I certify I have personally reviewed and verified that all of the information listed on my report is accurate and complete and I understand all of the following:

- Under Oregon law and the Bar Rules of Procedure, OSB members bear individual responsibility for meeting all regulatory compliance requirements and maintaining their licenses in good standing.
- If I have granted permission to a company administrator or other individual to access my MCLE Dashboard and make changes to my transcript, I understand that person is not permitted to electronically submit my report, and that only bar members themselves may certify and submit their MCLE reports.
- The Oregon Supreme Court may suspend my license to practice law if I fail to comply with my MCLE requirements.
- A company administrator’s neglect, error or omission will not excuse my regulatory noncompliance.
- I understand that I am required to maintain records of my completion of all of the credits I have reported for 1 year from my compliance report due date, and I will present my records to the MCLE Program Manager in the event of an audit.

WARNING: When you submit your report, your carry over credit will be calculated and you will not be able to add additional credits. If you would like to complete additional credits to carry over to your next reporting cycle, do not submit your report until you have completed and entered those credits.
