

Law Libraries

Suggested values for January 1, 2016

This schedule has been prepared by the Property Tax Division of the Oregon Department of Revenue, State of Oregon, in cooperation with Multnomah Law Library and the Oregon State Bar. Owners of Law Libraries should declare the schedule values to the assessor. No further reduction should be made for depreciation, shopwear, or obsolescence. Space prevents a listing of all books that might be found in a Law Library. The lack of a listing does not indicate that individual books, sets, or volumes should not be reported. Such unlisted books, sets, or volumes should be reported using Section Q values unless personal knowledge indicates greater actual value on some sets.

Instructions

Column I: Present value.

Column II: If set incomplete or lapsed deduct complete Column II total from Column I value.

Column III: If deduction of Column II exceeds valuation shown in Column I—value books at price shown in column III, but if no price is indicated then value is as shown in Section Q.
