Section 1.2 Purposes
The mission of the Oregon State Bar is to serve justice by promoting respect for the rule of law, by improving the quality of legal services and by increasing access to justice.
The Bar fulfills that mission through the following functions:

(A) We regulate the legal profession and improve the quality of legal services.
(B) We support the judiciary and improve the administration of justice.
(C) We advance a fair, inclusive, and accessible justice system.

**Article 2 Board of Governors**

**Section 2.1 Duties and Responsibilities**

**Subsection 2.100 General**

(a) The Board of Governors governs the Bar, except as provided in ORS 9.136 to 9.155, and must at all times direct its power to serve the public interest as provided in ORS 9.080(1).

(b) The Board establishes and monitors implementation of the mission, strategic plan, programs, services and policies of the bar.

(c) The Board monitors the financial condition of the bar, ensures that adequate resources exist for operations, programs, and services, and approves the annual bar budget.

(d) The Board selects and appoints the Chief Executive Officer, who is the Board’s only employee. The Chief Executive Officer is responsible for implementing, administering and supervising bar operations, bar staff, bar programs and services as provided in OSB Bylaw 2.8. The Board supports, provides direction to, evaluates the performance of, and determines compensation for the Chief Executive Officer. The Board commits to providing a work environment for the Chief Executive Officer that is free of harassment and intimidation, as provided in the BOG Anti-Harassment Policy. Any board member who is aware that a board member has engaged in harassment or intimidation against the Chief Executive Officer or any other OSB staff should report the information immediately to the bar president, president-elect, Chief Executive Officer or OSB General Counsel, as appropriate.

(e) Board members are ambassadors for the bar. Board members should listen to stakeholders and bring their perspectives and concerns to the attention of the board. They should share information with stakeholders about the mission, strategic plan, programs, services, activities and policies of the bar. Stakeholders include, but are not limited to, members of the public, bar members and law students within the board member’s region, committees, sections and other bar groups to which the board member is appointed as liaison, members of local, specialty and affinity bars, and state and local government officials.

(f) Board members are advocates for the bar within the legal and other communities and should avoid speaking publicly in opposition to positions taken by the Board of Governors.

(g) Board members are leaders within the legal and other communities who should model the values of the Oregon State Bar.

(h) Board members are committed to providing a professional, inclusive, and harassment-free experience for everyone at bar-sponsored events, meetings and functions. Any board member who is aware that someone has engaged in
harassment or intimidation against an attendee of a bar-sponsored event, meeting or function, should report the information immediately, as provided in the OSB Event Anti-Harassment Policy.

(i) Board members are committed to preparing for and attending all board meetings and other functions except when, in a board member’s judgment, an emergency or compelling circumstance arises that prevents participation.

(j) Board members are committed to development of the skills and competencies needed to contribute to the successful governance of the bar, including but not limited to, organizational knowledge, oversight of the Chief Executive Officer, financial literacy, and cultural competency.

(k) Each board member has special talents, perspectives, and community connections that contribute to the successful governance of the Bar. Expressing opinions, sharing expertise, and providing diverse perspectives on issues before the Bar are important and encouraged.

Subsection 2.101 Election

(a) The election of lawyer-members of the Board will be conducted according to Article 9 of the Bar’s Bylaws. Newly elected governors and officers of the Bar take office on January 1 of the year following their election.

(b) Candidate statements for the office of Governor from a region must be in writing. The Chief Executive Officer will prepare the forms for the candidate statements and supply the forms to the applicants. Applicants must complete and file the form with the Chief Executive Officer by the date set by the Board. The Chief Executive Officer must conduct elections in accordance with the Bar Bylaws and the Bar Act.

Subsection 2.102 Board Committee and Other Assignments

At or shortly after the annual orientation and retreat, board members will be invited to indicate their preferences for board committee and other assignments. Members of the senior class will be invited to identify one or more board committees they would like to chair. The Chief Executive Officer and president-elect will develop a slate of assignments based on the preferences. Senior class members shall have priority in the choice of assignments, but the preferences of all member will be honored to the extent possible and appropriate. The proposed slate will be circulated to the board and any board member may request a change of assignments. The president-elect will make reasonable effort to accommodate any change requests, but the president-elect’s decision will be final.

Subsection 2.103 Judicial Campaigns and Appointments

(a) Bar Positions on Judicial Campaigns and Appointments. The members of the Board must refrain from stating or suggesting that the bar or Board is taking a position on judicial campaigns or appointments, except to relay recommendations made by the Board pursuant to OSB Bylaw 2.703, Statewide Judicial Appointments.

(b) Personal Positions on Judicial Campaigns and Appointments. If a member agrees to be listed as supporting or opposing a judicial candidate and be identified as a member of the Board, any publication must include a prominent disclaimer that the views expressed are the member’s own and do not represent the views of the bar or Board. Members of the Board who express a personal position on a judicial campaign
or appointment should strive to explain that they are not taking a position on behalf of the bar or Board. Public involvement in judicial campaigns and appointments that in any way identifies them as members of the Board, officers of the Bar, or otherwise representing the Oregon State Bar.

**Subsection 2.104 Separation of Powers**

The Board will not nominate or appoint persons who work in or for the state executive or legislative departments to the following bodies: State Professional Responsibility Board, Disciplinary Board, Minimum Continuing Legal Education Board and Commission on Judicial Fitness and Disability. In the case of a challenge to the candidacy of a member of the Board of Governors under ORS 9.042, the Board will follow the procedures outlined in the statute.

**Subsection 2.105 Amicus Curiae Briefs**

A section or committee that wishes to enter an amicus curiae appearance before any trial court or appellate court must obtain prior approval from the Board. The request must be in writing and must include a synopsis of the question involved, the posture of the case, the position to be taken in the amicus appearance, and the anticipated cost of appearing amicus curiae including lawyer fees, if any. The question involved must directly or substantially affect admission to the practice of law, the practice of law, discipline of members of the bench or bar, the method of selecting members of the judiciary or other questions of substantial interest to the Bar or a committee or section. The Board will determine whether the question involved can be adequately presented to the court without the amicus appearance of the committee or section. All costs for appearance by a section must be paid by the section; if the Board approves the filing of an amicus appearance by a committee, the Bar will pay any costs for the appearance.

**Subsection 2.106 Indemnification**

The Bar must indemnify its officers, board members, directors, employees and agents and defend them for their acts and omissions occurring in the performance of their duties, to the fullest extent permitted by ORS Chapter 30 relating to indemnification by public bodies, especially the provisions of ORS 30.285. The term "officers, board members, directors, employees and agents" of the Bar includes subordinate groups established by the Bar or the Supreme Court to perform one or more of the Bar’s authorized functions, including the Board of Bar Examiners, the Professional Liability Fund, the State Professional Responsibility Board, the Disciplinary Board, bar counsel and the State Lawyers Assistance Committee. The right to and method and amount of defense and indemnification are determined in accordance with the provisions of ORS 30.285 or comparable provisions of law governing indemnity of state agents in effect at the time of a claim.

**Subsection 2.107 Defense of Disciplinary Complaints and Proceedings**

(a) The bar will defend any of its current and former officers, employees and agents (hereafter “Accused”), whether elected or appointed, against any complaint of professional misconduct arising out of an act or omission occurring in the performance of his or her official duties on behalf of the bar as provided in this bylaw.
(b) The duty to defend does not apply in the case of malfeasance, gross negligence or willful or wanton neglect of duty.

(c) If any complaint is made to the Oregon State Bar or other agency or court with disciplinary jurisdiction over the Accused or a disciplinary proceeding is brought by the Oregon State Bar or such agency or court against an Accused which on its face falls within the provisions of subsection (a) of this bylaw, or which the Accused asserts to be based in fact on an act or omission in the performance of his or her official duties on behalf of the bar and not within the scope of subsection (b) of this bylaw, the Accused may file a written request for a defense with the General Counsel, or if the request is by the General Counsel, the President of the bar. The General Counsel or President, as the case may be, will thereupon present his or her recommendations to the Board of Governors regarding the approval of an agreement to pay for the defense of the Accused, including attorney fees and costs during the investigation, prosecution, and appeal of a complaint of professional misconduct. The Board of Governors will approve such terms and conditions of payment for the defense as it deems appropriate under the circumstances, including the Board’s right to select counsel to defend the Accused, unless the Board determines that the complaint does not arise out of an act or omission occurring in the performance of official duties on behalf of the bar, or that the act or omission amounted to malfeasance, gross negligence or willful or wanton neglect of duty, in which case the Board will reject the request.

(d) If the Board agrees to pay for the defense of a complaint or disciplinary proceeding, the Accused shall cooperate fully with the lawyer(s) hired by the bar to defend the Accused. If the Board determines that the Accused has not cooperated with defense counsel or has otherwise acted to prejudice defense counsel’s good faith decisions regarding the proper defense of the matter for which a defense is provided, the Board may at any time terminate the continued defense of the matter and require the Accused to reimburse the bar for all funds it has paid on account of the defense of the Accused. The Board may condition the provision of a defense under this bylaw on the Accused’s agreement to make such reimbursement upon the Board’s good faith determination that the Accused has failed to cooperate with defense counsel or otherwise acted to prejudice defense counsel’s good faith decisions regarding the proper defense of the matter.

(e) If the Board concludes, after undertaking to pay for the Accused’s defense, that the conduct was malfeasance, grossly negligent, or the willful or wanton neglect of duty, the Board will terminate the continued defense of the matter and require the Accused to reimburse the bar for all funds it has paid on account of the defense. The Board may condition the provision of a defense under this bylaw on the Accused’s agreement to make such reimbursement upon the Board’s good faith determination that the Accused has engaged in such conduct.

(f) If the Accused in a disciplinary proceeding is found to have violated the rules of professional duct, a disciplinary statute or disciplinary regulation, the Accused must reimburse the bar for all funds it has paid on account of the defense of the Accused. The Board may condition the provision of a defense under this bylaw on the Accused’s agreement to make such reimbursement upon the entry of a final judgment imposing discipline on the Accused. Discipline for purposes of this bylaw should be a reprimand or greater sanction imposed by the Disciplinary Board or the Oregon Supreme Court or other court or agency having disciplinary jurisdiction over

11
the Accused. If the discipline is a reprimand, the board may waive the reimbursement requirement.

(g) If the Board denies an Accused a defense under this bylaw or terminates the provision of such a defense under the terms of this bylaw and the Accused is found in any disciplinary proceeding for which a defense was denied or terminated not to have violated any rule of professional conduct or disciplinary statute or regulation, the bar will reimburse the Accused for his or her reasonable attorney fees and costs in defense of such matter so long as the Accused’s conduct occurred in the performance of official duties on behalf of the bar and did not separately constitute malfeasance, gross negligence or willful or wanton neglect of duty, as, in good faith, is determined by the Board. Pro se representation does not qualify for the reimbursement of reasonable attorney fees and costs under this subsection.

