ **Credit for Committee and Council Service.** Credit may be claimed for serving on committees that are responsible for drafting court legal rules or jury instructions that are designed to

¹ Uniform Trial Court Rules Committee – Members are appointed by the Chief Justice of the Oregon Supreme Court to review proposed changes to the rules each year. The rules must be consistent with state law and with the Oregon Rules of Civil Procedure. This committee also reviews all of the Supplementary Local Rules of the Oregon Trial Courts.

² FBA's Local Rules Advisory Committee – Members are appointed by the Chief Judge to review proposed changes to the FBA's Local Rules of Civil Procedure. This committee is currently being restructured in respect to defining member terms, meeting schedule and refining the committee's charge.

aid the judicial system and improve the judicial process. Examples include service on the Oregon State Bar Uniform Civil Jury Instructions Committee, Uniform Criminal Jury Instructions Committee, Oregon Council on Court Procedures, Uniform Trial Court Rules Committee, and the Federal Bar Association's Local Rules Advisory Committee.

~~Rule 5.12 Oregon Council on Court Procedures.~~ Credit may be claimed for service as a member or as staff on the Oregon Council on Court Procedures.

If the above-proposed amendments are approved, the MCLE Committee recommends that the following regulations also be amended:

Regulation 5.300

~~(f) Credit for Committee and Council Service: Members may claim three general credits for service per year. To be eligible for credit under MCLE Rule 5.11, a member must attend at least 9 hours of regularly scheduled committee or council meetings during the year. Jury Instructions Committee Service. Members may claim two general credits for each 12 months of service. To be eligible for credit under MCLE Rule 5.10, a member of a jury instructions committee must attend at least six hours of committee meetings during the relevant 12-month period.~~

(g) Service as a Bar Examiner. Three (3) credits may be claimed for writing a question and three (3) credits may be claimed for grading a question.

(h) Legal Ethics Service. Members may claim two ethics credits for each twelve months of service on committees and boards listed in Rule 5.9.

~~(i) Oregon Council on Court Procedures Service. Members may claim three general credits for service per year. To be eligible for credit under MCLE Rule 5.12, a member must attend at least 9 hours of regularly scheduled Council meetings during the year.~~
