

2026 MCLE Reporting Instructions for **OUT-OF-STATE ATTORNEY LICENSEES**

NOTE: These instructions are for out-of-state attorneys in non-reciprocal states (If your primary location is in WA, ID or UT, please see the instructions for attorneys in reciprocal states).

- Although your practice is located outside of Oregon, you are required to complete your Oregon MCLE requirements. You are required to complete a minimum of **45 credits, including 5 ethics, 1 abuse reporting, 1 mental health/substance use education, and 3 access to justice credits** during your 3-year reporting cycle.
 - If you are in a shorter cycle because you are a new attorney licensee or were recently reinstated, your requirements will be different, as noted on your transcript.
- **You can report out of state credits to Oregon and they will count toward your MCLE requirements in Oregon as long as you have completed those credits during your Oregon reporting cycle.** (See reporting instructions below)
- All required **credits must be completed by midnight on April 30, 2026**.
- Your completed compliance report must be **electronically certified and submitted by midnight on June 1, 2026**.
 - Note: our submission deadline is typically May 31st. However, in accordance with our MCLE Regulations, if May 31 is a Saturday or legal holiday, including Sunday, or a day that the Oregon State Bar office is closed, the due date shall be the next regular business day. Accordingly, the deadline for 2026 is Monday, June 1st.

To view your MCLE transcript:

- Log on to your [Member Dashboard](#) on the bar website.
- Click the “MCLE Reporting” tab.
- Click the “MCLE Transcript” button.

Review your transcript and make any necessary deletions or edits using the “Edit” and “Delete” buttons.

If your transcript is incomplete, complete the required credits and add them to your transcript by clicking the “Add Activity to Transcript” button. **Please add all categories of CLE activities to your transcript online. We will not accept paper or email addendums to MCLE transcripts.**

How to add out-of-state credits to your Oregon MCLE transcript:

Follow these steps to post out-of-state credits to your Oregon MCLE transcript:

1. Log on to your [Member Dashboard](#) on the bar website.
2. Click the “MCLE Reporting” tab.
3. Click the “Add Activity to Transcript” button.
4. Click on “Out-Of-State Credits.”

When reporting out of state credits to Oregon, you must upload documentation showing that:

1. the hours were accredited in another jurisdiction, **AND**
2. you completed the credits during your Oregon reporting cycle.

Note that some states only require 50 minutes of instruction for 1.0 CLE credit and Oregon requires 60 minutes. If you are reporting credits from a 50-minute state, your credits will **not** transfer 1:1 to Oregon. In that event, you must multiply your number of out of state credits by 50 and then divide by 60 to calculate the number of credits to report in Oregon.

PRACTICE TIP:

How to find additional courses you need to meet your Oregon MCLE requirements:

You will probably not be able to meet all your Oregon MCLE requirements with your out-of-state credits. For example, you will probably only find an Oregon abuse reporting program in Oregon and not all states offer mental health/substance use credits. Here is a link to our program database where you can search for accredited programs by credit type:

<https://hello.osbar.org/MCLE/Search/Accreditation>.

To submit your MCLE transcript:

Once you have met your minimum CLE requirements, the box at the top of your transcript will turn green. You will see the message below. Please press “submit report.” **Your report is not submitted until you have pressed submit report.**

- I certify I have personally reviewed and verified that all of the information listed on my report is accurate and complete and I understand all of the following:
- Under Oregon law and the Bar Rules of Procedure, OSB members bear individual responsibility for meeting all regulatory compliance requirements and maintaining their licenses in good standing.
 - If I have granted permission to a company administrator or other individual to access my MCLE Dashboard and make changes to my transcript, I understand that person is not permitted to electronically submit my report, and that only bar members themselves may certify and submit their MCLE reports.
 - The Oregon Supreme Court may suspend my license to practice law if I fail to comply with my MCLE requirements.
 - A company administrator’s neglect, error or omission will not excuse my regulatory noncompliance.
 - I understand that I am required to maintain records of my completion of all of the credits I have reported for 1 year from my compliance report due date, and I will present my records to the MCLE Program Manager in the event of an audit.

WARNING: When you submit your report, your carry over credit will be calculated and you will not be able to add additional credits. If you would like to complete additional credits to carry over to your next reporting cycle, do not submit your report until you have completed and entered those credits.