Subsection 2.108 BOG member Censure or Suspension from Service

(a) A board member may be censured or suspended from board service for cause on a two-thirds vote of the entire Board of Governors. The board must provide the board member to be censured or suspended with advance written notice of the vote. Upon request, the board must also provide the reason for the proposed censure or suspension and an opportunity to contest it in writing or in person at a meeting of the Board. “Cause” includes, but is not limited to: incapacity to serve; a serious breach of, or repeated failures to meet, the duties outlined in these bylaws, or; conduct or activities that bring discredit to, or may give rise to liability for, the bar.

(b) A board member against whom charges of misconduct have been approved for filing by the State Professional Responsibility Board is automatically suspended from board service until the charges filed against them have been resolved or until their term ends or is terminated as provided in ORS 9.025(5).

(c) The Board of Governors may appoint a temporary replacement to serve until the board member suspended under this bylaw is again able to serve.

Section 2.2 Officers

Subsection 2.200 Duties

(a) President
The President presides at all meetings of the Board and has the authority to exercise the Board’s power between board meetings and to take appropriate action whenever the President finds that a board meeting is not necessary or cannot reasonably be convened. However, the President’s action must be consistent with any actions taken or policies previously adopted by the Board or by the membership. The President must report any such action at the next board meeting. The President performs such other duties as the Board directs.

(b) President-Elect
The President-elect performs the duties of the President in the absence, inability or refusal of the President to perform those duties. The President-elect performs other duties as the Board directs.

(c) Immediate Past President
The Immediate Past President is a non-voting *ex officio* member of the Board. Upon completion of the term for which the President is elected, the President becomes the Immediate Past-President for one year. The duties of the Immediate Past President will be as agreed between the Immediate Past President and the Board from time to time. Expenses of the Immediate Past President will be reimbursed as approved by the Board.

**Subsection 2.201 Election**

(a) Time of Election

The President and President-elect are elected at the last regularly scheduled board meeting of the calendar year. The only candidate for President is the President-elect.

(b) President-Elect

Any lawyer member of the second-year class may be a candidate for the office of President-elect by notifying the Chief Executive Officer by September 1. Each candidate must submit with said notice a statement outlining the candidate’s qualifications, reasons for seeking the position, and vision for the bar. A Nominating Committee, consisting of the fourth-year class and the current President-elect, will interview each candidate and nominating committee members will confer with the remaining board members to discuss their view about each candidate’s respective qualifications. The Nominating Committee will announce its candidate for President-elect at least 20 days prior to the last regularly scheduled board meeting of the calendar year. The Nominating Committee’s selection will be the sole candidate for President-elect unless at least six members nominate another candidate by written petition delivered to the Chief Executive Officer not less than 10 days prior to the last regularly scheduled board meeting of the calendar year. If the Nominating Committee is unable to select a sole candidate for President-elect, the board will elect a President-elect at its last regularly scheduled board meeting of the calendar year, pursuant to Subsection 2.201(c).

(c) Voting

If there is only one candidate for an office, the candidate is deemed elected without a formal vote. When there are two nominees for President-elect, the candidate receiving the most votes will be elected. If there are three nominees for President-elect and no candidate receives more than 50 percent of the votes on the first vote, the candidate receiving the fewest votes is eliminated and another vote will be taken. Only board members present at the meeting may vote.

**Subsection 2.202 Removal**

Any officer of the Bar may be removed with or without cause on a three-fourths affirmative vote of all board members. That position is then filled by the Board, at the same or a subsequent meeting, using the above rules as far as applicable.

**Section 2.3 Public Members**

In addition to the resident active members of the Bar required by ORS 9.025, four public positions exist on the Board of the Bar.
Subsection 2.300 Appointment

Any person appointed to a public position on the Board must meet the qualifications set forth in ORS 9.025(1). Public members serve for a term of four years, beginning on January 1 of the year following appointment. Every attempt will be made to maintain geographic distribution; however, the priority will be to match the current needs of the Board with the areas of interest of the public members.

Subsection 2.301 Powers and Duties

Public members of the Board have the same voting rights as the lawyer members of the Board. They take the same oath of office and are charged with the same functions and duties as provided by statute and Board Policies. Public members cannot serve as officers of the Bar.

Subsection 2.302 Removal

Public members of the Board are subject to removal by the Board upon the following grounds and for the following reasons: A public member no longer meets the initial qualifications for appointment set forth in Subsection 2.300 of the Bar’s Bylaws; or a public member commits an act substantially similar to the conduct proscribed by ORS 9.527 or fails to perform the duties of the office. If at least ten members of the Board propose that the public member be removed, the public member is given written notice of the proposed removal, together with the reasons therefore. The written notice must be given at least 15 days before the next regularly scheduled board meeting. Thereafter, on a vote of at least ten members of the Board, the public member is removed and the position is vacated.

Subsection 2.303 Vacancies

On the death, resignation or removal of a public member of the Board, the Board must appoint a replacement to serve the unexpired portion of the then vacant position. Any person so appointed must satisfy the qualifications for appointment set forth in Subsection 2.400 of the Bar’s Bylaws and is subject to removal as set forth in Subsection 2.302 of the Bar’s Bylaws.

Section 2.4 Meetings

Subsection 2.400 Robert’s Rules of Order

Board meetings are governed by ORS Chapter 9, these bylaws, and the most recent edition of Robert’s Rules of Order.

Subsection 2.401 Regular Meetings

Meetings of the Board are held at such times and places as the Board determines. The Chief Executive Officer will provide notice of the time and place of all meetings in accordance with ORS 192.610 to 192.690.

Subsection 2.402 Special Meetings

A special meeting of the Board may be called by the President or by three Governors filing a written request with the Chief Executive Officer. If, within five days after a written request by three Governors, the President fails or refuses for any reason to set a time for and give notice of a special meeting, the Chief Executive Officer must
call the meeting and provide at least 24 hours’ notice of the time and place of the
special meeting in accordance with ORS 192.610 to 192.690.

**Subsection 2.403 Emergency Meetings**

When the President determines that a matter requires immediate attention of the
Board, an emergency meeting may be called on less than 24 hours’ notice. Notice
must be given to members of the board, the media and other interested persons as
may be appropriate under the circumstances. The notice must indicate the subject
matter to be considered. Only the matters for which the emergency meeting is called
may be considered at the meeting.

**Subsection 2.404 Minutes**

Accurate minutes of all board meetings must be preserved in writing or in a sound,
video or digital recording. The minutes must reflect at least the following
information: members present, motions or proposals and their disposition, the
substance of any discussion on any matter, and a reference to any document
discussed at the meeting. The minutes must reflect the vote of each member of the
Board by name if the vote is not unanimous. Draft minutes, identified as such, will be
available to the public within a reasonable time after the meeting. Final minutes will
be available to the public within a reasonable time after approval by the Board. The
minutes of executive sessions will be available to the public except where disclosure
would be inconsistent with the purpose of the executive session.

**Subsection 2.405 Oregon New Lawyers Division Liaison**

The Oregon New Lawyers Division ("ONLD") has a non-voting liaison to the Board,
who must be a member of the ONLD Executive Committee. The ONLD liaison is
appointed by the chair of the ONLD Executive Committee to serve for a one-year
term. No person may serve more than three terms as ONLD liaison. If the ONLD
liaison is unable to attend a meeting of the Board, the ONLD chair may appoint

Section 2.7 Judicial Selection

Subsection 2.700 General

The Bar plays an important role in judicial selection by interviewing and evaluating candidates for appellate court appointments. Results will be made public as soon as practicable to the press, the candidates and the appointing authority.

Subsection 2.701 Statewide Judicial Appointments

Bar members will be notified of the upcoming appointment and will be invited to participate in the appellate recommendation process. If an appellate recommendation process has been concluded within three months preceding the announcement of a new appellate vacancy, the Board may, at its discretion, forego conducting a separate appellate recommendation process and instead resubmit the previous list of highly qualified candidates to the Governor without notification to members.

(b) Prior to commencement of the appellate recommendation process, the Appellate Selection Committee shall establish policies and criteria for conducting its review of candidates for each position, which may include, but is not limited to, review of the written applications; interviews of candidates; reports from judges or hearings officers; reports from members of the legal and general community; reports from references supplied by the candidate; and review of writing samples.

The Board will then determine the final list of highly qualified candidates to submit to the Governor. A "highly qualified" or "qualified" recommendation is intended to be objective. Failure to recommend a candidate in any particular selection process is not a finding that the person is unqualified.

(d) In addition to submitting its list of "highly qualified" candidates, the Board will respond to any specific inquiry from the Governor as to whether certain other candidates in the pool meet a "qualified" standard.

(e) Meetings of the Appellate Selection Committee are public meetings except for portions of meetings during which reference reports are presented and discussed. The term "reference reports," for purposes of this section, means information
obtained by committee members and staff from persons listed as references by the candidates and information obtained by committee members and staff from other persons knowledgeable about candidates as part of the candidate review process. Article 10 Diversity
The Bar respects the diversity of its membership and its employees. Bar entities, including, but not limited to standing committees, section executive committees and Continuing Legal Education programs and publications, should reflect this diversity. "Reflect," as used in this article, does not require the application of strict quotas, but requires a good faith attempt to achieve representative participation. Reports of such efforts may be required of bar entities. In addition, no bar entity may discriminate on
the basis of race, religion, color, gender, sexual orientation, geographic location, age, handicap or disability, marital, parental or military status or other classification protected by law. No professional, business or social functions of the Bar, or any of its sections, committees, affiliates or other authorized entities may be held at any private or public facility, which discriminates, based upon the terms listed above. Furthermore, advertisements or solicitations for employment must offer equal employment opportunities. The United States Armed Forces are exempt from this policy as it regards advertisements in the bar’s communications.

Article 11 Communications

Section 11.1 General Policy

Communications of the Bar and its constituent groups and entities, including printed material and electronic communications, should be germane to the law, lawyers, the practice of law, the courts and the judicial system, legal education and the Bar in its role as a mandatory membership organization. Section 11.3 Media Relations

The Bar will be responsive to the needs of the media and will identify persons to speak for the Bar. All statements made to the media, whether oral or by news release, must be informational in nature and must avoid statements of personal opinion or positions not considered or adopted by the Board. The President is the official chief spokesperson for the Bar. Section 12.2 Initiation of Legislation

Subsection 12.200 House of Delegates and Membership
The Bar must sponsor legislative proposals approved by the House of Delegates or through a membership initiative to the Legislative Assembly directly following the House or membership action. Legislation not enacted may not be sponsored in the following session unless resubmitted by one of the methods set forth above or by action of the Board.

