

Agenda Item No. 9 Mileage Reimbursement for Attending Annual House of Delegate Meeting (HOD Resolution No. 1)

The resolution proposes that all HOD members (other than BOG members and public members who are already entitled to reimbursement) be reimbursed for traveling to attend the HOD meeting. The reimbursement would cover mileage in excess of the first 100 miles and would be capped at 1000 miles.

If a meeting were held in Portland with full attendance, 66 members would be entitled to reimbursement for roundtrip mileage totaling 24,730 miles. (Seven members would be entitled to reimbursement for 1000 miles of travel; others range from 22 miles to 778 miles). At the current IRS reimbursement rate of \$0.445/mile, the cost of reimbursing all 66 delegates would be \$11,004.85. Historically, attendance at HOD meetings has never been 100%. Assuming 50% attendance, the cost of reimbursing attendees would be \$5,502.43. In reality, the attendance and the resulting cost would be somewhere between the two extremes.

The cost of reimbursement for meetings held more than 50 miles from Portland (Seaside, Eugene) would be higher, since more delegates would be entitled to reimbursement.
