

LAW STUDENT ASSOCIATE PROGRAM

The Law Student Associate status was created by the Oregon State Bar to offer law students a way to join their future community of peers while still in school. Lawyers throughout Oregon recognize the Oregon State Bar as their main professional organization. Law Student Associates will build professional contacts through bar activities while demonstrating dedication and interest in the profession.

Associate Member Benefits

Oregon New Lawyers Division (ONLD) emails — ONLD events are invaluable to any student preparing themselves for a career in the legal profession. You will receive emails regarding Continuing Legal Education (CLE) programs (most are free for students), panels, and social events geared towards new lawyers. Networking with new lawyers and making connections at these events is helpful for all law students.

OSB Section membership — Joining an OSB Section offers you a chance to explore an area of law before being admitted to the bar. The list to the right indicates the many sections that offer law student membership. As a law student section member you will receive email notices for the section's upcoming events and programs, be added to its list serve (when available), and receive its publications. Please note, section membership fees are based on a calendar year and cannot be prorated.

OSB Bulletin delivered to your home — The OSB's monthly magazine includes opinion pieces of Oregon lawyers, practice-oriented articles, ads, and bar news. A year's subscription is only \$10 if you join the LSA Program. You do not need to purchase the OSB *Bulletin* to join a bar section or vice versa.