Subsection 12.201 Board of Governors
The Board may sponsor legislative proposals to the Legislative Assembly on its own initiative. The Board and its Public Affairs Committee has the authority between meetings of the House of Delegates to act on legislative and public policy matters pursuant to the guidelines established.
Section 12.3 Legislative Process
Because of the nature of the legislative process, the Board or its Public Affairs Committee retains the right to set priorities regarding the enactment of legislation, to propose amendments or consent to amendments to legislation and to sponsor or take positions on appropriate legislation. In so doing, the Board will make a reasonable effort to do the following:

Encourage as wide a participation of the membership as possible in formulating positions on legislative issues; inform members, especially sections and committees, of the Bar’s legislative positions; respect divergent opinions of subgroups within the legal profession; provide assistance to bar sections and committees; avoid committing bar funds to issues that are divisive or result in creating factions within the profession; present major issues to the House of Delegates for approval; ensure that the Public Affairs Committee encompasses a balance of interest within the Bar and ensure that the Public Affairs Committee consults frequently with the Board.

Section 12.4 Committees and Sections
Any committee or section wishing to sponsor legislation or take a position on any rule or public policy issue will inform the Public Affairs Program, and through that office, the Board, of the exact nature of the legislation proposed. A copy of the bill, proposed rule or policy will be presented for consideration and approval of the Board. A committee or section of the Bar may not represent to the legislature or any individual, committee or agency thereof, a position or proposal or any bill or act, as the position of that committee or section of the Bar without the majority approval of the members of that committee or, in the case of a section, the executive committee and the prior approval of the Board, except as follows. During a legislative session or during the interim, a bar committee or the executive committee of any section must contact the Bar’s Public Affairs Program before taking any position on a bill, rule or public policy issue within its general subject area. The chair of the Board’s Public Affairs Committee will determine, within 72 hours of notice of the issue, whether it is appropriate for the Bar to take an official position or to allow the section or committee to take a position as requested. The full Public Affairs Committee or the full Board may be consulted before a final decision is made. Bar staff and the Public Affairs Committee of the Board will make every effort to accommodate committees and sections that wish to express positions on relevant issues. The Public Affairs Program shall be kept informed about the status of such positions and related activities.

Section 12.5 Professional Liability Fund Legislation
The Professional Liability Fund ("PLF") may not present to the legislature or any individual, committee or agency thereof, a position or proposal or any bill or act, as the position of the PLF without the majority approval of the Board of Directors of the PLF and the prior approval of the Board of Governors, except as is provided in Section 12.4 of the Bar’s Bylaws.
Section 12.6 Objections to Use of Bar Dues

Subsection 12.600 Submission

A member of the Bar who objects to the use of any portion of the member's bar dues for activities he or she considers promotes or opposes political or ideological causes may request the Board to review the member's concerns to determine if the Board agrees with the member's objections. Member objections must be in writing and filed with the Chief Executive Officer of the Bar. The Board will review each written objection received by the Chief Executive Officer at its next scheduled board meeting following receipt of the objection. The Board will respond through the Chief Executive Officer in writing to each objection. The Board's response will include an explanation of the Board's reasoning in agreeing or disagreeing with each objection.

Subsection 12.601 Refund

If the Board agrees with the member's objection, it will immediately refund the portion of the member's dues that are attributable to the activity, with interest paid on that sum of money from the date that the member's fees were received to the date of the Bar's refund. The statutory rate of interest will be used. If the Board disagrees with the member's objection, it will immediately offer the member the opportunity to submit the matter to binding arbitration between the Bar and the objecting member. The Chief Executive Officer and the member must sign an arbitration agreement approved as to form by the Board.

Subsection 12.602 Arbitration

If an objecting member agrees to binding arbitration, the matter will be submitted to the Oregon Senior Judges Association ("OSJA") for the designation of three active-status retired judges who have previously indicated a willingness to serve as volunteer arbitrators in these matters. The Bar and the objecting member will have one peremptory challenge to the list of arbitrators. The Bar and the objecting member must notify one another of a peremptory challenge within seven days after receiving the list of proposed arbitrators. If there are no challenges or only one challenge, the OSJA will designate the arbitrator. The arbitrator will promptly arrange for an informal hearing on the objection, which may be held at the Oregon State Bar Center or at another location in Oregon that is acceptable to the parties and the arbitrator. The hearing will be limited to the presentation of written information and oral argument by the Bar and the objecting member. The arbitrator will not be bound by rules of evidence. The presentation of witnesses will not be a part of the hearing process, although the arbitrator may ask the state bar representative and the objecting member and his or her lawyer, if any, questions. The hearing may be reported, but the expense of reporting must be borne by the party requesting it. The Bar and the objecting member may submit written material and a legal memorandum to the arbitrator no later than seven days before the hearing date. The arbitrator may request additional written material or memoranda from the parties. The arbitrator will promptly decide the matter, applying the standard set forth in Keller v. State Bar of California, 496 U.S. 1, 110 S. Ct. 2228, 110 L. Ed. 2d 1 (1990), to the expenditures to which the member objected. The scope of the arbitrator's review must solely be to determine whether the matters at issue are acceptable activities for which compulsory fees may be used under applicable constitutional law. In making his or her decision, the arbitrator must apply the substantive law of Oregon and of the United States Federal Courts. The arbitrator must file a written
decision with the Chief Executive Officer within 14 days after the hearing. The arbitrator’s decision is final and binding on the parties. If the arbitrator agrees with the member’s objection, the Bar will immediately refund the portion of the member’s dues that are reasonably attributable to the activity, with interest at the statutory rate paid on the amount from the date that the member’s fees were received to the date of the Bar’s refund. If the arbitrator agrees with the Bar, the member’s objection is denied and the file in the matter closed. Similar or related objections, by agreement of the parties, may be consolidated for hearing before one arbitrator.

Article 13 Pro Bono

Section 13.1 Aspirational Standard

Pro bono publico or pro bono service includes all uncompensated services performed by lawyers for the public good. Such service includes civic, charitable and public service activities; as well as activities that improve the law, the legal system and the legal profession. The direct provision of legal services to the poor, without an expectation of compensation, is one type of pro bono service. Each lawyer in Oregon should endeavor annually to perform 80 hours of pro bono services. Of this total, the lawyer should endeavor to devote 20 to 40 hours or to handle two cases involving the direct provision of legal services to the poor, without an expectation of compensation. If a lawyer is unable to provide direct legal services to the poor, the lawyer should endeavor to make a comparable financial contribution to an organization that provides or coordinates the provision of direct legal services to the poor.

Section 13.2 Program Certification

Subsection 13.200 Procedure

In order for a pro bono program to obtain bar certification, the program must submit an application and meet the applicable criteria set forth below. The Bar’s Chief Executive Officer determines whether a program is eligible for certification and this determination is final.

Subsection 13.201 Criteria

(a) Purpose:

The pro bono program must be sponsored by a national, state or local bar association, a court with jurisdiction in Oregon or an incorporated, non-profit or governmental organization, and must provide legal services without fee, or expectation of fee, or for a substantially reduced fee to one or more of the following:

(1) Persons of limited means.
(2) Underserved populations with special legal needs.
(3) Charitable, religious, civic, community, governmental and educational organizations in matters which are designed primarily to address the needs of persons of limited means or underserved populations with special legal needs.

(b) Compensation:
The pro bono program must not provide any compensation to the participating lawyers, except to cover filing fees or other out-of-pocket expenses or to provide professional liability insurance for the pro bono activity.

(c) Fees:
The pro bono program must deliver legal services to clients at no fee or for a substantially reduced fee. Nominal administrative fees are allowed. Donations from clients, whether encouraged or not, are not considered fees. The pro bono program should prohibit or limit the handling of cases that are clearly fee-generating, and provide for the referral of such cases.

(d) Quality Control:
The program must demonstrate that it has the necessary expertise and quality control to administer a program involving volunteer lawyers. This should include appropriate matching of pro bono lawyers to cases, an effective grievance procedure and adequate tracking and record keeping systems regarding pro bono involvement.

(e) Diversity:
The program must comply with Article 10 of the Bar’s Bylaws (Diversity), both in regard to participating lawyers and clients.

(f) Professional Liability Coverage
The program will provide professional liability coverage for otherwise uncovered attorney volunteers when those attorneys provide legal services to pro bono clients.

Subsection 13.202 Volunteer Recognition
Recognition under this paragraph is intended to provide encouragement, in tangible form, to those Oregon Pro Bono programs and their volunteer lawyers, who help meet the need for legal services by providing direct representation to low-income individuals. As part of its annual planning process, the Board will consider the ways in which the Bar can acknowledge the volunteer efforts of Oregon lawyers, particularly those lawyers who provided at least 40 hours of pro bono services through programs certified under this policy. In so doing, the Board will seek input from bar staff and appropriate bar committees.

Article 14 Committees

Section 14.1 Standing and Special Committees
Standing or special committees of the Bar or any member or officer of those committees may be appointed or discharged by the President or the Board.

Section 14.2 Joint Committees
The Board has from time to time agreed to create joint committees between the Bar and other professional groups to develop better understanding between the two groups and to assist in resolving problems of mutual concern. These joint committees comprise a certain number of bar members and a certain number of members of other professional associations. All Bar Bylaws relating to committees apply to these joint committees. Lawyer members who participate in these joint
committees are prohibited from engaging in any activity that seeks to restrain other groups of professionals from engaging in lawful professional activities.

Section 14.3 Committee Responsibilities
Committees are established so that members can study issues within the committee’s charge and make recommendations to the Board. Before January 1 of each year the Board will forward a committee charge to the chair of each committee. This charge outlines the committee’s ongoing general activities as well as specific issues to be considered for the year. The Board will consult with the previous committee members before adopting the committee charge. Committees may also recommend issues to the Board to be included in the charge at any time.

Section 14.4 Membership
All members of standing committees must be active members of the Bar. All members of standing committees typically serve on a three-year rotating basis. The Board may reappoint members to a committee, if the Board makes a finding of extraordinary circumstances that warrant a reappointment. Each year the Board appoints new members constituting one third of each committee. Terms begin on January 1. The Board will solicit member preference for serving on committees throughout the year. The Board appoints members to fill vacancies that occur throughout the year. These vacancies occur because members resign or are unable to participate fully in the committee. The board may appoint advisory members or public members, as it deems appropriate.

Section 14.5 Financial Issues
Committees have no budget; although they may make recommendations regarding the expenditure of funds already budgeted in a particular program area. A committee cannot incur any expense without prior authorization from the Chief Executive Officer.

Section 14.6 Legislation
Each committee must designate a member of the committee as a contact for legislative information and involvement. This member is to work with and coordinate all activities with the Director of Public Affairs and the Public Affairs Committee of the Board.

