This interactive seminar incorporates polling software so you can respond to ethics scenarios using either text message or internet browser. Gain an understanding of legal ethics best practices and obtain practical advice for handling law office responsibilities. From where to go for ethics advice to forming the attorney-client relationship, this seminar provides guidance about a number of key issues. Speakers will also address responsibilities during termination of the attorney-client relationship, handling conflicts, and conducting yourself with professionalism. This is an ideal opportunity to ask questions and get answers from the bar's ethics experts.

Register by 4/30/18 and save \$20.
