Legal Ethics—Best Practices

This interactive seminar incorporates polling software so you can respond to ethics scenarios from your computer or electronic device. Gain an understanding of legal ethics best practices and obtain practical advice for handling law office responsibilities. From where to go for ethics advice to forming the attorney-client relationship, this seminar provides guidance about a number of key issues. Speakers also address responsibilities during termination of the attorney-client relationship, handling conflicts, and conducting yourself with professionalism. This is an ideal opportunity to get answers from the bar’s ethics experts.