Section 14.7 Administrative Services
The Bar’s meeting rooms will be available on a first-come first-served basis. All committees are encouraged to use the Bar’s meeting rooms whenever possible. The Bar will assist committees with providing meeting notices in accordance with the requirements of the Public Meetings Law. If the Bar does not produce the meeting notice, the committee member who produces the notice must provide a copy to the Bar. The Bar will assign a bar liaison to each committee. The bar liaison serves as a resource of information for the committee. Each committee will have a contact person who is a member of the Board. It is not anticipated that the board member will attend the meetings of the committee on a regular basis.
Section 14.8 Committee Reports
Each committee must file an annual report of its activities with the Chief Executive Officer for the preceding year by December 1 of each year. Other reports may be required from time to time.

Section 14.9 Quorum for Meetings
A quorum, consisting of a majority of the committee members, is required for the transaction of committee business. No recommendation of a committee to the Board of Governors is valid if made without a quorum present, but the absence of a quorum does not preclude a committee from studying or discussing any issue within the committee’s charge. Action of the committee will be by majority vote of those voting.

Article 15 Sections

Section 15.1 Purpose
Sections are entities of the Bar created by the Board to further the Bar’s mission to serve justice and the public interest by promoting respect for the rule of law, improving the quality of services, and increasing access to justice. Sections are governed by section executive committees and strive to provide Bar members who share interests in particular substantive areas of law with a forum for improving legal skills and knowledge, improving the law and administration of justice, exchanging ideas and information, and engaging in pro bono service and other activities to increase access to justice.

Section 15.2 Formation and Sunset

Subsection 15.200 Petition
Any 200 members of the Bar who wish to form a section in a particular area of law may submit a petition to the Board to create a section. The petition must state that the signators are committed to becoming members of the section, if the Board approves forming the section.

Subsection 15.201 Formation
Factors the Board must consider in deciding whether to create a section include, but are not limited to, whether the proposed section duplicates or could be incorporated into another section and whether the proposed section is consistent with the mission of the bar.

Subsection 15.202 Merger, Reorganization, Sunset
The Board may merge, reorganize or abolish sections at the request of affected sections or as the Board deems appropriate. Factors that the Board must consider include, but are not limited to, the requirements outlined in Standard Section Bylaws, Article XII, Section 2.

Section 15.3 Policies and Bylaws
Sections are governed by section executive committees, pursuant to the Standard Section Bylaws and Board policies adopted by the Board as well as these Bylaws.
Section 15.4 Finances

(A) The Board must approve the dues for each section. Each section should set dues at an appropriate level to pay for programs and activities. The Bar will assess and collect section dues.

(B) The Bar charges each section a per capita fee for administrative services. This fee is recalculated periodically as determined by the Chief Executive Officer. Sections with a fund balance as of December 31 equal to or less than two years of section membership fees will be charged a fee equal to 50 percent of the per capita fee. Sections with a fund balance as of December 31 exceeding two years of section membership fees will be charged the full per capita fee for the following year. A section may request a waiver to maintain a larger fund balance by submitting a written request to the Board by October 15, outlining the specific event or program for which the funds are needed.

(C) No section may maintain a separate bank account. Each section’s receipts and expenditures are handled by the Bar and accounted for in the section’s monthly financial statement provided by the Bar. Interest on section accounts accrues to the Bar’s General Fund and is used to offset the calculation of the per capita fee.

Section 15.5 Section Contracts and Administrative Services

(A) Sections seeking to contract for any goods or services with organizations or individuals or seeking to amend or cancel existing section contracts must contact the OSB’s Office of General Counsel for assistance. General Counsel must review and approve all contracts and contract amendments before a contract or amendment is finalized. Only the CEO or the CEO’s designee may enter into verbal or written contracts on behalf of a section or the Bar, upon request of the section.

(B) Any damages and penalties incurred by the Bar as a result of a section contract will be assessed to the section, unless the Board specifically authorizes damages and penalties to be charged to the Bar’s General Fund.

(C) Special services of the Bar that are not included in the calculation of the per capita assessment may be made available at cost to the sections upon adequate notification to and negotiation with the Bar. Sections must give the Bar the first opportunity to provide the support services before contracting with outside organizations or individuals.

Section 15.6 Continuing Legal Education Activities

Subsection 15.600 CLE Seminars Scheduling

The Bar is the informational clearinghouse for the CLE activities of each section. To allow the Bar to perform its role, each section must advise the Bar’s CLE Seminars Department of all proposed section CLE activities at the earliest possible date.

Subsection 15.601 CLE Event Co-sponsorship with Bar

 Sections that provide CLE programs of four MCLE credit hours or more must co-sponsor such a program with the Bar’s CLE Seminars Department at least once out of every three years. The CEO will establish policies sections must adhere to when co-sponsoring CLE events.
Subsection 15.602 CLE Event Registration

Sections must use the Bar’s registration services for all section CLE programs. The Chief Executive Officer will determine the cost to provide registration services and establish policies sections must follow when using bar registration services. Sections are responsible for applying and paying for Minimum Continuing Legal Education credit for seminars not co-sponsored with CLE Seminars.

Subsection 15.603 Oregon State Bar Logo

A section that plans a seminar or a publication without the co-sponsorship by a bar department must indicate clearly on all publicity, printed seminar materials and publications that the seminar or publication is a section endeavor and list the name of the sponsoring section. The section may not use the Oregon State Bar logo or the phrase Oregon State Bar CLE.

Section 15.7 Grants and Donations

Subsection 15.700 Grants

Sections may apply for grants only with prior approval of the Board of Governors. The board will allow grant applications only upon a showing that the grant activity is consistent with the section’s purposes and the mission of the bar. The board may disallow any application that the board does not believe is in the best interests of the bar. The grant application must be reviewed and approved by OSB General Counsel before submission to the grant-making organization. Any grant funds received by a section shall be deposited with the bar and will be distributed only upon request of the section treasurer and in accordance with the grant specifications. The section must periodically report to OSB General Counsel regarding the status of the grant project and any reports to the granting organization must be reviewed and approved by OSB General Counsel in advance of submission.

Subsection 15.701 Donations, Scholarships and Stipends

Sections may make donations to charitable causes or organizations of section funds, including donations characterized as grants or sponsorships, only with prior approval of the Chief Executive Officer. The Chief Executive Officer may allow such donations on a showing by the section that the donation will further the bar’s statutory mission, does not commit bar funds to issues that are divisive or result in creating factions within the profession, and otherwise complies with law. The Chief Executive Officer will maintain a list of approved recipients.

Sections may make donations to charitable organizations, governmental entities or the Bar’s Diversity & Inclusion Department to fund scholarships or stipends for law students or recent law school graduates only with the prior approval of the Chief Executive Officer. Any approved scholarships or stipends must be administered by the charitable organization, governmental entities, the Bar’s Diversity & Inclusion Department, or another third party, and must otherwise comply with law.

Section 15.8 Legislative and Policy Activities

Sections may not represent to any person, including the legislature or any individual, committee or agency thereof, a position or proposal or any bill or act, as the position of the Section without the majority approval of the members of the section executive committee and prior approval of the Board. Sections that wish to sponsor legislation
or take a position on any bill, rule or public policy issue must submit details of the proposal to the Bar’s Public Affairs Department, which will inform the Board. Section requests that are time-sensitive will be presented to the Board’s Public Affairs Committee, or the Public Affairs Committee chair, as appropriate, for consideration. Sections must keep the Bar’s Public Affairs Department informed about the status of section legislative and policy-related activities.

**Section 15.9 Communications**

Section communications are communications of the Bar and are subject to the requirements outlined in Articles 10, 11 and 12 of these Bylaws. All section communications must also comply with all bar communications policies. Section communications include, but are not limited to, CLE events and programming, newsletters, websites, blogs, social media pages, and section statements on listserves. The Chief Executive Officer has discretion to determine if section communications comply with this section.

The BarBooks™ online library comprises all Legal Publications products as well as other materials as the Bar deems appropriate to include from time to time. BarBooks™ is a benefit of active membership in the Oregon State Bar and is available for purchase by inactive members, non-members, and libraries.

Subsection 16.301 Discounts on Print Books
Discounts on the purchase of OSB print legal publications, when available, will be allowed to the following: Law school bookstores, law professors when teaching a course using the particular publication, libraries, and members of the Bar within one year following their admission.

Subsection 16.302 Volunteer Copyright Agreement
Each volunteer author of a legal publication will sign a Volunteer Copyright Agreement under which the author retains the copyright in his or her chapter, and grants to the Oregon State Bar a nonexclusive right to include the chapter within the Publication as a collective work; to use, distribute, or sell the collective work in any manner the OSB deems appropriate; to revise the collective work, including his or her chapter, for use, distribution or sale as a subsequent edition of the collective work, a revision of the collective work, or as an entirely new publication; with the Oregon State Bar and its licensees having similar rights to use, distribute, or sell the collective work in any manner they deem appropriate.

Article 18 Discipline

Section 18.1 State Professional Responsibility Board

Subsection 18.100 Duties
The State Professional Responsibility Board ("SPRB") is authorized to exercise its powers and authority pursuant to statute, the rules of procedure and the Bar’s bylaws. The SPRB will meet regularly pursuant to the call of the chairperson to consider complaints and other matters within its jurisdiction. The SPRB will receive the counsel and advice of the Office of Disciplinary Counsel of the Bar. Disciplinary Counsel will regularly report to the Board of Governors regarding actions taken by the SPRB. The SPRB may proceed with business if a quorum of six members is present at any meeting and act by a vote of a majority of those present.

Subsection 18.101 Composition
The SPRB will consist of eight resident active members of the Bar and two at large public members nominated by the Board of Governors and appointed by the Supreme Court. The Board of Governors annually will nominate and request the Supreme Court to appoint one attorney member of the SPRB to act as its chairperson. All lawyer members of the SPRB are appointed for terms of not more than four years from the following regions: two members from region five and one member from each of the other Board of Governors regions located within the state of Oregon. The two public members are appointed for terms of not more than four years. No member may serve more than four years consecutively. Members are eligible for reappointment to a nonconsecutive term not to exceed four years. The Board of Governors may nominate and request the Supreme Court to appoint replacement members of the SPRB as the need arises.

Subsection 18.102 Expenses
All members of the SPRB will receive the same reimbursement of expenses as is accorded the members of the Board of Governors.

Subsection 18.103 Notice to the Respondent
Disciplinary Counsel will notify the respondent as soon as possible after the SPRB has directed the institution of a formal disciplinary proceeding against the respondent. The notice will contain a statement that all communications on the merits of the
matter must be restricted to the lawyers in Disciplinary Counsel’s office and with appointed counsel for the Bar and that an accused must not contact a member of the Board of Governors, the SPRB, or any other employee, agent or representative of the Bar regarding the matter.

Subsection 18.104 Disclosure of Contacts
If a complainant, respondent or their representatives contact a SPRB member concerning the merits of a disciplinary complaint, the SPRB member contacted must make a full disclosure of the nature of the contact before the SPRB takes action on the complaint.

