

Over 50-Year Member Section Enrollment Form

OSB Sections provide members with opportunities to develop and improve skills, as well as a forum to communicate and participate in activities with other members who have common interests. Section memberships are for a calendar year, and members may join through October 31 for the remainder of the year. Visit the OSB website for more information on section activities www.osbar.org/sections.

Many sections offer free membership to bar members with more than 50-years of admission to the OSB. Complementary memberships for 2021 are available to members who were admitted after December 31, 1970.

If you meet this qualification, complete and submit this form, or go online to join a section by October 31, 2021. To join online, log in to the bar's website at hello.osbar.org, then follow the Joining Sections link under the Sections tab.