Section 18.2 Letters of Admonition
(A) A disciplinary investigation, whether in response to a complaint filed with the Bar or otherwise instituted as authorized by law, may be terminated after investigation by the SPRB’s issuing a letter of admonition.
(B) An admonition does not constitute the imposition of formal discipline. An admonition is, however, a public statement that the lawyer’s conduct, in the opinion of the SPRB, violated the Rules of Professional Conduct of the Bar.
(C) An admonition may be issued, at the discretion of the SPRB, only when a Rule of Professional Conduct has been violated and if in light of all circumstances, the violation was not aggravated, but was of sufficient concern that dismissal would be inappropriate.
(D) The procedure for issuing letters of admonition is provided in the Rules of Procedure. If accepted, a letter of admonition will be placed in the lawyer’s personal file maintained by the Bar.

Section 18.3 Recovery of Costs/Collection of Judgments
The bar will pursue, as feasible, collection of those costs and disbursements for which a judgment was awarded to the Bar in a disciplinary or reinstatement proceeding.

Section 18.4 Disciplinary Correspondence
Members of the Board of Governors or other bar officials may receive occasional correspondence related to disciplinary matters. All such correspondence, including letters from complainants or accused lawyers, must be forwarded to Disciplinary Counsel for response. Disciplinary Counsel need not send a copy of any response to the board member or bar official to whom the initial correspondence was addressed. Any correspondence alleging an ethics complaint about Disciplinary Counsel or General Counsel must be sent directly to the chairperson of the SPRB pursuant to BR 2.6(gf), with a copy to the staff member named in the complaint.

Section 18.5 Removing Lawyers from the Lawyer Referral Service Panel of Lawyers
Members of the Bar against whom charges of misconduct have been approved for filing will be removed from the Lawyer Referral Service panel of lawyers until those charges have been resolved. If a member is suspended as a result thereof, the member may not be reinstated to the panel until the member is authorized to
practice law again. Charges of misconduct include those authorized to be filed pursuant to BR 3.4.

Section 18.6 Suspension of Service

Subsection 18.600 Applicability to SPRB
The service of members of the State Professional Responsibility Board against whom charges of misconduct have been approved for filing by the State Professional Responsibility Board is suspended until the charges filed against them have been resolved. If a member is suspended as a result thereof, the member may not resume service on the board until the member is once again authorized to practice law. Charges of misconduct include those authorized to be filed pursuant to BR 3.4.

Subsection 18.601 SPRB Replacements
The Board of Governors may nominate and request the Supreme Court to appoint a temporary replacement to serve until the member suspended under this bylaw is again able to serve. The temporary replacement will have the same rights and responsibilities as any other member of the entity.

Section 18.7 Adjudicator
The Adjudicator is the Disciplinary Board statewide adjudicator, who is authorized to exercise his or her powers and authority pursuant to statute, the rules of procedure and the Bar's bylaws. The Adjudicator is appointed by and serves at the pleasure of the Oregon Supreme Court, and is an employee of the Oregon State Bar.

Article 19 Legal Ethics Questions and Opinions

Section 19.1 General Counsel’s Office

Subsection 19.100 Submission and Questions
All legal ethics questions regarding the propriety of a proposed course or act of professional conduct or the intent or interpretation of a rule or statute regulating the professional conduct of members of the Bar must be submitted or referred to General Counsel's office. Legal ethics questions may be submitted in writing or by telephone.

Subsection 19.101 Determination by General Counsel
General Counsel's office will determine whether the matter appears to present or involve a question of ethics or professional conduct and whether the inquirer has provided facts sufficient to permit the formulation of an opinion. General Counsel's office may ask the inquirer to submit necessary additional facts or may advise the inquirer that no question of ethics or professional conduct is presented or involved.

Subsection 19.102 Ethics Advice to Bar Members
General Counsel’s office will endeavor to assist bar members in analyzing the ethics of the inquirer’s prospective conduct and may provide reactions to the questions presented. General Counsel will not offer an ethics opinion on past conduct by other members, except to assist a member to determine whether conduct described
implicates the inquiring member’s duty to report another lawyer’s misconduct under Oregon RPC 8.3. Ethics questions and responses are not confidential and communications with General Counsel’s office are not privileged. No attorney-client relationship is intended or created by such communications with the Bar. Members should submit ethics questions in a hypothetical form that does not disclose client confidences, or obtain their client’s informed consent prior to disclosure. Materials submitted to General Counsel in connection with ethics inquiries are public records, and may be disclosed by General Counsel to the public, the Client Assistance Office or Disciplinary Counsel’s Office.

**Subsection 19.103 Application of Oregon RPC 8.6**

For Oregon RPC 8.6 to apply to a request for ethics assistance, a member must put his or her ethics question in writing. General Counsel’s office will respond in writing as time allows. The Bar will retain all written ethics assistance requests and General Counsel’s office responses for at least five years and those requests are public records. General Counsel’s office has the discretion to decline to provide a written response, if it determines that the question should be considered by the Legal Ethics Committee due to the difficulty, complexity or novelty that the question raises or the difficulty or complexity of an appropriate response. Members must provide General Counsel’s office and the Legal Ethics Committee with accurate, and as complete as possible, explanations of the facts underlying their ethics questions.

**Section 19.2 Limitation of Advice**

Responses and opinions provided by General Counsel’s office, the Legal Ethics Committee and the Board of Governors are limited to and deemed to address only the facts as submitted in writing by the inquirer.

**Section 19.3 Legal Ethics Committee**

**Subsection 19.300 Response to Inquiries**

A bar member may request that a question be submitted to the Legal Ethics Committee. The chair of the Committee will assign those requests and questions submitted directly to the Committee to one or more committee members to prepare a response. Inquiries submitted to the Committee should be anonymous, insofar as possible. To preserve anonymity, if the facts are inadequate to permit the formulation of an opinion or a direct answer, General Counsel’s office may ask for submission of necessary additional facts. On receipt of those additional facts, General Counsel’s office will promptly submit them to the assigned member of the Committee. The Committee may, in its discretion, write opinions on subjects that the Committee believes would be helpful to the membership, whether or not the Committee receives a specific inquiry on the subject. Such opinions will be handled in the same fashion as opinions based on specific questions.

**Subsection 19.301 Formal Opinion Process**

The Committee will review and discuss all responses prepared by individual members and will, by majority vote, determine whether the response should be referred to the Board of Governors to be issued as a formal opinion or whether it should be issued by the Committee as a letter of direct advice to the inquirer. The Committee will establish and will periodically review guidelines for determining the appropriate form
of response. Members may use formal opinions and letters of direct advice issued by the Committee in the same manner and to the same effect under Oregon RPC 8.6 as written responses from General Counsel’s office. When the Committee approves an opinion and recommends formal publication, General Counsel’s office will place a copy of the opinion on the Board’s next meeting agenda. All dissents, comments of substance or minority opinions will also be placed on the Board’s agenda. The Board will review the proposed opinion and either approve it for formal publication, refer it back to the Committee for further study or revision or direct that no opinion be issued in the matter. The Board may also distribute the opinion to the membership for comment before making a final decision. All opinions that the Board designates to be issued as formal opinions will be published in Oregon Formal Ethics Opinions (OSB 2005) and on the Bar’s website.

At least two members of the Committee must be members of the general public and no more than one-quarter of Committee members may be lawyers engaged in the private practice of law.

**Section 20.3 Investigative Authority**

Pursuant to ORS 9.164 and BR 12.2, the Committee shall investigate complaints of the unlawful practice of law. The Committee may decline to investigate allegations of unlawful practice of law when: the allegations are not made to the Committee in
writing; the administrator determines the allegations do not involve the unlawful practice of law, or; the allegations consist only of printed or electronic materials, advertisements or other solicitations describing services that cannot reasonably be construed as legal services.

Section 20.5 Processing Unlawful Practice of Law Complaints

Subsection 20.500 Investigation

On receiving a complaint of unlawful practice of law, the Administrator will give the complaint a case number and assign it to a committee member for investigation. The committee member may only employ methods in his or her investigation that comply with the Rules of Professional Conduct. Upon completion of the investigation, the investigator will submit a written report to the Committee with an analysis of the relevant facts and law and a recommendation for disposition.

Subsection 20.501 Dispositions

Upon receipt and review of the investigator’s report, the Committee may either continue the matter for further investigation and revisions to the report or make one of the following dispositions:

(a) Closure.

This disposition is appropriate when the Committee has insufficient evidence to prove that the accused engaged in the unlawful practice of law. The Committee may reopen a closed matter if it receives additional information or evidence of the unlawful practice of law by the accused.

(b) Informational Letter.

This disposition is appropriate when the Committee has insufficient facts evidence to prove that the accused has engaged in the unlawful practice of law, and believes that the accused would benefit from receiving additional information about what the Court has determined constitutes the unlawful practice of law. The letter will notify the accused that the investigation is concluded, and state that the accused may wish to seek legal advice about whether any specific practice constitutes the unlawful practice of law.

(c) Referral to Board of Governors for initiation of proceedings under ORS 9.166.

(1) Filing suit for injunctive relief is appropriate when (i) the Committee has clear and convincing evidence to establish that the accused engaged in the unlawful practice of law, (ii) the practice is ongoing or likely to recur, and (c) a member of the public has been harmed or is likely to be harmed as a result of the accused’s unlawful practice of law.

(2) Filing suit for contempt relief is appropriate when a) a court has entered an injunction against the accused b) the Committee has clear and convincing evidence to establish that the accused continues to engage in the unlawful practice of law and c) a member of the public has been harmed or is likely to be harmed as a result of the accused’s unlawful practice of law.

(3) The Committee may decline to request authorization from the Board to initiate proceedings allowed under to ORS 9.166 in favor of other resolutions provided in these rules.
(d) Referral to or Cooperation with Other Agency or Bar Department.

This disposition is appropriate when the Committee determines that another agency or department is better positioned to investigate or address the complaint, including but not limited to when:

1. The allegations involve activity prohibited by law, ordinance or statute within the jurisdiction of a federal, state or local agency;
2. The accused is or has been the subject of an investigation, action, injunction or review by a federal, state or local agency;
3. An agency, on review of the allegations before the Committee as to an accused, indicates a desire to pursue further investigation;

Section 20.6 Bar Counsel

Subsection 20.600 Role of Bar Counsel

After authorization by the Board to pursue an action under ORS 9.166, the Administrator may retain counsel to represent the Bar in the action and will report periodically to the Committee and Board on the status of the litigation. Subsection 20.601 Settlement Authority

After authorization by the Board to pursue an action under ORS 9.166, the Administrator may negotiate a settlement of the unlawful practice litigation before or after the filing of a circuit court complaint by way of agreement with the accused to discontinue the unlawful practice of law. The agreement is subject to and does not become effective until approved by the Committee.

Subsection 20.602 Referral to Bar Counsel

When a new complaint of unlawful practice of law involves an accused against whom the Board has already authorized suit, the administrator refer the matter directly to bar counsel without obtaining prior authorization from the Committee or the Board. Section 20.7 Public Outreach and Education

Subsection 20.700 Public Outreach

Committee may cooperate in its education efforts with federal, state and local agencies tasked with preventing consumer fraud

**Subsection 7.701 Informal Advisory Opinions**

The Committee may write informal advisory opinions on questions relating to what activities may constitute the practice of law, pursuant to BR 12.3(b). Opinions must be approved by the Board before publication. The published opinions are not binding, but are intended only to provide general guidance to lawyers and members of the public about activities that Oregon Supreme Court precedent and Oregon law indicate may constitute the unlawful practice of law.

**Section 20.8 Records**

When the investigation of a complaint is concluded, the investigator must deliver all records and documents created or obtained in the investigation to the Bar. Records will be kept in accordance with the Bar’s records retention policy.

**Article 21 Client Security Fund**

The Chief Executive Officer or General Counsel of the Bar will continue, as feasible, collection efforts in each instance in which Client Security Fund (“CSF”) money is paid out. The status of any such outstanding judgments shall be reviewed at least annually by the CSF Committee and the Board.

**Article 22 Fee Arbitration**

(A) The Bar may provide for a fee arbitration procedure whereby fee disputes between attorneys maintaining offices in Oregon and their clients or other attorneys are submitted to arbitration panels for resolution. Such a procedure shall be administered through General Counsel, pursuant to rules approved by the Board.

(B) The Bar’s fee arbitration procedure is a private, contract dispute resolution mechanism and not the transaction of public business.

(C) Except as provided in (E) below, or unless all parties to an arbitration agree otherwise: all records, documents, papers, correspondence and other material submitted by the parties to General Counsel or to an arbitration panel during the course of an arbitration proceeding and any award rendered by an arbitration panel is not subject to public disclosure.

(D) Arbitration hearings conducted pursuant to the Bar’s fee arbitration procedure will be closed to the public unless all parties to an arbitration agree otherwise. Witnesses who will offer testimony on behalf of a party may, however, attend the arbitration hearing.

Article 23 Professional Liability Fund

Section 23.1 Board of Directors
The Professional Liability Fund ("PLF") will conduct its business through a Board of Directors appointed by the Board of Governors. The PLF Board consists of nine members, seven of which must be active, resident members of the Bar and two of which must be non-lawyers. The terms of office of PLF Board members is five years, as staggered by the Board of Governors, with the term of office of each board member beginning on January 1 of each year. The Board of Governors may remove any member of the PLF Board without cause and must fill the positions that become vacant as expeditiously as possible to ensure continuity in the governance of the PLF. Persons appointed to fill vacancies on the Board of Directors serve the unexpired term of the member who is replaced. If a replacement appointment to an unexpired term is for two (2) years or less, the Board of Governors may thereafter reappoint that person to a term of up to five years. In considering the length of the reappointment, the Board will take into account the experience level of the PLF Board of Directors and the effect on the rotation cycle of the Board of Governors. At the request of two-thirds of the members of the Board of Directors, the Board of Governors may appoint the immediate past PLF Chief Executive Officer to the Board of Directors for a period not to exceed one year following their resignation or retirement from the PLF CEO position. The former PLF CEO will be a non-voting, tenth member of the Board of Directors.

Section 23.2 Authority
The Board of Governors vests in the Board of Directors of the PLF the authority that is necessary and convenient to carry out the provisions of ORS 9.080 relative to the requirement that all active members of the Oregon State Bar in the private practice of law in Oregon carry professional liability coverage, the establishment of the terms of that coverage and the defense and payment of claims under that coverage. The Board of Directors of the PLF must recommend to the Board of Governors appropriate requirements for PLF coverage and amounts of money that active members in the private practice of law will be assessed for participation in the PLF.

Section 23.3 Operation
Subject to the authority of the Board of Governors to take the action that is authorized by ORS 9.080 and its authority to amend these policies to provide otherwise, the Board of Directors of the PLF has sole and exclusive authority and responsibility to operate and manage all aspects of the PLF. The Board of Directors of the PLF has authority to adopt its own bylaws and policies to assist it in conducting the business of the PLF. No PLF bylaw, coverage plan, or assessment, or amendment thereto, can take effect until approved by the Board of Governors. The policies of the PLF must be consistent with the Bar’s Bylaws regarding the PLF and will be effective on approval by the PLF Board of Directors, subject to review and ratification by the Board of Governors within 60 days after notice of the policies has been given to the Board of Governors.

Section 23.4 Reports
The PLF must present an annual report to the bar membership.
Section 23.5 Relationship with the Board of Governors

Subsection 23.500 Liaisons

(a) It is the goal of the Board of Governors that there be free, open, and informal communication between the Board of Governors and PLF Board of Directors. Constructive communication among Board of Governors members, bar management, PLF Board of Directors members and PLF management is encouraged; however, in such communication it is recognized that the authority to manage the PLF is vested in the PLF Board of Directors.

(b) Each year the President of the Bar appoints two lawyer members of the Board, and one public member of the Board to serve as liaisons with the PLF Board of Directors.

(c) At least one of the Board’s PLF liaisons must be present at each meeting of the PLF Board of Directors and each attending Board of Governors PLF liaison must make every effort to attend those meetings in person rather than by telephone.

(d) The PLF CEO or the CEO’s designee must make a report at each meeting of the Board of Governors regarding the significant activities of the PLF and any matters regarding the PLF requiring action by or the attention of the Board of Governors.

(e) The Board of Governors’ PLF liaisons are responsible for keeping the Board advised of the activities of the PLF to ensure good communications between the Board of Governors and the PLF Board of Directors and to ensure that the Board is fully informed of the background and rationale for all PLF bylaw, policy, coverage plan, and assessment recommendations to it. The Board’s PLF liaisons must not participate in the consideration of any specific PLF claim or other confidential PLF matter except as provided in PLF Policy 4.250(D) (Bar and/or Board of Governors is/are named parties in an action).

Subsection 23.501 Reports

The PLF must regularly provide to the BOG the following:

(a) All financial statements when completed;

(b) All minutes of meetings of the Board of Directors of the PLF or committees of the Board of Directors, excepting the parts that are made confidential by Oregon Revised Statues;

(c) All reports of investment performance and changes in investments;

(d) All proposed changes in the primary and excess coverage plans with an explanation of the reasons for and effects of the changes;

(e) On or before October 1 of each year, the proposed assessment for primary coverage along with the actuarial reports and the information described in Subsection 23.600 of the Bar’s Bylaws to enable the Board of Governors to understand and evaluate the proposed assessments;

(f) A report generally describing the previous year’s excess enrollment, including total firms enrolled, total lawyers and gross premiums from the excess program;

(g) All projections, forecasts, prospective financial statements and the like prepared by or for the PLF;
(h) Any other information that the Board of Governors may request to assist it in discharging its responsibility to the membership of the Bar.

**Subsection 23.502 Release of Information**

All requests by the Board for confidential claim file information from the Professional Liability Fund must be directed by the President of the Board of Governors to the Chair of the PLF Board of Directors. No such material or information will be released by the Board of Governors without first receiving the approval for release from the Chair of the PLF Board of Directors. The Board of Governors must coordinate and consult with the Chair of the PLF Board of Directors before releasing public statements regarding the PLF and its operations.

**Subsection 23.503 BOG Members Participating in PLF Claims**

A member of the Board of Governors who is representing either the plaintiff or the PLF in a PLF-covered claim shall not participate in any discussion of a PLF-related matter that comes before the Board of Governors. During the course of the representation, at any time that a PLF-related matter comes before the Board of Governors, the Board of Governors members shall announce the fact of the representation and recuse himself or herself from discussing or otherwise participating in the matter. The minutes of Board of Governors meetings shall reflect the announcement and the recusal.

**Subsection 23.504 Annual Meeting**

The Board of Governors will invite the PLF Board of Directors and the PLF management to meet annually with the Board of Governors to: Discuss the results of the business of the PLF for the preceding calendar year; discuss the PLF’s long-range plans and goals; generally inform the Board of Governors of the condition of the PLF and discuss matters of common interest to the Board of Governors and the PLF. This meeting must occur as soon as practicable after completion of the year-end financial reports of the PLF, or by May 1st of each year, whichever is earlier.

**Subsection 23.505 Audit**

The Board of Governors may cause a special audit of the performance and financial statement of the PLF in addition to the statutory audit. Special audits are at the expense of the general membership of the Bar.

**Subsection 23.506 Location of Office**

The physical location of the PLF will be determined by the Board of Governors on recommendation of the PLF Board of Directors.

**Subsection 23.507 Staff Responsibility**

The Chief Executive Officer of the Bar and the bar staff have no responsibility or authority with respect to the management of the PLF. However, because the PLF is a function of the Bar, the Chief Executive Officer and bar staff will cooperate with the Board of Directors of the PLF, its Chief Executive Officer, and staff in all areas of the PLF’s business and activities. Likewise, it is expected that the PLF Chief Executive Officer and staff will cooperate with the Bar, its Chief Executive Officer and staff in all areas of the Bar’s business and activities. The Chief Executive Officer of the Bar will make the PLF aware of all personnel and other policies of the Bar so that there may
be uniformity for all bar functions recognizing, however, that the nature of the PLF may justify deviations from such policies in certain circumstances.

**Section 23.6 Assessment**

**Subsection 23.600 Principles**

The Board of Governors recognizes that the assessment for coverage is derived by the prudent application of actuarial principles, responsible evaluation of past and present operations and investments of the PLF and judgments about future revenue and losses. Assessments vitally affect the members of the Bar and the public, which must rely on the general availability of a wide range of legal services. The PLF has the responsibility to submit to the Board of Governors its recommended assessment for the subsequent year (or any mid-year special assessment) supported by a report evidencing: The actuarial principles and assumptions used in the proposed assessment, the evaluations of the past and current operations and investments of the PLF with respect to their effect on the proposed assessment, the judgments and assumptions employed about future revenue and losses, and all other factors that the PLF believes will or may affect the adequacy and appropriateness of the proposed assessment. The Board of Governors must review the proposed assessment, the PLF's reports, and such other information as may be appropriate. On completion of the review, the Board of Governors must adopt an assessment that it reasonably believes to be actuarially prudent and reasonably believes will provide assurance of continued financial stability of the PLF.

**Article 24 Attorney Assistance**

**Section 24.1 Creation and Purpose**

There is hereby created, pursuant to ORS 9.568, the State Lawyers Assistance Committee ("SLAC") and the Professional Liability Fund Personal and Practice Management Assistance Committee ("PLF-PPMAC"). The purpose of the SLAC is to supervise and assist lawyers whose performance or conduct may impair their ability to practice law or their professional competence. The purpose of the PLF-PPMAC is to provide voluntary personal and practice management assistance to lawyers.

**Section 24.2 Authority**

**Subsection 24.200 State Lawyers Assistance Committee**

The SLAC has authority:

(a) To receive, review, investigate, process and resolve all complaints and referrals to SLAC regarding lawyers whose performance or conduct may impair their ability to practice law or their professional competence.

(b) To require lawyers within SLAC's jurisdiction to submit to a professional assessment and diagnosis and to comply with any remedial program that SLAC has established. A remedial program may include conditions on the law practice and other law-related activities of any lawyer found to be within SLAC's jurisdiction. Conditions may include, but are not limited to, requiring a lawyer to obtain medical or psychological treatment at his or her expense and to discontinue the practice of law and/or law-related activities pending completion of such treatment.
(c) To monitor a lawyer’s compliance with the recommended measures of a remedial program.

(d) To maintain records regarding a lawyer’s assistance referrals.

(e) To prepare an annual report to the Board of Governors.

(f) To recommend, for approval by the Board of Governors, such rules as may be necessary to properly operate SLAC.

(g) To appoint local bar members as it may deem appropriate for carrying out the work and purpose of SLAC.

Subsection 24.201 Professional Liability Fund Personal and Practice Management Assistance Committee

The Professional Liability Fund Personal and Practice Management Assistance Committee ("PLF-PPMAC ") has the authority to provide assistance to lawyers and judges who are suffering from impairment or other circumstances that may adversely affect professional competence or conduct and may also provide advice and training in law practice management. The PLF-PPMAC may provide this assistance through the PLF’s Oregon Attorney Assistance Program and the Practice Management Advisor Program and by the use of the PLF staff and volunteers.

Section 24.3 Composition

Subsection 24.300 State Lawyers Assistance Committee

The board may appoint members and public members as it deems appropriate.

Subsection 24.301 Professional Liability Fund Personal and Practice Management Assistance Committee

The PLF-PPMAC consists of the members of the PLF’s Board of Directors. The PLF will have authority to promulgate rules concerning the provision of assistance by the PLF-PPMAC which, on approval by the Board of Governors, will govern its activities.

Section 24.4 State Lawyers Assistance Committee Review and Intake

Subsection 24.400 Complaints and Referrals

(a) Any person may submit directly to SLAC, either orally or in writing, the name of any lawyer whose performance or conduct appears to be impairing the lawyer’s professional competence or ability to practice law. A referral of a lawyer to SLAC should include a description of the circumstances and copies of any relevant documents. SLAC members who are contacted regarding a complaint or referral will obtain preliminary information and refer the matter to the chairperson. The chairperson will confirm receipt of a referral in a letter to the person making the referral. The letter must contain a disclosure substantially as follows:

"We appreciate your interest in bringing this matter to our attention. Our Committee will respond by contacting the lawyer to discuss the problem. It is important for you to understand, however, that the purpose of this Committee is to provide confidential assistance to lawyers who are impaired in the practice of law for reasons such as drug or alcohol problems, emotional problems or lack of competence.
For that reason, we focus our work on determining the specific assistance that the lawyer needs and making sure that the lawyer follows a treatment or assistance program. This Committee does not deal with lawyer discipline issues. All information we receive from you will be kept confidential and will not be reported to the bar disciplinary authorities. If you believe that this lawyer has acted improperly and you wish to make a complaint to the bar, you should write to Client Assistance Office, Oregon State Bar, P.O. Box 231935, Tigard, OR 97281.

(b) If a referral is received from a member of the Bar, the letter required in paragraph (A) must also contain the following statement:

"If you are a member of the Bar, please review Oregon RPC 8.3(a) to determine whether you may have an independent obligation to contact the Bar."

(c) The OSB Client Assistance Office and the OSB Disciplinary Counsel may refer to SLAC the name of any lawyer whose performance or conduct appears to be impairing the lawyer's ability to practice law or professional competence. The referral will include a description of the circumstances and copies of any relevant documents. The State Professional Responsibility Board may refer to SLAC any lawyer whose performance or conduct may be impairing the lawyer’s ability to practice or professional competence whether or not the SPRB authorizes prosecution for misconduct. The chairperson will confirm in writing referrals from the Client Assistance Office, Disciplinary Counsel's Office, or the SPRB.

**Subsection 24.401 Designees**

SLAC members, lawyers and other persons assisting SLAC and employees thereof working on a matter related to the Lawyers Assistance Program authorized by ORS 9.568 are designees of SLAC. Designees are subject to SLAC rules, including the confidentiality requirements set forth in Section 24.701. Appointment of a designee who is not a SLAC member will be at the discretion of the chairperson. Considerations for appointment of such a designee include, but are not limited to, the designee's qualifications, the designee's previous experience with the referred person or with a situation similar to that of the referred person and the location of the referred person and designee. The chairperson will confirm the appointment of a designee. The chairperson will advise the designee of his or her authority and obligations and will include a copy of the SLAC’s rules and other pertinent SLAC information. The designee will be notified of SLAC meetings while the referral is pending and must give regular progress reports to SLAC. Those reports may be given in person, in writing, by telephone or through the chairperson. The appointment of a designee will remain in effect until the case is concluded or SLAC otherwise provides.

**Subsection 24.402 Preliminary Assessment and Intake**

Upon receipt of a referral, the chairperson will assign the matter to one or more designees to conduct a preliminary assessment and make a recommendation to the committee. The Intake designee will gather relevant information regarding the referral including, but not limited to, interviewing the referred lawyers and the person who made the referral, and any other person who may have knowledge about the lawyer's ability to practice law or professional competence.
Prior to making initial contact with the referred lawyer, the SLAC designee will notify the Oregon Attorney Assistance Program (OAAP) of the referred lawyer’s name. If the OAAP informs the SLAC designee that the referred lawyer poses a substantial and imminent risk of harm to the referred lawyer or others, the SLAC designee will wait a reasonable amount of time before contacting the referred lawyer and will coordinate and communicate with OAAP about how to make contact with the referred lawyer.

If, based on the preliminary assessment, the committee determines that the lawyer’s professional competence or ability to practice law may be impaired, SLAC will have jurisdiction over the matter. Otherwise, the matter will be dismissed without further action.

**Subsection 24.403 Notice to Referred Lawyer**

Prior to assuming jurisdiction, SLAC will notify the referred lawyer and provide an opportunity to respond. If jurisdiction is assumed, the chairperson will assign the matter to a designee for case development, notify the referred lawyer of the matter and direct the lawyer to meet with the designee. Notices to the referred lawyer will include a reminder that failure to respond to or cooperate with SLAC is grounds for discipline under Oregon RPC 8.1(c) and may be reported to the proper authority. If a case is not opened, the chairperson will notify the source of the referral that the matter is being dismissed without further SLAC action.

**Section 24.5 State Lawyers Assistance Committee Investigations**

**Subsection 24.500 Meeting with Referred Lawyer**

Within 30 days after notice has been given as provided in Subsection 24.403 of the Bar’s Bylaws, the designee, either individually or with another designee, will meet with the referred lawyer to discuss the nature of the referral, SLAC’s function, the general steps that will be taken, any questions that the referred lawyer may have about the process and the lawyer’s explanation, opinion or questions about the referral.

**Subsection 24.501 Release of Information**

The designee may require the referred lawyer to authorize the release of relevant medical or other background information regarding the referred lawyer to SLAC or to a professional selected to evaluate the referred lawyer. Medical or background information is relevant, if it relates to the referred lawyer’s professional competence or ability to practice law. The referred lawyer may voluntarily provide additional information.

**Subsection 24.502 Professional Evaluation**

The designee may require the referred lawyer to obtain a medical or other diagnostic evaluation from a professional or a panel of professionals selected by SLAC. The scope of the medical or other diagnostic evaluation will be limited to issues related to the referred lawyer’s professional competence or ability to practice law. The designee may inform the medical or other professional of the general nature of SLAC’s concerns but will not disclose to the professional the identity of the referral source or any other confidential information. The lawyer must bear the expenses of the
medical or other diagnostic evaluation, except that SLAC may advance the costs in cases of demonstrated financial hardship.

**Subsection 24.503 Remedial Action Plan**

(a) Based on all the information gathered by the designee, SLAC will consider and determine whether the referred lawyer’s performance or conduct may be impairing the lawyer’s professional competence or ability to practice law. If SLAC finds that the lawyer’s performance or conduct may not impair the lawyer’s professional competence or ability to practice law, the matter will be dismissed and the lawyer notified of the disposition of the matter. If SLAC finds that the lawyer’s professional competence or ability to practice law is impaired, SLAC will so advise the referred lawyer in writing and require the lawyer to participate in a remedial program of monitoring, treatment, counseling or training.

(b) The referred lawyer will have the opportunity to participate in determining the nature and extent of the remedial program to be undertaken, but SLAC’s decision regarding the program is final.

(c) SLAC will set forth the remedial measures to be undertaken in a written agreement to be signed by the lawyer. The agreement will contain the referred lawyer’s acknowledgement that failure or refusal to cooperate in the remedial program is grounds for discipline under Oregon RPC 8.1(c) and may be reported to the proper authority.

(d) SLAC may require the lawyer to submit periodic reports from persons responsible for implementing the remedial program or who have information about the lawyer’s compliance.

(e) The referred lawyer must pay the costs of the remedial program that SLAC requires.

(f) The designee will monitor the referred lawyer’s participation in the remedial program and will report regularly to SLAC.

(g) The remedial program may be revised from time to time, as SLAC deems appropriate, and may include an extended period of monitoring.

(h) When SLAC determines that the referred lawyer has successfully completed the remedial program and that the lawyer’s ability to practice law and professional competence is no longer impaired, the case will be closed.

**Section 24.6 State Lawyers Assistance Committee Records**

The chairperson will maintain an intake log as a permanent record of SLAC. In it will be noted each referral to SLAC, the date of the referral, the name of the person making the referral, the name of the referred lawyer, action taken on the referral and the ultimate disposition of the referral. Written materials regarding a referral which does not result in a case being opened, will be kept with the intake log. The designee to whom a case is assigned will create a file and will maintain all reports, correspondence, records and other documents pertaining to the case. The designee is responsible for maintaining the confidentiality of the file and the information it contains while the file is in the designee’s possession. The file on a case will be closed when the referral is dismissed, on notice to Disciplinary Counsel of non-cooperation or as provided in Subsection 24.503(H) of the Bar’s Bylaws. Closed files
will be maintained for ten years in locked storage at the Bar’s offices. SLAC will notify the referring person of the general disposition of the referral, but not of its detailed findings or the remedial measures taken.

Section 24.7 Other State Lawyers Assistance Committee Policies

Subsection 24.700 Non-cooperation
The failure or refusal of the referred lawyer to respond to SLAC’s initial inquiry; to participate in interviews with designees during the course of SLAC’s investigation; to respond to SLAC requests for information or for a professional evaluation; or to participate in and comply with a remedial program, may result in the lawyer being referred to Disciplinary Counsel for possible action under Oregon RPC 8.1(c).

Subsection 24.701 Confidentiality
SLAC records and any information provided to or obtained by it or its designees including, without limitation, medical information, is confidential. Those records and information are not subject to public disclosure and are inadmissible as evidence in any disciplinary or civil proceeding. Pursuant to ORS 9.568(4), the confidentiality does not apply to information relating to a lawyer’s non-cooperation with SLAC or its designees or to information obtained by the Bar from any other source not connected with the referral to SLAC. Pursuant to Subsection 24.402 of the Bar’s Bylaws, the SLAC chairperson or designee may release the name of the referred lawyer to the OAAP. SLAC may also release statistical data, pursuant to Subsection 24.703 of the Bar’s Bylaws.

Subsection 24.702 Duty to Report Unethical Conduct
SLAC and its designee are exempt from the reporting requirements of Oregon RPC 8.3(a) pursuant to Oregon RPC 8.3(c)(1).

Subsection 24.703 Statistical Data
SLAC will prepare a written annual report of its activities. The report will include statistical data such as: the total number of referrals received by SLAC, the number of direct referrals, the number of referrals received from the State Professional Responsibility Board, the number of referrals to the Client Assistance Office as a result of non-cooperation with SLAC, the number and types of cases in which assistance was provided through SLAC, the number of cases completed during the reporting period and other information that will assist the Bar in evaluating the workload and effectiveness of the SLAC program. The report will not include any information that could jeopardize the confidentiality of persons participating in SLAC’s programs. The report will be delivered to the Bar annually as an attachment to SLAC’s annual report.

Subsection 24.704 Public Meetings
SLAC meetings are exempt from the provisions of ORS 192.610 to 192.690, pursuant to ORS 9.568(3)(b). OAAP staff may be invited to attend SLAC meetings, including case review of referred lawyers, if appropriate releases have been signed by the referred lawyers.
Article 25 Law Student Associates

Any student currently enrolled in an Oregon law school may become a Law Student Associate of the Bar. Law Student Associates are not members of the Bar and, except as provided in this article, do not have any of the rights and responsibilities of members. Law Student Associates must pay an annual fee established by the Chief Executive Officer in an amount sufficient to cover the cost of providing information and services to Law Student Associates. Services and information provided to Law Student Associates will be determined by the Chief Executive Officer.

Article 26 Sustainability

The Bar supports the goal of sustainability, generally defined as meeting present needs without compromising the ability of future generations to meet their own needs. Because Bar operations and the practice of law impact the environment and society generally, the Bar will be cognizant of sustainability in its internal operating practices as well as in its service to members. Internally, the Chief Executive Officer will designate a sustainability coordinator for Bar operations, will encourage continuous sustainability improvement in Bar operations, and will report to the Board of Governors at least annually on progress and impediments. In the practice of law, principles of sustainability may be important in addressing competing economic, social and environmental priorities that impact future generations. The Bar will encourage education and dialogue on how law impacts the needs and interests of future generations relative to the advancement of the science of jurisprudence and improvement of the administration of justice.

Article 27 Unclaimed Lawyer Trust Account Funds

Section 27.100 Purpose

This policy is established to provide direction and limits for the administration, disbursement, and claims adjudication of unclaimed lawyer trust account funds appropriated to the Bar. For the purposes of this section, “unclaimed lawyer trust account funds” are defined to mean all funds allocated to the bar pursuant to ORS 98.386(2).

Section 27.101 Administration

(a) All unclaimed lawyer trust account funds appropriated to the Bar shall be received and held in a separate fund in the manner authorized by Section 7.1.

(b) All unclaimed lawyer trust account funds shall be invested in the manner described at Section 7.4. The Legal Services Committee may provide recommendations on the investment of unclaimed lawyer trust account funds to the Investment Committee.

Subsection 27.102 Disbursement

(a) The Chief Executive Officer and the Chief Financial Officer are authorized and empowered to make disbursements of unclaimed lawyer trust account funds appropriated to the Bar to:

(1) Claimants for the payment of claims allowed under ORS 98.392(2), pursuant to Subsection 27.103; and

67
(2) The Bar, for expenses incurred by the Bar in the administration of the Legal Services Program, only if the Chief Executive Officer determines such disbursements will not impair the Bar’s ability to make payments for claims allowed pursuant to Subsection 27.103 from unclaimed lawyer trust account funds.

(b) The Budget & Finance Committee, after seeking the advice of the Legal Services Committee, may recommend that the Board make disbursements of unclaimed lawyer trust account funds appropriated to the Bar to the Legal Services Program established under ORS 9.572 for the funding of legal services. The Board may authorize such disbursements only if the Board determines the disbursements will not impair the Bar’s ability to make payments for claims allowed pursuant to Subsection 27.103 from unclaimed lawyer trust account funds.

**Subsection 27.103 Claim Adjudication**

(a) When the Oregon Department of State Lands forwards a claim for unclaimed lawyer trust account funds to the Bar for review, the Bar shall review the claim and approve or deny the claim within 120 days after the completed claim form and all necessary information to process the claim is received. If a claimant is requested to provide additional information and fails to do so within 90 days after the request is made, the Bar may close the file without further action. A claim shall be approved if a preponderance of the evidence proves the claimant is legally entitled to the unclaimed lawyer trust account funds. A claim shall be denied if the preponderance of the evidence does not prove the claimant is legally entitled to the property.

(b) The Chief Executive Officer or the Chief Executive Officer’s designee shall decide whether to approve or deny all claims for amounts under $500. Claims for amounts of $500 or more must be reviewed and approved or denied by the Board.

(c) The Bar shall utilize claim forms published by the Oregon Department of State Lands. To evaluate whether to approve or deny a claim under Subsection 27.103(a), the Bar adopts the claim adjudication rules promulgated by the Oregon Department of State Lands at OAR 141-040-020; and OAR 141-040-0211 through OAR 141-040-0213. Where the rules reference the “Department” they shall be deemed to refer to the Bar.

(d) If a claim is approved pursuant to this Subsection, the Chief Executive Officer or designee shall notify the claimant.

(e) If a claim is denied, the Chief Executive Officer or the Chief Executive Officer’s designee shall notify the claimant. The notice of denial shall include the specific reason for denial and shall include a notice of an opportunity to appeal the denial to the Board.

(f) A claimant may appeal the denial of a claim by making a request in writing to the Chief Executive Officer within 60 days after the date of written notice of denial of the claim. A request for appeal shall be in writing and shall identify issues of law or fact raised by the denial and include a summary of the evidence of ownership on which the claim was originally submitted. The Board will review each request for appeal at its next scheduled board meeting following receipt of the request.

(g) Additional evidence shall not be admissible on appeal to the Board, except by mutual consent of the Board, the claimant, and any other parties to the proceeding.
If such additional evidence is not admitted, the Board shall allow the claimant to resubmit the claim to the Chief Executive Officer with the new evidence.

(h) The Chief Executive Officer or designee shall notify the claimant of the Board’s decision on appeal.

(i) A holder of property who has delivered unclaimed lawyer trust account funds to the Bar pursuant to ORS 98.386(2) may make payment to or delivery of property to an owner and file a claim with the Bar for reimbursement. The Bar shall reimburse the holder within 60 days of receiving proof that the owner was paid. The Bar may not assess any fee or other service charge to the holder. As a condition of receiving the funds from the Bar, the holder shall agree to assume liability for the claimed asset and hold the Bar harmless from all future claims to the property.

(j) On a quarterly basis, the Chief Executive Officer or designee shall provide a listing of the claims resolved to the Department of State Lands. The Chief Executive Officer shall also provide an annual report of the claims resolved to the Board.

Article 28 Admissions

Section 28.1 Board of Bar Examiners

Pursuant to ORS 9.210, the Supreme Court appoints a Board of Bar Examiners (BBX) to carry out the admissions function of the Oregon State Bar. The BBX recommends to the Supreme Court for admission to practice those who fulfill the requirements prescribed by law and the rules of the Court. The BBX’s responsibilities include: investigating applicants’ character and fitness, developing a bar examination, determining the manner of examination, determining appropriate accommodations for applicants, grading the bar examinations and setting standards for bar examination passage. The BBX may appoint co-graders to assist with the grading of examinations. The BBX may also recommend to the Court rules governing the qualifications, requirements and procedures for admission to the bar, by examination or otherwise, for law student appearance, and other subjects relevant to the responsibilities of the BBX.

Section 28.2 Nominations

The bar and the BBX will recruit candidates for appointment to the BBX and for appointment as co-graders. The BBX will solicit input from the Board of Governors before selecting co-graders and nominating candidates for appointment to the BBX.

Section 28.3 Liaisons

The Board of Governors shall appoint one of its members as a liaison to the BBX. The BBX may appoint one of its members as a liaison to the Board of Governors. The liaisons shall be entitled to attend all portions of the BBX and Board of Governor meetings, including executive and judicial sessions.

Section 28.4 Admissions Director

The Admissions Director shall report to and be supervised by the Director of Regulatory Services, under the overall authority of the Chief Executive Officer. The Chief Executive Officer and Director of Regulatory Services will make the hiring, discipline and termination decisions regarding the Admissions Director. The Chief
Executive Officer and Director of Regulatory Services will solicit BBX’s input into these decisions and give due consideration to the recommendations and input of the BBX. If the BBX objects to the final hiring decision for the Admission Director, recruitment will be reopened.

Section 28.5 Budget
With the approval of the Oregon Supreme Court, the BBX may fix and collect fees to be paid by applicants for admission. A preliminary annual budget for admissions will be prepared by the Admissions Director and Director of Regulatory Services in consultation with the BBX. Upon approval by the BBX, the budget will be submitted to the Board of Governors. The final budget presented to the Board of Governors will be provided to the BBX. Upon adoption by the Board of Governors, the budget will be submitted to the Supreme Court in accordance with Bylaw 7.202, and the BBX may make a recommendation to the Supreme Court regarding adoption of the budget. The budget will align with bar policy generally after consideration of the policy goals and objectives of the BBX.

Section 28.6 Amendments
Any proposed amendment to Article 28 shall be submitted to the BBX and Supreme Court for consideration and the BBX shall make its recommendation to the Supreme Court regarding adoption of the proposed amendment. Upon Supreme Court approval, the Board of Governors may adopt such amendments in accordance with Article 29.

Article 29 Amendment of Bylaws
Any amendment of the Bar’s Bylaws requires notice at a prior Board meeting unless two-thirds of the entire Board waives the notice requirement. The Bar’s Bylaws may be amended by affirmative vote of a majority of the entire Board at any regular meeting or at any special meeting of the Board called for that purpose.
